Simply Because

Nearly everybody is interested in real estate nearly everybody refers to the big Sunday Journal. By advertising your property in The Journal you will reach all those looking for realty. The Journal sells real estate quickly. If you have any prejudice or sentiment cut both out from business. It. doesn't pay to have either. Business is business. The Journal affords the opportunity to increase your business and you should take advantage of it in the harvest time, which is NOW.

Journal Ads Pay Best
