WEATHER REPORT

Another storm is approaching the north Pacific states and storm warnings were issued at 5 o'clock this morning to all coast seaports. During the last 24 hours light rain has fallen in western Washington and at scattered places in California, Nevada and Utah. A small disturbance is central over the Texas panhandle, which has caused rain in that state. The barometer continues high over the eastern states, and the temperatures are from 12 to 17 degrees below normal in the south Atlantic and east guilf states. and east gulf states. this district during the next two
