

NO CHANGE IN TRAINS

Business Organizations All Through Valley Protest Against Proposed New Schedule—Ashland Kicks Against Present Service.

According to action taken by business men's organizations along the Southern Pacific main line from Portland to Medford, satisfaction is expressed with the train service now operated. The proposed change of No. 12 by which it would be run through to Ashland instead of ending its run at Roseburg is not wanted. Medford, Salem and Albany business men have taken action urging that the present schedules remain undisturbed. Petitions have been sent from Salem and Albany to the officials of the Southern Pacific company, asking that no change be made in present schedules. The Salem petition relates to the proposed change of train No. 12, and says: "We beg to protest against such a change. The present schedule, allowing our people to reach Portland at a reasonable hour in time for dinner, and to attend the theatre or any social gathering or dates, is very satisfactory to us, and any change to a later hour would be undesirable. The petition is signed by: A. N. Bush, L. L. Wiprut,

J. A. Wilson, F. G. Deckebach, F. C. Fish, Willamette hotel, A. G. Wagner, Standard Liquor company, T. A. Livesley & Co., by J. H. Roberts, Benjamin Schwarz & Son, Joseph Harris, Henry B. Thielson, James R. Linn, C. A. Dorcas, H. A. Corroyer, S. Knecht, Kola Neils, Henry Wagner & Co., George E. Waters, C. P. Bishop, The Salem Water company, George F. Rodgers, Oscar M. Johnson, W. Carlton Smith, E. Hoffer, J. R. Ellis.

Albany Also Protests.

Albany business men in large numbers are protesting vigorously against a change. The situation seems to be that Willamette valley cities are pleased with the present main line train connections with Portland and Medford, in southern Oregon, of the same mind, while Ashland, the most southerly point in the state, is making a strong fight to have the railway commission order the running of train No. 12 clear through to Ashland instead of stopping at Roseburg.

The Albany petition to Manager J. P. O'Brien declares the present train service is the best the town ever had, allowing its people to reach Portland and other points before dark, and we, the undersigned respectfully request that the present schedule be kept in effect." The petition is signed by all classes of business men, including: Charles Pfeiffer, E. H. McCune, J. V. Pipe, Woodworth Drug company, William Eagles, Collins & Iwaine, S. H. Clevenston, J. Whitney, Peter Paulus, W. T. Worley, Hotel Revere, W. A. Eastburne, W. F. Pfeiffer, William Parker, Charles Barruff, A. Corker, H. B. Schultze, W. H. Hogan, L. E. Blain, A. M. Hammer, Alfred C. Schmidt, E. W. Langdon, F. G. Will, Fred Dawson, J. W. Cusick & Co., S. E. Young & Son, F. M. French, Foslay & Mason, Burkhardt & Lee, W. F. Davenport, M. Senders, J. O'Brien, George A. Taylor, C. Beavis, Fortmiller Furniture company, W. B. Stevens & Co., G. A. Flood, J. R. Van Winkle, H. F. Letting, Howard & Cooper, L. E. Hamilton, Charles Knecht, C. H. Stewart, M. Sternberg, M. H. Ellis, Conrad Meyer, Albany Hardware Co., Chambers & McCune, Turner & Williams, Simpson & Clodfelter, C. G. Burkhardt, Barrett Bros., Kola Neils, Ellis & Sons, M. J. Montross, H. F. Hulburd.

The Medford Commercial club members unanimously passed resolutions declaring their satisfaction with the present train service, and expressing opposition to the proposed investigation to be made which is to meet at an early date at

Ashland with a view to gathering evidence to justify an order compelling the railroad company to restore the through train recently taken off of this run.

It is claimed that if the Portland-Roseburg train were forced to make the run through to Ashland, it would have to leave Ashland for Portland at 2:30 a. m., and make the run through southern Oregon at an hour when nobody would patronize it.

On the present schedule southern Oregon has two daily trains to Portland. The most largely patronized is train No. 14, hauling a special Oregon Pullman car from Ashland to Portland and reserved for local patrons. It leaves Medford at 4:20 p. m., and gets southern Oregon people into Portland at 7:25 the following morning.

GOVERNOR RELIES ON PUBLIC'S GOOD SENSE

Does Not Believe Discontinuance of Holidays Will Work a Hardship.

Governor Chamberlain says there is nothing to say regarding the holiday situation or his intention to terminate the holidays on December 14. "I said about all there was to it in my announcement sent yesterday," said Governor Chamberlain. "I believe that the continued improvement of conditions generally will be such by December 14 that there will be no trouble when the holidays come to an end. I believe sufficiently in the patriotism and public spiritedness of the people of Oregon to believe that they will take no steps that will injure the business interests or business men of the state by making unreasonable demands. The courts need the discontinuance of the holidays and I do not believe there will be further need for them."
