THIRD AND MORRISON

Take Us at Our Word—We Invite Your Personal Judgment of These Values.  
Special Sale Price Tickets in Every Section of the Store.

Monday Morning, Dec. 30, We Will Inaugurate Our Sixteenth Annual Clearance Sale

Radical and positive reductions without regard to cost, worth or former price. Throughout every section of this store, prices have been made to insure rapid selling, not only on all odd pieces and sizes, broken assortments and all goods mused or soiled during the holiday rush, but all our fall and winter goods are priced far below recognized value—priced lower than ever before—lower, we believe, than anywhere in Portland. We have selected some very good things, not because they are better than other items we could mention, but because they are especially appropriate for present needs. Read and carefully compare each item. You are sure of a saving far beyond your ordinary expectations. Hundreds of other bargains here!

**The Great Clearance Sale in Our Cloak and Suit Department**
