

# FOOTBALL NIGHT LAST GAMES AT BRAINARD CUBS PORTLAND SCHOOLS WAGNIN STREET HAVE DISBANDED

Will Be One of Prettiest Pigskin Contests in Whole West.

Will Be Three Contests in Post-Season Series for Inter-City Championship.

Team Held Together Better Than That of Any Other Tri-City Club.

## FIRST GAME WEEK FROM WEDNESDAY

Battle Will Be Complicated by Entry of Two Schools Which Did Not Compete in 1906—Practice Games Tomorrow.

One of the prettiest football fights in the west this year should be the one in the Portland interscholastic league, which begins one week from next Wednesday and ends, provided there is no tie, November 23.

Last year there were but three teams in the league—the Hill Military academy, Columbia university and Portland high school, which finished in the order named. This year there will be five, Portland academy and the East Side high school having entered the arena.

All five teams are practicing nightly, and from present indications no school will have a weaker team than last year. Despite the fact that Portland academy has been out of football for a year its friends believe that it will make a strong bid for the championship.

The academy won the interscholastic championship for six years in succession, ending with 1905, and does not expect to be displaced from the background merely because the faculty put a stop to the game for one season. It is undeniable, however, that the academy during one season is a serious handicap.

## RETURN OF MOULLEN IS ALMOST CERTAIN

Faculty Grants Permission to Oregon Kicker to Take Examinations.

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 4.—At a meeting of the faculty yesterday afternoon permission was given to Fred Moulten to take the necessary examinations for the removal of his conditions. Moulten did not expect to return this fall, so he did not take his final examinations. If Moulten can pass his examinations he will be allowed to reenter the university. Moulten's return will greatly strengthen the football team. His kicking was responsible for most of the games won last year. The result of the examinations will not be known for several days, but his return is practically assured. He will be required to make good in nine hours' work.

## TO START TRAINING TABLE IN TEN DAYS

"Sharkey" Huston, Candidate for Quarter, Notable Addition to Oregon Squad.

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 4.—Manager Kestly today announced that the training table for the football team will be started October 14. There will be room for 18 men, and from these Coach Frost will pick the varsity eleven. Frost is putting the men through hard practice each night, and several of them have received good, hard knocks. Moore is taking things easy to rest his back, which was slightly hurt. He will be alright, however, in a few days. "Billy" Wood is laid up with a bad knee. He was hurt last year and his knee is bothering him again. Hayward expects to have him out again in a few weeks.

The candidates for quarterback turned out tonight in "Sharkey" Huston, Huston formerly attended Berkeley, where he played quarter on his freshman team. He is a stocky, well-built player with plenty of speed and should make good. Wood is a welcome addition to the team, now that Wood is out of the game and Kuykendall is the only quarter left.

Frost is working hard to get the team in good shape for the Pacific university game here two weeks from Saturday.

## DOCTOR KILLS FINE BUCK FROM STAGE

(Special Dispatch to The Journal.) Klamath Falls, Or., Oct. 3.—The hunting season is on in the Klamath marshes and hills. Dr. Thomas Parker of this city, an excellent shot and an enthusiastic sportsman, succeeded in bringing down a fine buck between Pokemoga and Keno while on the stage en route to Klamath Falls. Two weeks ago when on the road ahead of the stage and the doctor secured one, much to the delight of the passengers.

Local sportsmen report the duck and geese shooting especially good, and many hunting parties are off for the lower lake and marshes.

## McIntire Returns to Oregon

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 4.—Walter McIntire, left guard on the varsity eleven of '04 and '05, has returned to college. McIntire is in splendid condition. He will turn out immediately for the team. McIntire is large and speedy and plays a good game.

## EAT WHAT YOU WANT

Science Has Now Found the True Way to Cure Indigestion.

A few years ago, when a sufferer from indigestion went to a stomach specialist, the result was a rigid diet list that almost meant starvation. But the first thing to do in the case of indigestion or stomach weakness is to strengthen the muscular walls of the stomach, and intestines, so that they will care for the food that is eaten. In no other way can this be done as well as by taking a Mi-o-na tablet before each meal. This restores strength to the stomach muscles and stimulates the pouring out of gastric juice, so that the food is digested readily and its nourishment retained in the system to build up energy and vitality.

Do not think the sick headache, heart-burn, bad taste in the mouth, coated tongue, spots before the eyes, sleeplessness and the many other symptoms that are the direct result of indigestion, will go away of themselves. The stomach must be built up and strengthened by Mi-o-na before you can be well and strong, free from suffering and distress.

In many of the best homes in Portland and adjoining towns, the handy little Mi-o-na tablets, so pleasantly taste yet so effective, have given quick and lasting relief from indigestion and that disagreeable full feeling after eating.

The guarantee that Woodford, Clarke & Co. give with every 50-cent box of Mi-o-na tablets, shows their confidence in the treatment. They take the whole risk, and Mi-o-na will not cost you a penny unless it cures.

## MANAGER H. K. SMITH REQUIRES FROM GAME

While Club Did Not Finish Season in First Division It Gave Leaders More Close Contests Than Any of the Others—Individual Records.

The "Brainard Cubs," whose decisive defeat of the formidable Kelso Tigers, last Sunday made it possible for the Frakes to play the Spokane series, have officially disbanded for 1907, and Manager Smith has handed each man his contract and release from the Tri-City league. Ever since the middle of the league season the Cubs have been a hard bunch to down, and while they did not finish in the first division, their close games with the first division teams have shown that they were strictly in their class.

One commendable feature of the Cubs' work has been their sticking to their original organization, such as the reliable and their rapid development of team work. Manager Smith has had fewer players on his staff than any team in the league, and at no time has gone outside to use the services of professional players.

The team has played 39 games during the season, 26 of which have been Tri-City league games. Out of the 29 games, the Cubs have won 20, defeating such strong teams as Columbia, Eugene, Charleston, Chemawa, Canas, Kelso, Brewster, Astoria, East Side Athletic club, Traskmers and St. Johns.

The team has lost more close games by one score than any other team in the league. They also had the distinction of holding the Brainard company while put out a team next season, and many of this season's stars will be seen in a Cub uniform in 1908.

The records of the Cubs for the season follow:

Fielding Averages of Cubs. Player, GP, PO, A, E, PC. ## BEAVERS WIN BY BUNCHING BINGLES

(United Press Leased Wire.) San Francisco, Oct. 4.—The Beavers took another from the Oaks yesterday, bunting their way to a 4-1 victory, netting three runs. Hartman held down the Commuters to four hits. Score: Beavers, 4; Oaks, 1. R. H. E. Portland, 000300001—4 1 6; Oakland, 100000001—2 4 1. Batteries—Hartman and Byrnes; Hogan and Bliss.

## EAST SIDE CLUB TO HAVE FOOTBALL TEAM

To Also Engage in Numerous Other Sports This Winter Including Basketball.

A football team will be organized by the East Side Athletic club next Sunday afternoon. A call has been issued for all unattached pigskin kickers to meet at the club, Grand avenue and East Morrison streets, at 4 o'clock Sunday afternoon. The club has been organized, and the management expects to have no trouble to turn out a strong aggregation. A coach will be secured and practice will begin immediately. A half dozen dates are already in sight for games.

The East Side club will be a new aspirant for honors in numerous sports this winter. The club expects to join the state basketball league, which has a city league, should one be organized. The club will also put a team in the city indoor baseball league, which has been organized by the military companies of this city.

## BASEBALL FIELD DAY TO CLOSE SEASON ON PORTLAND GROUNDS

Running of bases—Complete circuit, (Best time.) There are some very clever men in the Tri-City league teams who are willing to compete. In the sprinting events, Johnson and Newell of the Frakes, Hinkle of St. Johns, and Tauscher and Duvall of the Cubs, would make a great race. In the long distance throwing, Schimpff of the Frakes and Kruger of the Cubs, Philbrick of St. Johns and Clyde Morrow of Spokane, would put up a great contest. In the punt and run event, there are a dozen local men who will enter, and in the fly hitting, the Parsons, Shea, Thomas, Moore, brothers, Morrow, and half a dozen others scattered through the different Tri-City league teams would make a match well worth witnessing.

This will be the first time in the history of local baseball that a field day trial has ever been pulled off. Local fans are much interested and it is hoped that the promoters will carry the matter through.

## SPORTING NOTES

Local and Otherwise.

The Portland Association Football club will hold a practice game tomorrow afternoon at 3 o'clock. The game will be played at the old football field at Belmont and Thirty-ninth streets, as a misunderstanding has arisen between the club and the Cricket association and the club has not leased the street grounds at all this winter. The soccer management is negotiating for a game with the Seattle club to be pulled off in Seattle, Thanksgiving day.

The Portland Hunt club will hold its first paper chase of the season tomorrow afternoon. Miss Almsworth and Miss Lawrence will be the hares. The start will be from the Thompson school-house on Shaver street at 2:45.

Tacoma is but three points behind Aberdeen in the Northwest league race. Tacoma is winning nearly every game, and Aberdeen is losing. The season ends Sunday, and it looks as if there will be a reversal of leaders.

Tommy Burns will fight Gunner Moir, the British heavyweight champion, in London Thanksgiving day. The bout will be for a purse of \$5,000 and a side bunting of three hits in the fourth and fifth rounds. While Burns has agreed to go to London, he says he will call off the dog if a misunderstanding has arisen between himself and Jack Johnson.

It is quite probable that a water polo league will be organized here this winter. There are three swimming tanks in town, one each at the Multnomah and the East Side Athletic club, and the Y. M. C. A. All three organizations have good swimmers and a polo league should develop much sport.

Young Ketchel will probably be matched against Mike (Twin) Sullivan before the week ends.

The attendance at the Y. M. C. A. gymnasium classes is the largest in the history of the organization.

Hans Wagner has issued a challenge to all American league players for a contest for the all-around baseball championship. He would prefer to be matched against Lajoie, however.

The business men's class gymnasium at the Multnomah club was organized yesterday night with good attendance, despite the fact that the men who would otherwise have joined chose the tennis court on account of the fine weather.

## FALL TRACK TRAINING BEGINS AT EUGENE

University of Oregon, Eugene, Oct. 4.—Fall track work began tonight, with half a dozen runners out. Hayward intends to keep the men at work until the Christmas holidays on cross-country work. He intends to arrange for interschool meets during the fall. A cup will be given to the winning team, and each member will receive a medal.

This fall and winter work will keep the students in good trim, so that they can easily get into shape in the spring. Several good milers have entered school this year. Harry Lowell, who was out of school last year, has returned, and Sam May the Multnomah miler, has entered. Besides these there are several others who show good form.

And you name the man, unless he be a detective. Each separate calling and profession seems to dote on custom—a certain distinct sort of garb which not only makes the man known, but makes known his pride in his chosen profession.

But there's one even finer distinction in man's dress—it's the decree that pronounces a GENTLEMAN by his clothes, regardless of that man's profession. The highest honor that can be paid a man is to say "there is a gentleman."
