SPORTS OF THE DAY

SMITHSON RUNS WITH HILLMAN

Pride of the West Meets the Star of the East in Hurdle Races.

The pride of the west will be pitted against the star of the east at the annual indoor meet of the Pastime Athletic club in Madison Square Garden, New York, January 27, when Forrest Smithson, of this city, national hurdling champion, meets Harry Hillman, of the New York Athletic club, Olympic games champion and holder of four world's records. Smithson will run under the colors of the Irish-American Athletic club, the great rival of the New York Athletic club, and the race promises to be one of the most exciting in recent athletic history.

Smithson, ever since he entered Notre Dame university, after getting his preliminary training at Oregon Agricultural college and the Multnomah club, has had phenomenal success. His is almost an unbroken line of victories in the hurdles. Last summer at the Jamestown games, when national championships were involved, Smithson had little difficulty in taking the high hurdles. The track that day was extremely slow, which accounts for the slow time, Smithson covering the distance in 16 seconds.

A few weeks later at Montreal Smithson turned the same trick. In the fall tryout games at Yale, where he was a student for several months, he won five firsts for men who had not been on the varsity track team, annexing both hurdle races.

Smithson holds the world's amateur records in the 40-yard hurdle event, covering three 2½ feet hurdles in five seconds. The same day he went over three 3½ feet hurdles in 6 2-5 seconds. Both these records were made on March 16, 1907, at Notre Dame.

The 120-yard high hurdles record is held by A. C. Kraenzlein of the University of Pennsylvania, who stepped over the 3½ foot timber at Brooklyn, New York, March 12, 1900, in 15 1-5 seconds. Kraenzlein also holds the 220-yard 2½ feet hurdle record, doing the distance in Brooklyn in June, 1898, in 23 3-5 seconds.

Hillman's world's records are as follows: Two hundred twenty yard low hurdle, 26 1-5 seconds (this is the indoor record); 300-yard low hurdles, 36 2-5 seconds (also indoors); 300-yard low hurdles, 34 3-5 seconds; 440-yard hurdle race, 54 3-5 seconds. Ten hurdles were used in all of these races. Hillman has also done exceptional time in the shorter distances.

The eyes of the east and west will wander toward New York, January 27, in an effort to see whether the east is to be dominated by the newcomer from the west in athletic feats.

WASHINGTON "U" WANTS MEETING

Invites Northwest Colleges to Conference to Agree on Athletic Relations.

(Special Dispatch to The Journal.)

University of Washington, Seattle, Jan. 14.—At today's meeting of the associated students a resolution will be submitted inviting the student bodies of the University of Oregon, Oregon Agricultural college, University of Idaho, Washington State college, Whitman college and University of Montana to a conference for the purpose of agreeing on rules to govern athletic relations of the northwestern institutions.

Walla Walla will likely be the meeting place, as it is the most central point. It is planned to hold the conference about February 1.

In order to secure uniformity of representation and to make the expenses as light as possible one delegate will be asked from each college. Loren Grimstead is mentioned as Washington's representative.

The universities of Idaho and Oregon were some time ago approached on this subject and both expressed willingness and eagerness for such a conference. It is believed that the other institutions will take the same attitude.

There is little doubt but that the resolution will pass today's meeting.

New Incorporations.

(Special Dispatch to The Journal.)

Salem, Or., Jan. 14.—Articles of incorporation have been filed in the office of the secretary of state as follows:

Grand Rapids Timber Company; incorporated under laws of Michigan; capital stock, $100,000; attorney in fact, W. H. Holmes, Salem, Oregon.

TIME IS THE TEST

The Testimony of Portland People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

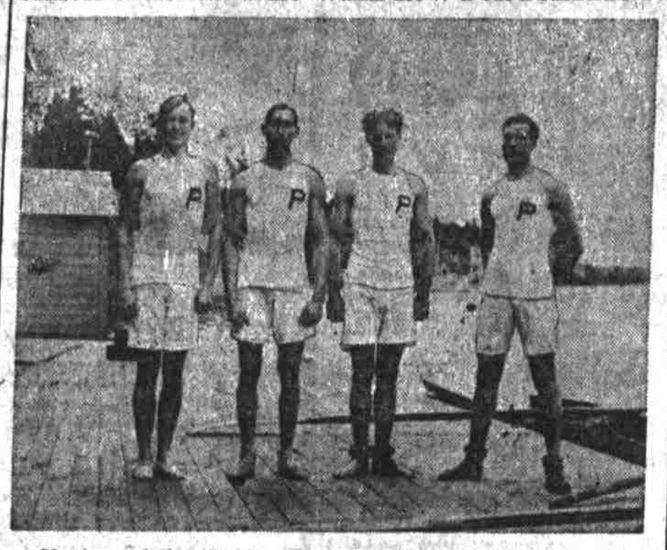
Portland people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. A. M. Hollabaugh of 328 Grant street, Portland, Oregon, says: "My faith in Doan's Kidney Pills is stronger today than when I gave a statement for publication a few years ago in the city papers. The years that have elapsed since I first used Doan's Kidney Pills with gratifying results have only increased my appreciation for it. I have found it to be thoroughly reliable in every way. I had suffered from kidney disorder, backache and severe pains in my loins. My chief source of trouble was with my kidneys, which were very irregular in action. Doan's Kidney Pills promptly relieved me of all my troubles, banished my backache, corrected the action of my kidneys and helped me in every way. I think just as highly of this remedy today as when I gave my former statement some years ago."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name — DOAN'S—and take no other.

CRACK OARSMEN WHO WILL ROW FOR PORTLAND.



Members of the victorious four-oared crew, which represented the Portland Boat club last spring. With the election of A. Craig McMicken as captain last week, the club commenced its preliminary work for the summer's campaign. Dillabaugh, who rowed at No. 2 is at present at his home in Victoria, but may return and take his old place. If not then Rex Conant, who stroked the Stanford crew last season, will take his seat. Reading from left to right, the muscular lads are: Dr. B. E. Loomis, Captain Craig McMicken, Dillabaugh and Art Allen.

BOB FITZSIMMONS WON TITLE THIS DATE

Cornishman Knocked Out Jack Dempsey in Thirteenth Round.

Seventeen years ago today a new champion middleweight was made in New Orleans, and a former idol sent downward broken-hearted to his death, which occurred a few years later. This is the date (1891) upon which Bob Fitzsimmons, lately arrived from Australia, knocked out Jack Dempsey in the thirteenth round, after "The Nonpareil" had been beaten until he was helpless.

In addition to the middleweight title involved the two fighters battled for a $12,000 purse. Fitzsimmons weighed nearly 170 pounds, while Dempsey weighed but 154 and had never seen Lanky Bob until the latter crawled through the ropes into the ringside. Fitzsimmons' long reach prevented Dempsey from getting anywhere near with his bonebreaking jabs.

LOCAL SPORTSMEN'S GALLERY OF FAME

Joe Stutt.

Joe Stutt knows a thing or two about refereeing a prize fight and does the honors at nearly all of the local amateur bouts. Joe has made a study of fisticuffs and is an all round athlete. The boxing game always looks good to Joe and he will travel miles to see one. He is at hand when the Multnomahs get busy.

Joe loves other outdoor sports and someone slyly says that he is a first prize winner as a referee in a broadsword contest.

PORTLAND-VICTORIA BASKETBALL TONIGHT

The second game of the schedule of the Pacific Northwest league of Y.M.C.A. basketball teams will be played tonight on the local floor, when the team from Victoria, British Columbia, meets the local quintet. The locals ought to win the game with ease, as Victoria has been defeated by all the other teams in the league with the exception of the Everett team, which was decisively defeated here New Year's night.

It is expected that a large crowd of association rooters will turn out tonight and witness the downfall of the Canucks.

The local team will leave January 31 for their tour of the sound cities, and will be gone until February 8.

WEDDING AT WILSONVILLE

(Special Dispatch to The Journal.)

Wilsonville, Or., Jan. 14.—A pretty home wedding was that of Miss Amelia Hasslebrink and Mr. Jacob Peters, Sunday. Rev. Liesman officiated. The brother and sister of the bride were respectively, best man and bridesmaid. The bride is a daughter of Lewis Hasselbrink. The groom is a prosperous merchant at this place. The couple started at once on a bridal trip from which they will return here to their elegant new home, already furnished and prepared for occupancy.

RUMOR OREGON HAS HOOKS FOR FORBES

State University Would Like Yale Man Who Coached West Point.

Rumors have reached Portland that the athletic committee of the University of Oregon would like to see Forbes, the great Yale football player, who last year coached the West Point team, at the head of the lemon yellow eleven next fall. West Point had an excellent team and played remarkable football against the big teams in the east.

With such a man as Forbes working with the Oregonians it is believed the greatest team in the history of the college can be evolved. Heretofore the coaches, with the exception of Dick Smith, the former graduate who captained Columbia university, have been from the middle west. Sometimes they have been successful but not always, it being apparent that they are not so well acquainted with the highest development of the game as the men from beyond the Alleghenies.

It will take a pretty sum to secure a man of the ability of Forbes, but football paid well last year and bids fair to grow in public favor next season. If the state university secures the Yale man or any coach from the big eastern colleges then it deserves to be complimented on its progress. A touch of Yale football direct from the seat of learning would be welcome here in the northwest.

BAT NELSON NEATLY FLOORS J. CLIFFORD

Dane Was Outboxed but His Rushing Tactics Won Victory in Fifth.

(United Press Leased Wire.)

Ogden, Utah, Jan. 14.—Rushing with his head down and disregarding the terrific clips sent in by his opponent Battling Nelson knocked out Jack Clifford in the fifth round last night, the haymaker being in the shape of a right hook to the jaw. Clifford outpointed the Dane and sent in some blows which would have floored anybody but Nelson.

In the third round Nelson sent in a left to the head and a right to the solar plexus which sent Clifford down for five seconds, but the Californian came back strong. Just before the gong rang Clifford bored in with a smash to Nelson's ear which staggered the Dane, but he could not be stopped.

Clifford sustained a broken bone in his left wrist after the first round, and this prevented him guarding as well as he might.

Mrs. Fredrikka Gustafsen Dead.

(Special Dispatch to The Journal.)

Astoria, Or., Jan. 14.—Mrs. Fredrikka Gustafson, wife of Erick Gustafson, died yesterday after a protracted illness of lung trouble. She was a woman of exceptionally high character, a native of Norway. She leaves, besides her husband, eight children and two grandchildren. She was 48 years of age. Interment will be in Greenwood cemetery tomorrow.

WHITMAN STARTS ON LONG JAUNTS

Twenty Men Take Part in Cross-Country Run at Walla Walla.

Whitman College, Walla Walla, Wash., Jan. 14.—Twenty men out for a cross-country run of five miles formally opened the season track training Saturday afternoon. They were under the leadership of Captain George Philbrook, one of the best football and track athletes in the northwest.

Whitman's prospects for track this year are exceptionally bright. All but one of last year's crack team are back and several surprises are looked for among the new men. Philbrook, Martin, Dutcher, Lyman, Barnes, Felthouse, Dimick and Graham are among the old men who are looked upon as point winners.

A special effort will be made to develop long-distance men, in which Whitman has been weak for several years. It is with this object that the cross-country runs have been inaugurated so early in the season. It is the intention to have them four times a week, and to have a squad of fifty or sixty out within a week or so.

This work will be kept up until the latter part of February or March, when weather will permit the beginning of the regular track training.

Manager Woodward has arranged the heaviest schedule of meets ever participated in by the Whitman track team. Four of the largest institutions in the northwest will be met. There will be a preliminary interclass meet about April 25.

The first intercollegiate meet will be at Puliman, May 2. Thdis is a triangular meet, for Whitman, Washington State and University of Idaho.

The second meet, with the University of Oregon, will be held in Walla, May 13, and will be the only intercollegiate meet at home during the season. Whitman and Oregon have never yet met on the track and a hard contest is expected by the local boys.

The last meet will be held with the University of Washington at Seattle, May 23 being the probable date. Last year Whitman and Washington met in Walla and the latter was defeated. They hope to repeat the score at Seattle. Taken as a whole the prospects are good for a winning team.

CRACK BOWLERS WILL MEET AT SEVEN PINS

Raymond and Wadhams, who claim the title of state champions at seven pins, are scheduled to roll a series of 10 games, total pins to count, with Dr. Madden and Happy Dale on the Oregon alleys tonight. Raymond and Wadhams announce that they are prepared to receive challenges from any pair of bowlers on the Pacific Coast at seven pins.

Two pins out of three were won by the Oregon pin getting quintet from the Columbia alley pounders last night, the results being as follows:

AMUSEMENT PAVILION FOR DALLES PEOPLE

(Special Dispatch to The Journal.)

The Dalles, Jan. 14.—An amusement pavilion suitable for roller skating and dancing parties is to be built in The Dalles. The officers of the association are: President, A. S. McAllister; vice-president, H. F. Sturdevant; treasurer, E. H. French; secretary, Harold Edmunds; directors, A. S. McAllister, E. H. French, H. F. Sturdevant, J. C. Cole, and Paul M. French.

The pavilion will be erected immediately west of the Vogt opera house. The building may be two stories if the Columbia Athletic club decides to have headquarters in the new building.

This Day in Sport Annals.

1887—At Lawrence, Massachusetts: Jack McAuliffe knocked out Harry Gilmore in twenty-eighth round.

1889—At London, England: Captain Brewer, in an attempt to kill 60 birds out of 100, at 35 yards, killed 60 out of 81.

1891—At New Orleans: Bob Fitzsimmons defeated Jack Dempsey in thirteenth round, for $13,000 purse and middleweight championship.

1892—Frank S. Flint, a once famous baseball player, died in Chicago. He caught for the Chicago club 11 successive seasons, and helped to win five championships.

1903—At Hot Springs, Arkansas: "Young Corbett" defeated Austin Rice in 18 rounds.

1907—At New York: Ferdinand Garcin, French champion, won international court tennis match.

HALF-MILLION DEAL FOR HEINZE GROUND

(Special Dispatch to The Journal.)

Helena, Mont., Jan. 14.—A. J. Davis of Butte, has purchased from James Breen, the Spokane millionaire, 19 claims in what is known as the porphyry dike, south of the city, for a consideration said to be $500,000. Breen was interested with Heinze in the development of this property, which is a veritable mountain of low grade good milling ore. It is understood Mr. Davis represents a syndicate which will also take over the Heinze holdings and operate the property on an extensive scale.

Grange Officers Installed.

(Special Dispatch to The Journal.)

Barlow, Or., Jan. 14.—At Saturday evening's meeting of Twentieth Century grange the following officers were installed by Mrs. Mary S. Howard of Muliano, secretary of Oregon granges: W. S. Tull, master; D. O. Freeman, overseer; W. W. Jesse, lecturer; Wood J. Andrews, steward; Joe King, assistant steward; Mrs. D. O. Freeman, chaplain; H. T. Melvin, treasurer; Lidie L. Irwin, secretary; Adolph Peterson, gate keeper; H. R. Quint, Ceres; Harriet L. Irwin, Pomona; Winnifred Freeman, Flora; Hattie Coleman, lady assistant steward.

Electric lights were placed in the grange hall Saturday by Hurst & Co. of Aurora.

UMATILLA DRY COUNTY, MAYBE

Prohibitionists Laying Plans for Campaign Under Local Option Law.

(Special Dispatch to The Journal.)

Pendleton, Or., Jan. 14.—An effort will be made to secure county prohibition in Umatilla county this year through the local option law. While little is being said about the movement it is known that petitions asking for county prohibition are now being contemplated. By many of those who have studied the situation closely, it is believed that if the matter is submitted to a vote of the county, Umatilla will join the list of "dry" counties. There are 40 saloons in the county at the present time.

There will be one point which the Prohibitionists will have to overcome and which may prove a serious blow to their cause. The fact that Milton has had no saloons for 12 years and allowed Freewater to grow up and capture much of its business, when the latter place had saloons, within a mile of Milton has discouraged a number of prospective prohis.

ROCKEFELLER REFUSES TO TIP HIS EMPLOYES

(Special Dispatch to The Journal.)

Cleveland, Jan. 14.—"Never a tip came my way from John D. Rockefeller," said Wilber Carman, veteran barber, today, recalling twenty years ago, when he shaved John D. Rockefeller.

"He used to remark that he didn't believe in tipping," continued Carman. "I was working for old John Waldheim. One day he asked me 'How'd you like to scrape John D.'s chin whiskers?' We spun out to Forest Hill. John D. Jr., opened the door. He was about fifteen and sickly looking. He showed me into a little room. John D., Sr., came in. 'It's three minutes after eight. I have an appointment at 8:30,' he said. 'Look sharp.'

"I hurried. Then he handed me seventy-five cents. 'Give that to Waldheim,' he said. 'That is my arrangement with him as to paying.' And he never tipped me, either for himself or the guests I shaved in the three years."

WEAKNESS

If other physicians have treated you for so-called "weakness," you were helped only temporarily, if at all, and the reason is very apparent when the cause of loss of power in men is understood. "Weakness" isn't a weakness at all, but is merely a symptom of chronic inflammation in the prostatic gland, brought on by early dissipation or some contracted disorder. Our system of local treatment removes this inflammation and is the only treatment that has ever restored or ever can permanently restore strength and vigor.

CONTRACTED DISORDERS EVERY CASE

Of contracted disease we treat is thoroughly cured; our patients have no relapses. When we pronounce a case cured there is not a particle of infection or inflammation remaining, and there is not the slightest danger that the disease will return in its original form or work its way into the general system. No contracted disorder is so trivial as to warrant uncertain methods of treatment, and we especially solicit those cases that other doctors have been unable to cure.

The Weak Man's Hope of Strength

Is My Direct-Method Treatment

DR. TAYLOR, The Leading Specialist.

I am the only doctor who dares to undertake to cure difficult and chronic disorders, under a binding guarantee—a written one — the only kind that is legally binding. I make a definite proposal to wait for my fee until you are satisfied that your cure is complete. This, of course, indicates that I have unlimited confidence in my ability, but I want you to have other and better reasons for choosing me as your physician. I want you to consider my vast experience and my unequaled success as a specialist. For more than 25 years I have been curing cases just like yours and have built up a practice that is by far the largest of its kind west of Chicago. Every method of treatment I employ is original and makes a distinct advance in medical science. Surely, considering all these things, you will not remain undecided as to what physician can serve you best.

WEAKNESS.

MY SUCCESS IN curing those functional disorders commonly termed "weakness" IS DUE TO MY FULL UNDERSTANDING AS TO THE CAUSATIVE CONDITIONS and to my absolutely scientific methods of removing them. Many cases of prematureness, loss of power, etc., present a variety of symptoms so entirely confusing and perplexing that MOST PHYSICIANS have fallen into that dangerous rut, the practice of treating by set methods, without discrimination; and without KNOWLEDGE AS TO THE REAL REQUIREMENTS. My first step is an absolutely scientific and accurate diagnosis. In a large majority of cases I find the sole cause of these functional derangements to be a SWOLLEN IRRITATED AND CHRONICALLY INFLAMED PROSTATE GLAND. This condition cannot possibly be remedied by any treatment other than the local measures I employ, and to ATTEMPT TO FORCE NORMAL ACTIVITY AND VIGOR BY THE USE OF STIMULANTS and tonics would only result in the aggravation of the trouble. Under my treatment a cure is POSITIVE AND CERTAIN, and absolutely permanent, because I accomplish it by the removal of every cause responsible for the disorder.

SPECIFIC BLOOD POISON

Others dose the system with mineral poisons scarcely less dangerous than the disease itself. Under my treatment the entire system is cleansed. The last taint of virus is destroyed. Every symptom vanishes to appear no more. I employ harmless blood-cleansing remedies. They are remedies heretofore unknown in the treatment of this disease. They cure by neutralising and absolutely destroying the poison in the system. Such cures cannot be other than complete and permanent.

I WILL CURE ANY UNCOMPLICATED AILMENT FOR PAY WHEN WELL $10

VARICOCELE.

I positively cure varicocele in one week and frequently in even less time. I MEET WITH NO FAILURES, nor is my treatment ever followed by undesirable results. MY METHOD OF EFFECTING A CURE IS PAINLESS, and no other equally satisfactory, safe and certain method exists. It is an original and distinctive method and produces AN ABSOLUTELY THOROUGH AND PERMANENT CURE.

Varicocele not only impairs functional activity, but in many instances it results in a WASTING AWAY OF THE ORGANS involved and gradually undermines the general health. A THOROUGH CURE IS A MATTER OF VITAL IMPORTANCE, and is also a matter of but very few days' treatment under my system.

CONTRACTED DISORDERS.

Through my long experience treating these diseases I have devised methods that not only cure, soundly and permanently, but cure in less time than the best of other treatments requires. Take no chances. Do not risk your health and strength by relying on patent nostrums or uncertain methods. You are absolutely secure when you intrust your case to me.

EXAMINATION AND DIAGNOSIS FREE

I offer not only FREE consultation and advice, but of every case that comes to me I will make a careful examination and diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m. and Sundays from 10 to 1 only.
