# BUILDING BOOM AT BAKER CITY

## New Structures Assured for Eastern Oregon City to Cost Nearly $500,000.

(Special Dispatch to The Journal.)

Baker City, Jan. 2.—New buildings now assured for Baker City will cost over $425,000. The reduced price of lumber, labor and other building material will result in many new homes being built this spring and summer.

The following new buildings are assured and plans for them are now about ready:

| | |
|---|---|
| Court house, estimated cost | $100,000 |
| United States postoffice and federal building | 150,000 |
| Hospital | 100,000 |
| Citizens' Bank building | 30,000 |
| Flouring mill | 25,000 |
| Carnegie library | 17,500 |
| O. R. & N. depot | 15,000 |
| Addition to Adler building | 10,003 |
| Residence Dr. Huff | 5,000 |

Small homes and business buildings known to be contemplated for early spring, will run the total up to over $25,000.

There is now invested in fraternal lodge home buildings (including the Knights of Pythias and Eagles home now nearing completion) nearly $200,000.

The Masons, the Elks, the Odd Fellows, the Knights of Pythias, the Eagles and the Woodmen of the World all have splendid homes and the lodges are all in a prosperous condition.

The construction of the Eagle Valley railroad, which is now well under way, and other public improvements for the spring of 1908, assures a large payroll and there will be no occasion for any idle men.

The "commercial industrial committee," representing the two important commercial bodies of the city, is now preparing some special literature, descriptive of the splendid and varied resources of Baker City and Baker county; the first edition of 10,000 copies will be issued as soon as possible in January, 1908.

The "booster committee" will begin an aggressive advertising campaign early in the new year in many eastern publications, the details of which are not quite complete.

## SALOONMAN IS FINED FOR FLOURISHING GUN

(Special Dispatch to The Journal.)

Heppner, Or., Jan. 2.—Circuit court, which commenced here yesterday morning, closed its session last night, the docket being very light. The last case on the docket was that of Charles Airhart, a saloonkeeper of Ione, who pleaded guilty of making a gun play in another saloon in which he greatly frightened the proprietor. He was fined $200, with a warning from Judge Bean that should he be found guilty again of a like offence, he would get the full penalty of the law, which is $1,000, and a term in the penitentiary.

Glen Hale, a 16-year-old boy, who has been guilty of numerous thefts at Ione, and is given up for incorrigible, was brought to Heppner last night and lodged in jail, to await the action of Jurge Ayers' court.

Hale pleaded guilty, and has been committed to the reform school, and will be taken there this morning.

## MINISTERS AT BOISE ANGRY AT PROSECUTOR

(Special Dispatch to The Journal.)

Boise, Ida., Jan. 2.—The Boise Ministerial association, which includes practically all the pastors in the city, has just passed resolutions condemning County Attorney Koelsch for having refused to permit the operation of a picture machine showing the "Passion Play" at the Young Men's Christian association building on Sunday afternoon. The ministers were severe in their denunciation and assert that the attorney's apparent interpretation of the Sunday rest law is a most grievous one, that his action has only brought contempt upon the statute. They say Mr. Koelsch is confounding religious services with vaudeville performances.

# OREGON VETS DRAW PENSIONS

## List of Those Placed on Rolls in First District of State.

(Washington Bureau of The Journal.)

Washington, D. C., Jan. 2—Congressman Hawley, who recently appointed Walter S. Josephson of Roseburg, a cadet at West Point, and William E. Smith of Jefferson and Irving L. Ragsdale of Roseburg alternates, regretted that he could not arrange for a competitive examination. He had understood there would be two vacancies, one caused by the failure of the cadet last appointed, and he named Josephson informally some time ago for one of the vacancies. Learning only one vacancy would give him appointive power, he was compelled to name Josephson formally, and forego the competition.

## VETERAN BELONGS IN ASYLUM FOR INSANE

(Special Dispatch to The Journal.)

Pendleton, Or., Jan. 2.—Dr. W. F. Vincent, one of the leading physicians of this city makes a statement regarding the case of Dr. Henry F. W. Johnson, owing to the fact that there was much indignation felt by the people here over the fact that his son, Harry F. Johnson, who is wealthy, had him placed in an insane asylum instead of some sanatorium and in charge of a nurse. The public considered the old gentleman childish and harmless.

Dr. Vincent says in part: "I have been in close touch with the case for a long time and I know what the wife and son of Dr. Henry B. Johnson have been compelled to put up with for the past six months. In addition to being blind the old man is hopelessly insane and it requires the constant time and attention of from two to three persons a day to care for him properly.

"The proper place for him is in the state insane asylum or private sanatorium and of the two I would choose the state institution."

My children are subject to croup, but New Discovery quickly cures every attack." Known the world over as the king of throat and lung remedies. ## FATHER OF INTENDED BRIDE KILLS YOUTH

(Special Dispatch to The Journal.)

Butte, Mont., Jan. 2.—E. A. Lawrence, aged 22, of this city was shot and killed yesterday afternoon at Dillon, south of here, by Fred Baker, a prominent resident of Dillon. Lawrence was about to wed Baker's 16-year-old daughter. He was attired in his wedding clothes and she in her bridal gown.

The justice of the peace had arrived when a disagreement arose between the bridegroom and father and Lawrence told the justice that the wedding would not occur at the Baker home, but at a cousin's of the bride across the street. As Lawrence was endeavoring to induce the girl to accompany him to her cousin's home, Baker shot Lawrence.

### See Better Times Ahead.

(United Press Leased Wire.)

Hattiesburg, Miss., Jan. 2.—Members of the Mississippi Yellow Pine association are gathering here to discuss the present and future conditions of the trade. Owing to the financial stringency and the low prices of lumber a majority of the mills have been running on part time of late. Leading members of the trade, however, now regard the outlook as much better and it is possible that the conference may decide to resume the operation of the plants on full time at an early date.

### In Taft's Home State.

(United Press Leased Wire.)

Columbus, Ohio, Jan. 2.—The first skirmish in the fight between Secretary Taft and Senator Foraker to get the Ohio indorsement is expected to come this afternoon when the members of the Republican state committee get together at the Neil home for the purpose of selecting the time and place for holding the state convention, and the method for choosing delegates. If the Taft influence prevails it is likely that the state convention will be held before the middle of February in order that the Ohio indorsement may have its full effect on the conventions in other states, nearly all of which will be held later. It is believed that inasmuch as both Taft and Foraker have indicated a preference for the district primary plan of electing the state delegates, it will be adopted.
