from the ways and means committee to the committee on police and health with instructions to act in conjunction with the county officials in an effort to erect a jail and emergency hospital to be used jointly by the city and county.

The action of the council in removing the question from the hands of the ways and means committee was due in no sense to the past action taken by the members but because of the great amount of work confronting the committee at the present time.

It is the wish of the council to rush matters in regard to the jail and it is believed their action yesterday will expedite matters.
