Warning to Public

"Trefousse" Gloves

Lipman, Wolfe & Co., in view of their position as sole Portland agents for the famous real "Trefousse" French Kid Gloves, feel it their duty to warn the public against dealers trading upon the name and reputation of "Trefousse."

The "Trefousse" Glove is considered the finest real kid glove in the world, being handled only by HOUSES OF THE HIGHEST REP-UTATION, such as B. Altman & Co., New York, The Bon Marche, Paris, White House, San Francisco, and others of like high standing. Only one store in each city is the authorized selling agent for "Trefousse" Kid Gloves. Some stores—being unable to procure this famous real kid glove, resort to misrepresentation by offering for sale inferior makes of gloves as "Trefousse" at less than established agents' prices.

"Trefousse" Gloves are made of the best real kid; those gloves offered by other stores as "Trefousse" are made of lambskin, which bears the same relation to kid as cotton does to linen.

The only letter or mark which appears on genuine "Trefousse" real Kid Gloves is the well-Trefousses in full, as reproduced here.

On account of frequent misrepresentations of some dealers, the general agents of "Trefousse" gloves found it necessary to issue to us-the authorized agents of "Trefousse" Gloves in Portland-the folloing letter, in order to protect the public from buying lambskin gloves, or "seconds," masquerading under the name of "Trefousse" Kid Gloves:

Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom.
