As a result of a stabbing affray which occurred at First and Couch streets early this morning three Austrians, Steve Bogach, Bozo Prieck and Tony Elmon, are nursing superficial knife wounds, and the police are searching for the man who wielded the knife. The men had been drinking in a saloon near the scene of the affray and soon became involved in a quarrel which was renewed after all had left the drinking place and reached the street. The knife wielder, whose name is unknown to the others, suddenly attacked his companions and before they could seek safety in flight succeeded in inflicting several superficial wounds about the arms and shoulders of the three men. A warrant charging assault with a deadly weapon was issued this morning and the police are scouring the waterfront in an effort to find the missing man.

The physicians who attended the man state that death resulted from concussion of the brain.

The police have been asked to keep a lookout for a thief who stole a pair of driving harness from Charles Lundgren of Lents last Sunday night. Quiter is well known about Lents, and was there at the time Lundgren's property was stolen.

A New Departure

The cost of interments has been greatly reduced by the Holman Undertaking company.

Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of \$5 to \$75 on each funeral.
