WALKER DID NOT ESCAPE PINKERTONS

(United Press Leased Wire.)
New York, Dec. 16.—George S. Dougherty, an official of Pinkerton's detective agency, declared today that there is no truth in the report that William F. Walker, who is being sought on a charge of embezzling funds of a bank in New Britain, Connecticut, escaped after being arrested in Ensenada, Mexico. Walker has not been under arrest.

Oklahoma Senators Sworn.
(United Press Leased Wire.)
Washington, Dec. 16.—The two senators who will represent Oklahoma in the United States senate were sworn in today. Through the drawings of ballots

Owens secured the long term and Gore the two-year term.
Will Fit Hospital Ships.
(United Press Leased Wire.)
New York, Dec. 16.—Naval Surgeon C. F. Stokes, who is bound for San Francisco to fit out hospital ships, was among the passengers aboard the Red Star liner Philadelphia which arrived from San Juan today.

Elgin Hatchery Operations.
(Special Dispatch to The Journal.)
Elgin, Or., Dec. 16.—Things promise to be interesting at the local fish hatchery this winter. A. D. Allen, superintendent, states that aside from the eggs secured at this point during the season, 2,750,000 eggs were recently shipped in to be cared for this winter. The hatchery at Ontario furnished 1,000,000 and the government hatchery

of the Little White Salmon river furnished 1,750,000. Of the eggs shipped in many are hatching and all will be hatched before long.
Wardner's Laid Down.
Wardner, Ida., Dec. 16.—For once in its history Wardner was quiet and restful. The town simply was closed up and almost everybody gasped for breath. Deputy Sheriff Barnhart, acting under orders from the sheriff's office at Wallace to enforce the Sunday closing law recently upheld by the supreme court of the state of Idaho, put on the lid. Every branch of business was suspended for the day, with the exception of those exempted by the law.

Town That Thugs Speed Past.
Aurora, Or., Dec. 16.—Since the installation of the police alarm system here and the appointment of a night watchman, the tough element has given Aurora the go-by. There is not a more orderly little city in the state, and though there are four saloons and only two general stores, the bars are seldom turned at the city all to open in general address strictly to the regulations prescribed by the council and disorder from this source is reduced to the minimum.
