CLAIRVOYANTS AND PALMISTS

STRANGE POWERS

Great Reduction, 50c

Melvin's extraordinary clairvoyant powers, combined with superior knowledge of occult forces, enable him to read human life with accuracy from infancy to old age. His powers are wonderful, indisputable; his advice reliable; his information clear, concise and to the point in love, courtship, marriage, changes, journeys, business, etc., without asking a question, without any previous knowledge and having no natural means of knowing who you are, whence or for what you come; he tells you what you call for and anything you desire to know, giving names, dates and facts, taking no fee in advance, accepting none unless satisfaction is given.

The troubled and unfortunate should seek his counsel. Thousands of families, long separated, have been united through his efforts, thousands of hearts made glad through his truthful predictions. Whatever your troubles, anxieties, hopes, fears and wishes, call upon this gifted man.

Treasurer Tells League It Is Not Active Enough, and Resigns—Action at Ottawa.

(Special Dispatch to The Journal.)

Vancouver, B. C., Jan. 14.—The Japanese problem is still discussed. At the first meeting of this year's city council a motion was passed to have the city solicitor report on what legal action can be taken to disarm the Japanese. A special from Ottawa now states that Mr. Lewis brought the matter up in the house wanting the immigration act amended so that all people coming in might be searched and their weapons confiscated.

The meeting of the Asiatic league last evening was stormy, the treasurer resigning after declaring that the league was not active enough in its campaign against the Japanese. In the following discussion members stated that every effort would be made to exclude immigrants coming from Asia.
