## POWERS' GIGANTIC RANGE SALE

The BEST RANGE on the MARKET AT THE PRICE

### The Great Ajax Steel Range

The BEST RANGE on the MARKET AT THE PRICE

The AJAX STEEL RANGE is a model of simplicity—The walls are made double, and heavy asbestos is used as an interlining to prevent heat radiation. These walls are covered with blue planished steel that will not rust, chip, peel or turn white when heated. The AJAX STEEL RANGE is made to suit the housewife, and every new improvement has been thought out, and each new feature is practical.

The AJAX STEEL RANGE has every new feature, every improvement of the 1907 style—It has a four-hole top, an extra large oven, large size warming closet, is beautifully nickle trimmed and is madethroughout of Polished Blue steel. This one item alone will be appreciated by the careful housekeeper, as there is no paint to burn off and they will always keep their original beautiful finish.
