MRS. NOON GETS SHARE OF ESTATE

Judge Cleland Orders Distribution of Large Sum of Accumulated Dividends.

Mrs. Emily J. Noon, widow of the late W. C. Noon, will receive a distributive share of the dividends of the W. C. Noon Bag company under an order made by Presiding Judge Cleland this morning, allowing the petition for distribution of over $26,000 in dividends which have accumulated.

By this decision Mrs. Noon will receive one half of the dividends and the children one tenth each. The language of the will was such that there was doubt as to whether the widow is entitled to share in the distribution of dividends under the provision of the codicil in the will devising to T. J. Armstrong, W. C. Noon Jr., and H. M. Cake, as trustees, all the shares of the W. C. Noon Bag company, "to be divided among my heirs at law."

In construing the will Judge Cleland said that it is unfortunate that the language used in the will is unfortunate, but that it is the imperative duty of the court to construe it and to try to arrive at the wishes of he testator. The court declared that in taking all parts of the will together it becomes evident that while Mr. Noon used technical terms of law, he did not always employ them in the sense in which they are understood by the legal profession.

The key to the intention of the maker of the will, the court said, appears in the provision directing that the widow should receive a life interest in the homestead, should have the household furniture, and other personal property absolutely and have such right in all the rest of the estate "as the law would give if this will were not made." The court held that the other provision giving to the wife her dower interest should be construed in the light of this declaration, and under this interpretation the claim of the widow is sustained.

WHOLE STATE ON SEARCH FOR SAND

Prize Offer Means of Discovering Many Oregon Silica Pits.

A 13-year-old boy, Sherman Howard, is the newest competitor for the Columbia Steel works' $100 prize offered to the discoverer of silica sand in Oregon. Young Howard lives near Sublimity, Oregon. His father is a regular reader of The Journal, and the boy saw in its columns the steel company's offer.

He has sent a sample of stone to the Portland commercial club, and with it the following letter:

"Portland Commercial club—Sirs: I will mail you a sample of white rock to see if it contains any white silica sand. My papa read the advertisement in The Journal and if it is any good there are very large bluffs of it and if it contains anything of any good please let me know.

"Excuse my mistakes as I am a boy 13 years old and this is my first letter on any business. Your friend,
"SHERMAN HOWARD.

"P. S.—I live one mile above Silver creek falls."

Publication of the offer has attracted attention in every corner of the Pacific northwest, and letters have been received by the commercial club from Oregon, Washington, Idaho and California. It seems to be practically certain that the required silica sand will be found and that Pacific Coast Iron and Steel works will not be forced much longer to import this material from Minnesota.

Naval Prisoner to Be Released.

(United Press Leased Wire.)

Boston, Mass., Jan. 8.—Alfred S. Porter, former pay clerk for Paymaster Dexter Tiffany Jr. of the battleship Rhode Island, will be released tomorrow from the United States naval prison at the Charlestown navy yard, after having served a year there for larceny. The original sentence was for a longer period, but the efforts of the young man's friends secured a reduction. At the time the case was tried there was much public interest, as Paymaster Tiffany was called upon to pay the government $15,000 or more to square the accounts of the ship.

Menaces to Manhood

The Reliable Specialists

Neglected Special and Blood Diseases Endanger the Health and Vitality of Every Sufferer Therefrom. These Maladies Are Always Aggravated Through Improper Treatment by Incompetent Doctors and Unreliable Specialists.

Consult True Specialists, Whose Reputation for Skill, Honesty and Success Is Permanently Established—We Have Cured Thousands of Others—Don't You Think We Can Do As Much for You?

Nervo-Vital Debility

There is certainly no victim of Nervo-Vital Debility or Male weakness but what hopes to be rejuvenated some time. You should not lose your grip on life because inferior remedies have failed to benefit you. My special treatment for this trouble, varied and modified to suit each individual case, is an unfailing cure to which a vast army of restored men today owe their sturdy health and happy condition in life. Under it all disagreeable symptoms soon disappear, drains of vigor are stopped, prematureness prevented, masculine power thoroughly restored and manhood made complete.

Specific Blood Poison

Prompt and heroic treatment is the only kind that should ever be used in combatting the "King" of bad diseases.

Our special form of treatment for specific or contagious poison in the blood is indorsed by the best physicians in this and foreign countries.

It goes to the very bottom of the disease and forces out every particle of impurity. Soon every sign and symptom disappear completely and forever.

The blood, the tissue, the flesh, the bones and the whole system are cleansed, purified and restored to perfect health, and the patient prepared anew for the duties of life.

Scrotal Varicocele

Varicocele impairs vitality and destroys the elements of manhood. Surgery seldom cures it, but always weakens the parts. I daily demonstrate that Varicocele can be positively cured. Instead of the organs being maimed and mutilated, they are preserved and strengthened, pain ceases entirely and almost instantly, swelling soon subsides, healthy circulation is rapidly reestablished, and every part of the organism affected by the disease is thoroughly restored.

Urethral Stricture

Neglect or badly treated Stricture is progressive, soon involving in its destructive course the whole Genito-Urinary system. Cutting, stretching, tearing or dilating are harsh and savage reminders of old Fogyism. The strictly modern original methods employed by me in the treatment of Stricture are entirely free from the horrors of surgery and are absolutely safe and painless. All abnormal growth is dissolved, leaving the water channel entirely open and absolutely free from obstruction, every unnatural discharge is stopped and all irritation along the walls of the Urethra and in the region of the Prostrate Gland, Bladder and Kidneys is allayed.

For Over Twenty Years I Have Devoted All My Energies and Skill to Treatment of Diseases of

MEN ONLY

I Guarantee a Cure of Every Case I take for Treatment.

DR. TAYLOR, The Leading Specialist.

My Fee in Any Simple Ailment of Men Is Only $10

I offer not only FREE consultation and advice, but of every case that comes to me I will make a careful examination and diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If afflicted, you can depend upon it that the service I offer you is the service you need, and is service such as can be rendered by no other physician.

Maybe you are one of the large number of men who think their case is incurable. Perhaps your own doctor has told you you could not be cured; but remember that is only because he did not understand your disorder and could not cure you. It did not mean that you could not get help from expert or experienced specialists.

PAY AFTER I HAVE CURED YOU

I CURE TO STAY CURED

By a method that involves no painful processes. No other physician employs a like method, and so thorough is my work that there need not be the slightest fear of a relapse into the old condition. It is not a question of whether you can be cured, but whether you will be cured. Don't wait until it is too late. My method is perfect and quick. The cure is absolutely certain. I especially solicit those cases where many so called treatments have failed—or where money has been wasted on electric belts and other appliances.

WEAKNESS

If other physicians have treated you for so-called "weakness," you were helped only temporarily, if at all, and the reason is very apparent when the cause of loss of power in men is understood. "Weakness" isn't a weakness at all, but is merely a symptom of chronic inflammation in the prostatic gland, brought on by early dissipation or some contracted disorder. Our system of local treatment removes this inflammation and is the only treatment that has ever restored or ever can permanently restore strength and vigor.

CONTRACTED DISORDERS EVERY CASE

Of contracted disease we treat is thoroughly cured; our patients have no relapses. When we pronounce a case cured there is not a particle of infection or inflammation remaining, and there is not the slightest danger that the disease will return in its original form or work its way into the general system. No contracted disorder is so trivial as to warrant uncertain methods of treatment, and we especially solicit those cases that other doctors have been unable to cure.
