LOGGERS SAY G. N. SNEAKS ON LOG RATE

(Special Dispatch to The Journal.)
Olympia, Wash., Jan. 24.—Accompanying a formal complaint, the Sultan Railway & Timber company has sent a letter to the railway commission, charging that the Great Northern has never published a rate on logs and has carried on its logging traffic through secret and discriminating contracts with shippers. The Sultan company submits a copy of a contract it had with the Great Northern wherein the railway agreed to transport logs from a point near Sultan to Everett, Snohomish and Marysville for 24 cents per ton. It complains that the Great Northern has raised the rate to 60 cents and maintains that 24 cents is a fair rate. A hearing is asked.
The claim that the Great Northern has no spublished rate on logs is apparently borne out by the fact that none has ever been filed with the railway commission, as is the custom with the tariff sheets on other commodities. The Great Northern has not filed any copies of contracts with shippers, either.

LAST CALL TO PAY CORPORATION LICENSE

(Special Dispatch to The Journal.)
Olympia, Wash., Jan. 24.—The names of several thousand corporations in this state will be stricken from the records of the secretary of state unless payment of the annual license tax for the last two years is forthcoming within a very few weeks. There are about 27,000 corporations, including church, fraternal and similar corporations, which pay no annual tax, and also including amended articles. About March 1 the expurgated index will be in use. Once stricken from the books, a corporation has no longer a legal right to its name, has no standing in court and a new corporation may take the name of any corporation stricken from the books.
