The world's greatest clairvoyant and dead trance medium.

The future can be told. A true clair-voyant is born, not made.

The future can be told. A true clairyoyant is born, not made.

The marvelous tests he performs
prove the magnitude of his strange and
wonderful powers.

Strangely fascinating are the words
that come from the cultivated lips of
this most interesting man, whose journey of life has aiready taken him
through all the renowned psychic schools
of Egypt, India and Europe. It seems,
indeed, as if Henry's knowledge must
come from that mysterious world which
we would all know, yet, longing, cannot
know.

He looks as far away into the dim mysterious future—the great beyond— across the dark chasm which separates the human body from the flitting soul— and that which is to be is told.
