WEATHER REPORT

A ridge of high pressure extends from British Columbia southeastward to the west Gulf states. The barometer is relatively low north of Montana and also over extreme southern California. Fair weather prevails generally throughout the Rocky mountain and Pacific states, with temperatures below normal. At Pocatello, Idaho, the first rego weather of the season occurred this morning. Light snow has fallen generally in the northern states east of the Missouri river, and rain is reported the lower Mississippi valley. Lig frosts occurred this morning at L Angeles and Red Bluff, California, a Angeles and Red Bruit, California, and a killing frost was reported at North Head. Washington. The temperatures are decidedly below normal in Nebraska, Colorado, Kansas, New Mexico, Oklahoma and Texas.

The indications are for generally fair weather in this district tonight and

weather in this district tonight and Thursday, with no marked changes in temperature except in south southeastern
