

NEWS OF THE SPORTING WORLD

CIRCLE AND MAT GOES TOMORROW

Portland and Seattle Wrestlers and Boxers Compete at Club Gym.

Boxing and wrestling lovers will get their fill of that sport at the Multnomah club gymnasium tomorrow night, when the winged "M" athletes meet the champions of the Seattle Athletic club in the first tournament of the winter season. That there will be a large attendance despite other attractions is assured. The program at the club and it is doubtful if two such well trained teams have ever appeared there.

The Seattle ring and mat artists will arrive in Portland tomorrow morning and will put up at the club. Every athlete on the visiting bunch has a reputation and the sound city men expect to carry off the honors.

Seattle has picked out a worthy competitor for Edgar Frank the Portland bantam weight wrestler, and this event should be an interesting one. The other men are all evenly matched and it will be a battle of skill and muscle.

Wrestling will occupy attention during the first part of the evening and the contest will close with the boxing matches.

Ed Johnson, the local heavyweight, will mix matters with Sam Peck, a 175-pounder from Seattle. This will be the last event on the card and should be one of the most exciting. In the welterweight class Jack Welch, a popular boxer, will meet the visiting Brown Brown is said to be clever with the mitts and a whirlwind on his feet.

Omar Dranga and Ford will go on for the preliminary. Both boys are unknown so make a reputation and it is assured that the match will not lag.

Promptly at 8:30 o'clock the first match of the evening will be called.

THOUSAND DOLLARS RAISED AT O. A. C.

Students Able to Charter Special Train for Annual Oregon Game.

(Special Dispatch to The Journal.) Corvallis, Or., Nov. 7.—One thousand dollars has been raised among the students at Oregon Agricultural college, thus assuring the excursion to Eugene Saturday for the annual O. A. C.-U. of O. football game. Up to noon today 500 tickets had been sold and the cash to make up the balance had been pledged, so that the \$1 rate for the round trip is now settled.

There is intense enthusiasm over the game and there is no doubt that at least 1,000 people will leave Corvallis for Eugene on the train Saturday morning. There is a general hope that hotels, cafes and restaurants in the neighborhood city will be prepared to feed the hungry horde that will go from this city, as two years ago there were insufficient accommodations and many a visitor returned home without supper.

Very little comment is heard among the boys themselves in regard to the game, and who will play or what tactics will be pursued in the contest by the men of the orange, probably no one but Coach Norcross himself can say.

BOB WHITES SCARCE IN LEWISTON COUNTRY

(Special Dispatch to The Journal.) Lewiston, Idaho, Nov. 7.—Though the open season for quail began with November 1 and will last through the month, hunters who have been in the fields report that the likelihood of good shooting is slim. With but a few exceptions the hunters report an unusual scarcity of the bob whites.

In some localities it is claimed the hunters have been killing quail for the last six weeks and this assertion seems to be borne out by the numerous empty shells found in the draws. In other sections many birds were killed by the severe hail storm of last summer. Grouse and prairie chickens are said to be plentiful.

SIGN ARTICLES FOR TWO FRISCO SCRAPS

Moran-Neil and Sullivan-Kaufman Mills Arranged Without Trouble.

(United Press Leased Wire.) San Francisco, Nov. 7.—According to two sets of articles signed Wednesday afternoon, Owen Moran and Frankie Neil will fight before Alexander Grogans' San Francisco Athletic club Friday night, November 22, while Jack (Twin) Sullivan and Al Kaufman will meet in a 25-round fight before Jimmy Coffroth's Mission Street club Thanksgiving afternoon, November 28. Billy Roche has been selected by the boxers as the referee for each match.

Outside of the weight question, which enters into the bantam weight contest, Neil and Moran agreeing to make 122 pounds at 6 o'clock in the afternoon of the fight, the articles are practically the same. The matches will be contested under strict Marquis of Queensbury rules, with soft surgical bandages allowed subject to the inspection of the referee. The men will fight for 50 per cent of the gross receipts and this will be divided according to the usual custom, 60 per cent to the winner and 40 per cent to the loser.

As the Neil-Moran fight is to be held in San Francisco it will be a 20-round affair, but Coffroth's fight will go five rounds longer, according to schedule. Jack (Twin) Sullivan wanted to make it a 20-round fight, but Billy Delaney, who was looking after the interests of Kaufman, insisted on more time to be added. All the points at issue having been decided, the actual signing of the articles was attended with little fuss. Moran was on hand to speak for himself, but Frankie Neil stayed at home and let Father Jim do the talking and signing.

PORTLAND ACADEMY TO CHANGE MEN AROUND

When Portland academy meets Hill Military academy tomorrow afternoon on Multnomah field there will be a number of important changes in her line-up. Summers, who has been playing at right half, will move over to left end, and Moore, who has been subbing, will take his place on the Husner will play the tackle position. The boys feel that, if they win this game, the championship will be theirs.

On Saturday, the second Portland academy team will play Pacific university's second team at Forest Grove.

Honoluluans Beat Japs.

(United Press Leased Wire.) Tokio, Nov. 7.—The St. Louis baseball team from Honolulu today defeated the young man who several days ago attempted to kill himself by sending a bullet through his spinal column probably sacrificed the little life he had left yesterday in the interest of medical science. Hospital surgeons told him that he would never regain the use of his lower limbs and would die, lingering death if left alone and that there was one chance in 10,000 that he might recover if operated upon. It was explained to him that, even if he did not recover, the operation might develop something that would be used in saving the lives of others injured in a similar manner. "All right; go to it," said the sufferer.

SACRIFICES HIS LIFE TO AID SCIENTISTS

(United Press Leased Wire.) Los Angeles, Cal., Nov. 7.—Herbert Welch, the young man who several days ago attempted to kill himself by sending a bullet through his spinal column probably sacrificed the little life he had left yesterday in the interest of medical science. Hospital surgeons told him that he would never regain the use of his lower limbs and would die, lingering death if left alone and that there was one chance in 10,000 that he might recover if operated upon. It was explained to him that, even if he did not recover, the operation might develop something that would be used in saving the lives of others injured in a similar manner. "All right; go to it," said the sufferer.

After the operation Welch was in a very serious condition and the doctors say he probably will die.

BEAVER PLAYERS REACH PORTLAND

Manager McCredie, Casey, Bassey and Kennedy Will Winter in Rose City.

(Special Dispatch to The Journal.) University of Oregon, Eugene, Nov. 7.—Scrimmage work ended tonight and from now until Saturday only light signal practice will be held with blackboard signal work at night. Assistant Coach Chase today took charge of the second team and worked them hard at offensive work in order to give the varsity defensive practice.

The players are all in fairly good practice with the exception of Arnspiger, who is out this week. Zacharias slightly injured his ankle again today but will be alright before the game.

The second team was greatly strengthened today by the return of "Billy" Wood. Wood had his knee hurt the first of the season and has not been able to turn out before but he is now in as good condition as ever.

Three members of the Portland team of the Pacific Coast league, Manager Walter McCredie, Pearl Casey, Bassey and Kennedy, returned last night from Los Angeles, where the season closed last Sunday, and will winter in the Rose City. With the exception of Mott and "Holy" Hartman, the rest of the team will spend the off months in the east. Donahue will leave next week with Mike Fisher's barnstorming aggregation for an invasion of Hawaii.

Manager McCredie stated this morning that he had not yet heard from his drafts, and was hardly in a position to forecast the possible personnel of next season's team. He expects his uncle, Judge W. W. McCredie, principal owner of the club, to reach Portland from New York, where he attended the national commission meeting either tomorrow or next day. At that time the drafts will be made known to Portland fans.

Mack says all of the men are feeling fine, and that he will have a number of the best men on the team which represented the Rose City this year to choose from next spring.

Casey, Bassey and Kennedy, like their manager, could not tear themselves away from Portland, and will work here during the winter. Casey was booked by Impresario Fisher for the winter trip across the pond, but the Graceful One backed out when they commenced telling stories of sea sickness and the possibility of being food for sharks. "Guess I'll stick to the good old land," said Casey this morning. "It's a whole lot safer and healthier."

OREGON STUDENTS LOSERS BY \$1,000

Entire Receipts of Oregon-Idaho Football Game in Suspended Bank.

One thousand dollars belonging to the University of Oregon Associated students is tied up in the Title Guarantee & Trust company's bank, which was declared insolvent yesterday by Federal Judge Wolvort. The money was the receipts from the Oregon-Idaho football game played here October 25 and was deposited by Manager Grover Kestly that evening. The money, which was in paper and gold and silver coin, weighed in the neighborhood of 20 pounds, and as the suspended bank was the only one in the city open Saturday night Kestly deposited the money for convenience.

That its loss will be sorely felt by the university is the statement made by Oregon men who reside in the city. With the sum at hand it was expected that a large portion if not all of the student body would be here.

No blame for the misfortune is attached to Kestly, since he had had reason to believe the bank was solvent and wanted to take extra precaution to safeguard the funds. Owing to the fact that Governor Chamberlain's proclamation declaring legal holidays went into effect the following Monday it was impossible to draw the money out of the institution.

However, it is hoped that the students will not lose all of the money since it will greatly embarrass them in their various enterprises.

HODSON OFFERS CUP FOR YAMHILL FRUIT

(Special Dispatch to The Journal.) McMinnville, Or., Nov. 7.—Senator C. W. Hodson of Portland, president of the Portland Commercial club, who while visiting his mother and brother here, attended the apple fair several times, was so impressed with the importance and possibilities of the apple industry in this county that he has offered a silver cup to be awarded at the next annual fair at this place. He left to O. W. Lowndale the selection of the display for which the cup is to be given. Indications are that the prizes for next year will be more numerous and valuable than those of this year.

Large Firm Insolvent.

New York, Nov. 7.—A special from North Adams, Massachusetts, says that the North Adams Print Cloth company, a large concern, has been put in charge of a receiver. The cause of the embarrassment is unknown here.

OREGON RESTS FOR BIG GAME SATURDAY

Blackboard Signal Practice Every Night for Lemon Yellow Team.

(Special Dispatch to The Journal.) University of Oregon, Eugene, Nov. 7.—Scrimmage work ended tonight and from now until Saturday only light signal practice will be held with blackboard signal work at night. Assistant Coach Chase today took charge of the second team and worked them hard at offensive work in order to give the varsity defensive practice.

The players are all in fairly good practice with the exception of Arnspiger, who is out this week. Zacharias slightly injured his ankle again today but will be alright before the game.

The second team was greatly strengthened today by the return of "Billy" Wood. Wood had his knee hurt the first of the season and has not been able to turn out before but he is now in as good condition as ever.

SPOKANE HIGH BOYS WISH CHICAGO GAME

Team That Walloped Seattle Out After American Championship.

(Special Dispatch to The Journal.) Spokane, Wash., Nov. 7.—Because her colors have been dragged in the dust, Seattle High school now attempts to get another game with Spokane High football boys at Seattle, and that city guarantees \$1,000 and all expenses if they will go, but they won't. Spokane high's faculty has decided the contest was fair and that another game is not necessary.

Manager George Rouse of the Spokane team has issued a challenge to the North Side High school, of Chicago, for a game to be played here some time before the season closes, for the championship of America. It is possible the game may not be played, however, because part of the faculty does not favor post season games, while others do not want the team to play Chicago until they have finished their schedule.
