ED JOHNSON AND FRANK WINNERS

Heaviest and Lightest Events Stay Home—Seattle Victor in Other Matches.

Ed Johnson, of Multnomah, won from Sam Peck, of Seattle, in the 176-pound boxing class.

Edgar Frank, of Multnomah, won from George Kincaid, of Seattle, in the 125-pound wrestling class.

Chet Brown, of Seattle, knocked out Jack Walsh, of Multnomah, in first round of the 158-pound boxing match.

L. Johnson, of Seattle, won from Wm. Dennis, of Multnomah, in 158-pound wrestling match.

Fifteen hundred people, including Governor Chamberlain, George H. Williams, District Attorney Manning, Police Judge Cameron and Sheriff Stevens, saw one of the best ring and mat tournaments ever staged off in Portland at the Multnomah club gymnasium last night, the two rivals, Seattle and Multnomah, breaking even in the four matches.

As usual Edgar Frank was the star in the wrestling matches and threw his bantam weight opponent, Kincaid, with but little effort. He secured the first fall in 56 seconds and the second in six minutes and four seconds. Frank was so much better than his opponent that there was never any question as to the final result. The Portland boy looks good for the championship of the coast this fall.

In the 158-pound bout, Johnson, who was about 15 pounds heavier than Dennis, threw the Portland man after six minutes and three seconds of fast work. It was the second try Dennis was stronger and more aggressive and the visiting man could not plaster his back to the boards. After 15 minutes of fierce struggle before the greenland awarded the contest to Johnson.

Brown and Walsh entered the ring upon the conclusion of the wrestling for the 158-pound boxing go. Walsh was 18 pounds lighter than his opponent, but it was thought he had a good chance to at least get a draw. After several seconds of sparring, during which few blows landed, the Seattle man sent in a haymaker to Walsh's jaw. Walsh struck on his head when he fell and had to be carried to the dressing room.

Ed Johnson put it all over Sam Peck in the last and deciding match of the dual meet. It was the third round to do the trick, the local man being the aggressor all the way through. Peck's crouching style of defense would not prevail against the determined onslaught of his clever opponent. At the end of the third round Referee Grant gave the match to the wearer of the windmill.

Fast preliminaries were held during the evening between Leon Hughes and Leon Paraziz in which Hughes won in the first round, and Guy Ford and Omar Dranga, which was declared a tie. Many of the spectators believed Dranga should have been given the decision.

MONEY LOSS NOT SO SERIOUS TO COLLEGE

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Nov. 9.—When asked today about the football funds affected by the closing of the Title Guarantee & Trust company, Manager Keastly said that the temporary loss of the money would have no serious effect, but that he feared the bank would not be able to pay in full.

Manager Keastly is not blamed in the least, as when the money was in the bank it was supposed to be perfectly safe. He merely placed the money there for convenience, and as soon as a possible placed the certificate of deposit in a Eugene bank. By the time they sent the certificate to Portland for collection the legal holidays had been declared, and it was too late for anything to be done.

W. S. C. BUBBLE PRICKED IN IDAHO

Gem State Varsity Springs Surprise and Wins, Five to Four.

(Special Dispatch to The Journal.)

Moscow, Idaho, Nov. 9.—Washington State's championship bubble was pricked here yesterday afternoon by the University of Idaho football eleven, which made a clean touchdown to four points gleaned from a place kick by Halm of Pullman. Twelve minutes after the whistle blew Quarterback Small called for the "diamond" and passed the pigskin forward to Savidge, who had sneaked in behind the visitors' line. Keyes failed to kick goal.

Pullman's four points came early in the second half. W. S. C. had pushed the oval to the Gem state 30-yard line, when Halm called on a place kick, which was admirably executed. Three more times during the game of Pullman's booter try for field goals but failed on each occasion.

Never in the history of northwest athletics has there been such a football surprise. Pullman was touted to walk all over Middleton's youngsters and everybody expected that the game would result in an easy victory for the Evergreen State boys.

Washington State was outclassed in practically every department of the game. Small outgained Bryan in the pivotal position and Keyes played an even better punting game than Halm. Pullman's crack kicker, in the use of the forward pass Pullman was way ahead and in passing also put it over the old rivals.

There was an absence of feeling on the part of the rosters of the two colleges which have been such bitter enemies that made the game more pleasing. Pullman's delegation was so amazed at the fast playing of Idaho that all the starch was taken out of them.

WHITMAN CAPTURES WASHINGTON GAME

Both Teams Kick Goals From Fields for Only Points of Contest.

(Special Dispatch to The Journal.)

Whitman College, Walla Walla, Nov. 9.—Completely outplayed, Whitman defeated University of Washington in a hard fought contest yesterday afternoon, 12 to 8. Whitman made two place kicks and a drop kick from the field, and Washington two place kicks.

Whitman was far superior to Washington in advancing the ball, carrying it a total of 637 yards, while Washington only carried it 143 yards. Washington played a punting game almost entirely, frequently punting as soon as she secured the ball.

Washington punted twice as often as Whitman in the game, but averaged three yards less on each punt. Washington asked for long halves and 35 minutes were played. The last part of the game was played in such darkness that it was impossible to see the players from the sidelines. Whitman worked the forward pass consistently for good gains against Washington.

In the second half Whitman carried the ball within two feet of the goal line, but Washington held like a wall and the Missionaries were unable to secure the coveted touchdown.

Washington made her first score in the first half of the first half, after nine minutes of play, scoring on a place kick by Crim from the 35-yard line. Ten minutes later S. Boriske for Whitman dropped a field goal from the 25-yard line, tying the score. The score at the end of the first half was 4 to 4.

In the second half Brubaker made a pretty place kick for a goal from the 40-yard line, one of the prettiest kicks in the game. This was after one and one-half minutes of play. About eight minutes later he scored four points more on another place kick from the 30-yard line, made a fair catch.

Then Washington took a brace and did the only consistent advancing during the game, carrying it 48 yards to the 20-yard line, when Crim made another place kick for four points. The balance of the game, 16 minutes, was played in darkness and no further scoring was done by either team. Final score 12 to 8.

The attendance was 2,000.

All the students and townspersons went wild with enthusiasm at the conclusion of the game. This is the first victory over Washington in several years. Business men and students paraded the streets together to the number of several hundred and an immense bonfire was built on the campus in the evening to celebrate the victory.

HATHAWAY CAPTAINS OREGON BASKETBALL

Lemon Yellow Quintet Commences Actual Practice—Take Two Trips.

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Nov. 9.—Regular basketball practice will begin next Monday afternoon, and the prospects are good for a fast team this year. About 20 men have been practicing throwing baskets and getting ready for regular work.

Four of last year's men are gone, leaving Hathaway, Ramp, Moore and Charman. Stevenson and Penland are expected to return soon, so that practically all of last year's team will be here. Besides these, several new candidates are showing up well. Cary Looney, who played center two years ago, is back this year, and with his 6 1/2 feet of length has a monopoly on that position. Van Sooy, Farrington, Le Masters and Watson are also playing well, and will make the old men work.

"Dick" Hathaway, '08, of Portland has been elected captain, and "Bob" Nelson, '09, of Albany is manager. Two trips are being arranged, one through southern Oregon and the other through Washington.

MURPHY MAY TAKE HIS CREW TO EAST

Stanford's Great Rowing Coach Would Try Men at Poughkeepsie Regatta.

(Special Dispatch to The Journal.)

Stanford University, Cal., Nov. 9.—Coach Murphy is trying to work up a trip east for the Stanford crew next season. He wants to take a western crew to induce the Portland Rowing club to repeat its trip of two years ago.

A stop could be made at the University of Wisconsin on the way to the Atlantic seaboard and a regatta arranged at that place.

Murphy has not yet arrived on the campus, but the foregoing is the substance of a letter to the boat club about his plans for next season. He expresses himself as confident of a championship crew. He believes that the amount of training that can be done after the first of December, together with the number of veteran oarsmen who will take part in the work of the Cardinal men can easily offset the work of Coach Garnett of California, who has been drilling his men for the past few weeks.

HILL CADETS PLAY TIE WITH ACADEMY

Fierce Football Game Shows Teams Evenly Matched—Soldiers Use Reserves.

In the fiercest scholastic football game of the season, Hill Military academy and Portland academy yesterday fought out a 0 to 0 battle on Multnomah field. It was probably the most terrific contest on Multnomah field this season between minor teams. Hill used nothing but straight football. Early in the game the cadets tried several forward passes and fake kicks, but to no avail. From then on she did nothing but buck the line. During the game Hill used up fourteen men and a worse battered bunch of boys would be hard to find.

Hill had the better of the game up to the last ten minutes of play, but from then on Portland academy commenced a march down the field that was stopped only by the whistle. Hill was completely worn out and had Academy five more minutes P. A. would have undoubtedly scored.

Hurburt played the best game for Academy, with Gray a close second. Both players were in the midst of every play, Gray's tackling being especially fine. Smead, Loomis, and Donson made good gains for Hill.

NO BETTING ALLOWED U. OF O.-O. A. C. GAME

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Nov. 9.—Trainer Hayward, who has been working hard to get Arnsperger back into the game, has some hope that "Ole" will be able to play against Corvallis today. With the exception of Arnsperger, the team is in good shape, much better than was expected. Zacharius, whose ankle has bothered lately, is almost well, and a day more of rest will do all the team good.

While the outcome of the game is by no means certain, Oregon students will not be backward in backing the team. An immense rally and bonfire took place last night on Kincaid field.

A notice was issued yesterday that no betting would be allowed on the football field Saturday, and the officers on duty will be instructed to watch for any violation of this rule.

Hawaiians Win From Japs.

(Special Dispatch to The Journal.)

Tokio, Nov. 9.—In the third game of the baseball series between the Hawaiians and the Keogijikua, the former won by a score of 4 to 2.

SPORTING NOTES

Local and Otherwise.

Hilly Papke, the Illinois wonder, and Pat O'Keefe, the welterweight champion of England, are scheduled to mix it up in a six-round bout in Philadelphia tonight.

Of the freshmen football teams this year Harvard looks the weakest, as compared with Yale, Princeton and Pennsylvania.

Williams college has a quarterback, 192 of Albany in manager. Two trips are being arranged, one through southern Oregon and the other through Washington.

Word comes from Virginia that an outlaw baseball league is being formed there to take the place of the Eastern league champions next season.

The loss of Joe Kelley will make it pretty hard going for the Eastern league champions next season.

Arizona is to have a winter baseball league, with teams in Tucson, Phoenix, Bisbee, Douglas and Hermosillo.

Brooklyn has drafted John Hess, who has pitched for the Springfield club of the Connecticut league the past two seasons.

Jimmy Gardner and Willie Fitzgerald have been matched for a fight to take place in Terre Haute Thanksgiving day.

The rough tactics employed by the Villanova eleven will probably result in both Yale and Princeton dropping that college from their schedules in future.

The University of Michigan team has the forward pass down pretty fine this season and indications point to a better showing against Pennsylvania than was made last year.

The Carlisle Indians have a great second team with which to practice. It is coached by Bill Newman who was made last year.

Matt McClung of Lehigh who used to be an official at all the big eastern football games, is refereeing in the south this season.

Eight football fatalities have been reported so far this year, but this is below the average of past seasons. The
