Will for the first time during his professional career reduce his consultation fee to

50c—FIFTY CENTS—50c
and
$1.—ONE DOLLAR—$1.
FOR THIS WEEK ONLY
HE WILL CALL YOU BY NAME

It may be of vital interest to you to know the outcome of your present distress.

The happiness of your future life may depend upon the right solution and proper advice.

There are no mistakes in the predictions made by the great and wonderful

Clairvoyant

You may wish to know if it is advisable to make a change in business, in love, in marriage.

"Shall I succeed in my new undertaking?"
"Can I obtain my hopes, my wishes, my ambitions?"
"Shall I ever enjoy the luxuries of wealth?"
"Can I trust my friends?"
"Have I enemies?"
"When shall I marry?"
"How often shall I marry?"
"Shall I ever be divorced?"
"Does another share the love that rightfully belongs to me?"
"If so, whom?"
"Am I loved in return?"
"Is there a rival in my love?"
"When shall my love affair terminate in marriage?"
"When shall my domestic troubles end?"
"How can I make my life and home happy?"
"When shall my absent friend return?"
"Why do I not receive a letter?"

Prof. Sheldon will tell you all these things and a great many more. He will tell you what you called for without asking a question; will tell the name of your sweetheart or anything you want to know. He sends you away much wiser and happier than when you called.

So positive am I of my powers to tell the past, present and future and exactly what you want to know that I will make No Charge! No Charge! Unless you obtain perfect satisfaction.

Those who wish to take advantage of this low fee must call at once.

Melvin will tell you how to reach the desired goal; how to succeed in business, speculation, lawsuits; how to marry the one of your choice. The world's greatest clairvoyant and dead trance medium.

The future can be told. A true clairvoyant is born, not made.

The marvelous tests he performs prove the magnitude of his strange and wonderful powers.

Strangely fascinating are the words that come from the cultivated lips of this most interesting man, whose journey of life has already taken him through all the renowned psychic schools of Egypt, India and Europe. It seems, indeed, as if Henry's knowledge must come from that mysterious world which we would all know, yet, longing, cannot know.

He looks as far away into the dim mysterious future—the great beyond—across the dark chasm which separates the human body from the flitting soul—and that which is to be is told.

The separated are brought together, foes are made friends, lost property is recovered, the mist is brushed away from business ventures, the hand is so guided that failures are averted, the earth's surface is explored, its treasures laid bare to his mysteriously perceptive mind, and while he gives names, dates, facts and figures his visitors sit dumfounded at the revelations he makes to them.

If you are in any kind of trouble call and see this wonderful man and he guarantees to help you.

Do not delay but call today.
