ROLLER DEFEATS "FARMER" BURNS

Seattle Physician-Wrestler Gets Straight Fall From Former Champion.

(United Press Leased Wire.)

Seattle, Wash., Jan. 24.—"Farmer" Burns, the great American wrestler, was defeated in two straight falls here last night by Dr. B. F. Roller, the giant physician-wrestler of Seattle, and the victor immediately announced that he would not stop until he had defeated Frank Gotch and won the title of American champion.

Four thousand people saw the two falls, one of which came after 55 minutes and 15 seconds of hard, clever work on the part of both wrestlers. The hold that first downed the Iowa man, who has twice defeated Gotch, was a half-Nelson crotch and toe hold.

Roller did not have so much trouble in the second fall, although both falls were exceedingly rough from the fact that the two grapplers were evenly matched. Roller's strength more than offset the superior knowledge of the game possessed by Burns. The easterner weighed in at 170 pounds, while Roller tipped the beams at 200. A chancery arm and neck hold won for Roller after 25 minutes and 20 seconds in the second fall.

Burns freely admitted that Roller was the better man, in fact the former champion stated that Roller was the hardest opposition he had ever tackled. With a month's training, Burns thinks, Roller will be able to pin Gotch's shoulders to the mat.

If Burns will consent to train Roller for a match with Gotch, the farmer will be hired. There are any number of little tricks that Burns could teach the younger man and having met Gotch several times Burns also knows his weak points.

Seattle sports are jubilant over the Roller victory and are anxious to see their man matched against Gotch for the championship title.

The match between Roller and Burns was for a $500 side bet and 75 per cent of the gate receipts.

AN ALL-STAR ELEVEN

Owen Moran, end.
Billy Papke, tackle.
Teddy Peppers, guard.
George Memsic, center.
Tommy Murphy, guard.
Hugo Kelly, tackle.
Abe Attell, end.
Joe Gans, quarterback.
Packy McFarland, halfback.
Jimmy Britt, halfback.
Battling Nelson, fullback.

How's that for an all-star light and middleweight football team? Speedy bunch, eh? Would rather smile. Moran and Attell, ends. Say, bo, wouldn't that pair saunter down under punts like streaks of chain lightning? Reckon so. Joe Gans, quarter, for speed, cleverness, quick thinking and good judgment, where could you beat him? McFarland and Britt, backs; some pumpkins, eh? Battling Nelson, fullback; some plunging, dead boring line smasher, eh? Well, some. Papke and Kelly, tackles; say, dopist, wouldn't that pair open up some holes? Trot out a "prep" team that could trim this squad!

Dreaming of football elevens and gridiron contests, how would a team of heavyweight pugilists hook up and last in a match with an eleven of heavyweight grapplers? A lineup something like this:

Pugilists.		Grapplers.
...nner Moir	R E L	Luttbeg
...ll Squires	R T L	Yankee Rogers
... Kaufman	R G L	Tom Jenkins
...m. Berger	C	Joe Rogers
...ke Schreck	L G R	Dr. B. F. Roller
...tzsimmons	L G T	Joe Westergarde
...arvin Hart	L E R	Ackerman
...ck O'Brien	L H B	Fred Beell
...mmy Burns	Q B	Conkle
...ck Johnson	L H B	Hackenschmidt
...n Jeffries	F B	Frank Gotch

A gridiron match between these two elevens would be some war, wouldn't it? With all regard for the clever and competent officials it would be a wonder if the mingle din't develop into a man-to-man affair, Marquis of Queensberry rules much in evidence. Frank Gotch and Jim Jeffries would have a deal of fun, eh? Well, some. Gotch could get a toe hold on Jeff while the alfalfa king would solar plex Frankie to a standstill. And wouldn't Jack Johnson and Georges Hackenschmidt have a terrible picnic? Ugh!

...ANKIE NEIL TAKES UP ROAD WORK

(United Press Leased Wire.)

San Francisco, Jan. 24.—Frankie Neil is having so little trouble in keeping up weight that he has taken up road work, the feature of his training that was at first tabooed by Father Jim.

Neil weighed officially yesterday afternoon and tipped the scales at 123½ pounds. This is more than he weighed any time during his course of training for the Moran fight.

Battling Nelson, who fights Boer Unholz in Los Angeles early in February, has written to Eddie Kelly to join him as sparring partner. Kelly has a desire to meet the winner of the Attell-Neil bout and on that account will refuse the offer to work with Nelson.

BUNGLERS WILL PRESENT CIRCUS

Y. M. C. A. to Be Scene of Three-Ring Burlesque Next Month.

Bungling Bros.' united shows, a mammoth two-ring circus, the most complete event of its kind ever presented in the city, will hold forth at the Y. M. C. A. gym February 7 and 8. The company is composed of 200 performers, each and every one an accomplished artist in his individual acts. A military concert band of 15 pieces will furnish the music.

Display I will be a grand introductory pageant, filling both rings, hippodrome and stage, and employing the entire strength of the company.

Display II will be statuary posing, illustrating works of art, ancient and modern. In display III the two rings will be occupied by a great mule hurdle act, while on the stage a talented band of comedy acrobats will disport. A clown song by "The Merry-Makers," with a chorus of the entire company, will then follow.

The fifth display will be a grand leaping tournament, introducing high, lofty leaping, succeeded by an act of performing elephants and educated monkeys.

In the next display the queen of the arena will be seen in her great bareback riding act, and the 40 merry jesters will occupy the stage.

Two aerial acts and a marvelous balancing act will then follow. In display IX trained horses will be presented in a "High school manage act."

Avalon, the upside-down man, and two contortion acts in the ring, will be seen next. Swinging ladders and a slack-wire act, band jumping, funny clowns in comic pastimes, marvelous Arabs in pyramid acts, and races on the hippodrome concourse, concluding with a terrific four-horse Roman chariot race, will make 14 displays in all.

This great aggregation has been recruited from the business men's and young men's and ladies' classes, the intermediate department, working boys' class and the high school boys. It is the largest and foremost collection of amateur talent ever assembled here.

FOOTBALL MEN ROUND UP TO DISCUSS RULES

(Special Dispatch to The Journal.)

New York, Jan. 24.—The members of the intercollegiate football rules committee rounded up at the Murray Hill hotel today for their first meeting of the year. A preliminary conference was held today, but the real business of the meeting will not be taken up until tomorrow.

The forward pass will be the principal subject of discussion, as there has been a demand in some quarters to limit its use. The old committee of seven, representing Yale, Harvard, Princeton, Cornell, Chicago, Pennsylvania and Annapolis, will amalgamate as usual with the committee of seven named by the Intercollegiate Athletic Association of the United States. The only changes in the personnel of the full committee this year will be Lieutenant H. B. Hackett for Lieutenant Charles D. Daly, representing West Point, and Joshua Crane for W. T. Reid Jr., representing Harvard.

GOLD SEALS CAPTURE GAME FROM SOLDIERS

A fast game of indoor baseball was played at the Armory last night between company E, O. N. G., and the Goodyear Rubber company's gold seal team, with a score of 13 to 4 in favor of the Gold Seals.

The next game of the series will be played at the Armory January 30 between company C and the Gold Seals. Manager R. E. Borden of the Gold Seals will be pleased to receive challenges for further contests.

SPORTING NOTES

Local and Otherwise.

Reports from Seattle are to the effect that H. W. Treat, president of the Seattle horse show, and one of the winning exhibitors in the Portland horse show, has sold his horses and will not compete in any of the shows during the coming year.

* *

The athletic benefit to be tendered Jack Hill, the old-time pugilist, will take place in Merrill's hall tonight. On the program will be seen many former stellar lights in the pugilistic and wrestling world.

* *

Otto Floto the veteran sporting writer of the Denver Post, asserts that the easterners are poor judges of the fighting game. Floto's effusion is due to the great fuss being made over Packy McFarland in New York since his recent defeat of Bert Keyes, but the Rocky Mountain scribe thinks the Windy City lightweight has done nothing yet to grant him the red fire.

* *

The "go-downs" in San Francisco are completely up in the air over the probable winner of the Burns handicap, which will be run off at Emeryville tomorrow afternoon. Handicappers have given the real stake horse such weights to carry that it is feared some of the "goats" will carry off the western classic. All the 3-year-olds are carrying enormous imposts. But once in the history of the race has a colt carried off the event and that was in 1894 when Lissak, a 2-year-old, galloped home in front.

* *

By a score of 44 to 17, the East Side Athletic club basketball team defeated the Red Cross five of the University of Oregon Medical college last night. The score at the end of the first half was 23 to 7, East Side won by teamwork, although the doctors played brilliant individual games. With a little more practice the old stars on the medic team should prove a fast aggregation.

* *

An effort is being made to bring the two factions which have practically killed Harvard football so far as a winning team is concerned together this year. In the past President Eliot and members of the faculty and the alumni and under graduates have been lined up on opposite sides of the athletic line. Successive defeats by Yale, Dartmouth and Carlisle have made the Harvard men desperate. The work started by Coach Reid in 1905 will be taken up again during the coming season.

* *

New York papers insist that Forrest Smithson is to run under the colors of the Irish American Athletic club, and include the Multnomah man among the entries of that club at the Boston indoor meet on February 1. This seems unusual since assurances have been received here by E. E. Morgan that Smithson will run under the colors and title of the Multnomah Amateur Athletic club. Smithson is to run with Harry Hillman of the New York Athletic club Monday night in New York.

Kennel Club Elects.

At an election of the Portland Kennel club last night the following officers were chosen for the year:

President, William Davis; vice-president, W. B. Fechheimer, and secretary and treasurer, E. T. Chase. The trustees are W. O. Van Schuyver, Henry L. Corbett, Harry Litt and Frank Watkins.

The annual bench show will be held from April 29 to May 2 this year.

HORNETS GET LAST GO WITH COLUMBIAS

Will Try to Cross Clean Goal of Champions of Soccer League.

The champion Columbia soccer football team will play its last league game tomorrow afternoon on the baseball grounds at Twenty-fourth and Vaughn streets, and its oppenents will be the Hornet eleven. This will also be the last chance of any of the teams to spoil the clean record of the Columbias.

The game will be called promptly at 3 o'clock.

Following is the lineup of the Hornets: Goal, Keith; backs, Hughes and Simonds; halves, J. K. Mackie, J. D. Mackie and A. Matthews; forwards, H. Matthews, Dickson, Douglas Dean and MacKenzie.

The Columbia lineup will be the same as in all its games.

Teams Play for Dinner.

A series of three games with a dinner to the winner will be pulled off at the Oregon bowling alleys tonight, the teams being made up from the following bowlers: Killingsworth, Cutshall, Shaffer and Dr. Madden on one side, and Raymond, Bishop, Kelly and Wadhams on the other. The game is counted on as being an exciting one.

Kees of the Willamettes secured the high score last night, knocking down enough pins to entitle him to 245 points. He made seven consecutive strikes before splitting. Results last night:

FRISCO THOUSANDS WITHOUT EMPLOYMENT

People Who Are Rushing to California Cannot Get Work.

(United Press Leased Wire.)

San Francisco, Jan. 24.—Breakfast, coffee and bread. Lunch, soup and bread. Supper, soup and bread. This is the daily menu served at St. Boniface's church to more than 500 unemployed men. Since Christmas this work has been going on but during the past few days the line waiting outside the church walls has been increasing in such numbers that it has become necessary to call the assistance of the police.

A number of soup kitchens have been established in other parts of the city and the Salvation Army and Volunteers of America are serving free meals to the unemployed at their barracks. The total number of unemployed thus being kept from starvation amounts to several thousand.

(United Press Leased Wire.)

Los Angeles, Jan. 24.—Armed with knives, guns and clubs, the tramps in southern California are so numerous that they attack trainmen when refused passage. As the result of this intimidation from 50 to 200 breakbeam "tourists" are permitted to ride daily between El Paso and Los Angeles. The desert towns are terrorized by roughs and every housewife living in those places carries a revolver wherever she goes. Robberies have been so numerous that vigilant committees have been organized.

CRUSHED TO DEATH UNDER STEAM SHOVEL

(United Press Leased Wire.)

Sacramento, Cal., Jan. 24.—James Dunn was instantly killed and C. Harris badly injured when the Western Pacific steam shovel at work on the grade just across the American river turned over yesterday. Dunn was buried under many tons of loose dirt and the bulk of the shovel, weighing 70 tons. A large force of men went to work immediately to dig him out. The accident occurred shortly after 8 o'clock. The big machine was at work on the steep incline of the grade. The dirt was loose, which accounts for it turning turtle. It toppled over without any warning and Dunn was caught in the middle of it. Harris was struck by the back end of the car and partly covered by dirt.

MAN KILLED BY BLOW FROM RED HOT IRON

(United Press Leased Wire.)

New York, Jan. 24.—A red hot five-pound soldering iron was dropped from the forty-second floor of the new Singer building, landing on the head of a mason helper on the twenty-seventh floor of the adjoining City Investing building. The unfortunate man's skull was horribly burned and crushed and he was taken to the hospital in a dying condition.

GOVERNOR FRANCIS HONORED BY SWEDEN

(United Press Leased Wire.)

St. Louis, Jan. 24.—Ex-Governor D. R. Francis was decorated with the Order of the North Star, one of the highest orders of Sweden, for his work as president of the Louisiana Purchase exposition. Accompanying the order was a diploma signed by the late King Oscar.

AT THE THEATRES

Seats for "The Gingerbread Man."

Seats are now selling at the boxoffice, the Heilig theatre, Fourteenth and Washington streets, for the musical-comedy success, "The Gingerbread Man," which will begin an engagement of three nights at the above theatre next Sunday night, January 26. A special price matinee will be given next Tuesday afternoon. This will be one of the merriest and tuneful offerings of the season and it will be wise to order your tickets well in advance.

"Devil's Auction" Matinee.

Remember that there will be a matinee of "Devil's Auction" at the Marquam tomorrow and it is the right of every child to see it, just as the parents saw it a generation ago. There is no resemblance between the present edition and that of former years, for now it is an entirely new production.

"The Mills of the Gods."

There is one intense and powerful scene in the Baker company's "The Mills of the Gods" this week that arouses audiences to the highest degree of dramatic excitement and that is the one between two strong men in the house of a young woman at midnight, which ends in a thrilling climax.

Hoyt's "A Milk White Flag."

There will be joy unadulterated at the Baker all next week for last season's greatest success Hoyt's "A Milk White Flag" will again be the attraction. And it is promised to be given in a much more elaborate manner than last in the way of scenery, cast and especially in the musical numbers which are under the sole direction of the popular ingenue, Miss Seymour. First performance Sunday matinee.

"Big-Hearted Jim" Next Week.

The Empire will offer a new western drama play all next week, starting Sunday matinee, entitled "Big Hearted Jim." This is a western American comedy-melodrama, in which humor plays a prominent part, though the chief interest is in the deeply romantic story of Jim Saxon, sheriff of Medicine Lodge, Montana, and a school teacher in her teens.

"Jack Wells of Wyoming."

Beginning Monday night the Allen Stock company will present at the Lyric a comedy drama entitled "Jack Wells of Wyoming," than which no more stirring story of the plains and mines has ever been written. The Allens are well equipped to portray scenes of this character, for they have had opportunities to study the type of characters they are called upon to impersonate.

"Way Down East."

For the coming attraction the Marquam announces "Way Down East." The engagement begins Tuesday evening. "Way Down East" is the same good and wholesome pastoral comedy that it has always been. The play swept the country like wildfire and its popularity has never waned. This season an exceptionally strong company interprets the play.

Empire Matinee Tomorrow.

Tonight, tomorrow matinee and night will close the successful run of the thrilling melodrama "A Desperate Chance" at the Empire. This is a play founded on events that actually happened and the principal characters, the notorious Biddle brothers and their sensational escape from the Pennsylvania jail were live news all over the country a few years ago.

"Mr. Barnes" at the Lyric.

There is a love story running through "Mr. Barnes of New York," the bill at the Lyric this week, but there is also a tragedy, or rather tragedies, and best of all there is a well-defined line of comedy which comes unexpected to the front, which turns tears to smiles in true Gunterian style.

Eddy Family Coming.

The famous Eddy family, the greatest of wire performers, will return to the Grand next week. This will be the second engagement this family has had locally and the artists are brought back by special request. The aerialists will be surrounded by a big bill of headliners.

Vaudeville for Children.

Children enjoy vaudeville as well as their elders, and there is a program at the Grand this week which will tickle them to death. The headline act is Adgie and her lions, the most famous animal act in the world today. Adgie is a lion tamer who gives a special act Saturday afternoon, in which she explains many things for the benefit of the children.

Three Performances.

Three performances remain of "Kidnaped" at the Star theatre. These will be tonight, tomorrow afternoon and evening. "Kidnaped" is a standard comedy drama, which has been before the public for years, but has never been better played than in the hands of the French stock company. The plot is exciting and there are some of the funniest of comedy situations.

"The Moonshiner's Daughter."

"The Moonshiner's Daughter" is to be the play at the Star theatre the coming week, commencing Sunday matinee. This will be the first time that this Kentucky melodrama has been seen here in stock and the performance will be found better than when the play was given by road companies. Seats are now on sale.

REFUSES TO BUY TOMB FOR DIVORCED SPOUSE

Kohns Called Into Court to Pay Bill to Cypress Lawn Cemetery.

(United Press Leased Wire.)

San Francisco, Jan. 24.—A magnificent tomb, which Phillip Kohn, the millionaire theatrical manager presented to his wife as a birthday present, and which later figured in the divorce suit of the couple, brought Kohn and his former wife into court again yesterday.

The Cypress Lawn Cemetery company appears as the plaintiff in a suit to recover $800 from Kohn for the beautiful memorial upon which only $200 has been paid. Mrs. Kohn purchased the lot and monument in conjunction with her husband some time before any divorce suit was contemplated. When they finally separated the payments were stopped and the cemetery association was compelled to file its action.

Testimony in the case was heard and Kohn not only denied that it was a gift but says that he signed the contract simply as a guarantor. After the contract was made, his wife, he says, refused to sign, which makes it appear as though he alone were responsible.

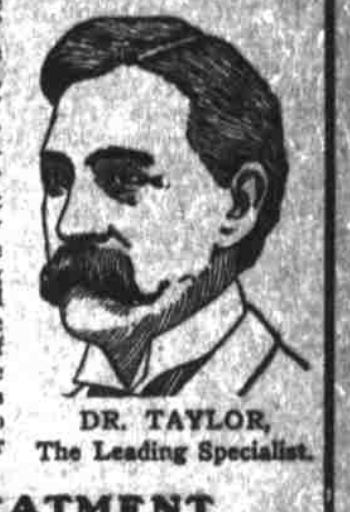
Judge My Ability to Cure Weak Men

By My Unparalleled Success For the Past 25 Years

MY FEE IS $10 In Any Uncomplicated Case.

The proof of a physician's ability is to be found in the results he obtains, and though I am not at liberty to supply individual names of patients as references, the marks of superior skill and service are so prominent and conspicuous as to render my doing so unnecessary. Twenty-five years of success and constant growth of practice is certainly a practical demonstration that argues the merit of my work. This is PROOF that no man can gainsay. This remarkable success has built up my practice year by year, month by month, day by day, until it is today the largest by far in the western part of America. Estimate for yourself my volume of practice as compared with the practice of other western specialists. Is there the slightest probability that if unable to back up all my claims, I would have won and retained the foremost place among physicians treating men? Could I fail to cure and yet succeed as I have? Have you ever heard of promise of mine remaining unfulfilled, or of one of my patients being dissatisfied with the treatment received? Consider these things and then come and talk with me in regard to your case. I am always willing to wait for my fee until a cure is effected.



DR. TAYLOR, The Leading Specialist.

MY SPECIAL TREATMENT

The methods I devised over twenty-five years ago for treating men's diseases proved a radical step in medical science. Those methods have enabled me to cure diseases that were formerly regarded as incurable. In working out my methods I held the theory that "WEAKNESS," for instance, was not a constitutional or functional ailment, but a prostatic affection, and therefore, merely local. I reasoned that its constitutional effects were simply the results of a tremendous waste of energy due to inflammation of the prostate gland; that this being true, a local treatment could alone effect a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.

My treatment for other diseases peculiar to men are also along original lines and are equally successful. Hence I reiterate that no man need be WEAK or AILING. My Special Treatment is an open door to vigor and all the pleasures that belong to perfect health. Any man may avail himself of my services. It has been and is my life's work to aid afflicted men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the charge for my services within the easy reach of any man, no matter what his circumstances. To PROVE my confidence in the results of my treatment, and as an act of good faith,

I WILL WAIT FOR MY FEE UNTIL YOU ARE CURED

No man could be fairer than that. I take all the risk. You take none whatever. You have everything to gain and absolutely nothing to lose.

SEEK EXPERT MEDICAL AID NOW

Men whose vitality is exhausted, those who have some private disease or weakness lurking in their system, and who are prematurely old, while still young in years—broken down wrecks of what they ought to be, and who want to be strong, and to feel as vigorous as they did before they wasted their strength, to enjoy life again, to win back the vim, vigor and vitality lost, should consult with me before it is too late.

My Direct-Method Treatment Offers a Positive Cure for Every Ailing Man

I Cure "Weakness"

"Weakness" is not a nervous disorder, demanding a tonic system of treatment, but is merely a symptom of chronic inflammation or congestion in the prostate gland. This condition exists as a result of early dissipation or some improperly treated contracted disorder, and requires carefully directed local measures only. By my own original methods the prostate gland is quickly restored to its normal state, which results in full and complete return of strength and vigor. My cures are permanent because the condition responsible for the functional disorder is entirely removed, and I am convinced that by no treatment other than my own carefully directed local measures is a radical cure of this ailment possible.

STRICTURE — KIDNEY, BLADDER, PROSTATIC, GLEET, DISCHARGES, INFLAMMATION AND ALL URINARY TROUBLES COMMON AMONG MEN.

WEAKNESS

If other physicians have treated you for so-called "weakness," you were helped only temporarily, if at all, and the reason is very apparent when the cause of loss of power in men is understood. "Weakness" isn't a weakness at all, but is merely a symptom of chronic inflammation in the prostatic gland, brought on by early dissipation or some contracted disorder. Our system of local treatment removes this inflammation and is the only treatment that has ever restored or ever can permanently restore strength and vigor.

Our Fee $5 to $30

CONTRACTED DISORDERS EVERY CASE

Of contracted disease we treat is thoroughly cured; our patients have no relapses. When we pronounce a case cured there is not a particle of infection or inflammation remaining, and there is not the slightest danger that the disease will return in its original form or work its way into the general system. No contracted disorder is so trivial as to warrant uncertain methods of treatment, and we especially solicit those cases that other doctors have been unable to cure.

OUR FEE NEED NOT BE PAID UNLESS CURED.

CONSULTATION CONFIDENTIAL AND INVITED—A personal thorough and searching examination is desired, though if inconvenient to call, write us a full description of your trouble. Our office hours are from 9 a. m. to 8:30 p. m., excepting Sunday from 9 to 12. Address or call on the
