CLOTHING COMPANY

PLENTY OF COIN BUT HAS NO HOME
Mrs. Kate Quigley Goes to the Police Station and Demands Shelter.

at the police station for a place to stay. She is suffering with rheumatism in both feet. Clearing house certificates amounting to \$600 were found on her person. Chief Gritzmacher sent the woman to the matron's rooms on the top floor of the prison building and later she went away to remain temporarily with friends. Mrs. Quigley says she is willing to pay \$20 for her keep. The authorities had succeeded in finding her a place, but when the person who had agreed to keep the woman for this amount found out that it was Mrs. Quigley, they turned down the offer. Various hospitals and charitable institutions have declined to make room for her. The county board of relief refused to do anything for her owing to the fact that they investigated and found that she owns considerable property on both sides of the river. BARN COLLAPSES AND FALLS INTO THE GULCH
A barn belonging to W. H. Smith and standing at the southeast corner of East Second and Oak streets collapsed yesterday. It is believed the structure had been weakened by the high winds. Two cows were in the barn at the time and when the building fell over they were thrown into a gulch in which the water is about five feet deep. In great numbers neighbors, as neighbors will, came to the assistance of the cows and they were soon rescued. One of the animals was injured about the legs. The other cow was contused

about the back, but with the exception of several slight abrasions is all right and will be ready for the dairy again in a few days. The barn is a wreck. It is now reported that former Governor Heyward of South Carolina has decided not to be a candidate for the seat of United States Senator Latimer. **ALWAYS WAS SICK.** When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say—he never was sick since using Ballard's Horehound Syrup. Such a man exists. Mr. J. C. Clark, Denver, Colorado, writes: "For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me." Sold by all druggists.

SINGERS FLOCK INTO HOTEL LIKE GROUP OF CANARIES
Talk about your singers, you should have been in the lobby of the Hotel Portland about noon yesterday and you would have seen enough of them to put on an ordinary opera, comic or otherwise. To be sure Madame Calve was there. She was waiting for her automobile to take her afternoon spin. And while waiting her mail arrived. There was a box full of letters, all from European cities. The madame's letters come to New York by mail and are sent to her headquarters there. Then once every week they are collected, put in a common old box and shipped by express to wherever the singer happens to be singing. And the madame was so happy, oh so happy this morning. She almost forgot her automobile ride. Strutting about the corridor smoking a pipe was Eugene Cowles, formerly of the Bostonians, now with Marie Cahill. Then there was Mrs. Cowles herself, and of course Marie Cahill appeared on the scene and almost made it complete. Monsieur Aubrius, with Madame Calve, put the finishing touches on the act by appearing just as the madame

tiptoed down the hotel steps into the big touring car. Metzger saves you money on jewelry. Major G. V. Menzies, who is being urged by his friends to become a candidate for the Democratic nomination for governor of Indiana, is a son-in-law of the late Governor Hovey of that state. **CASTORIA** For Infants and Children.
