COLD CAUSES GREAT SUFFERING IN GOTHAM

(United Press Leased Wire.)

New York, Jan. 25.—Arctic circle conditions still prevail in New York and with the temperature well down to the zero mark the streets are blocked with snow and traffic is well nigh demoralized. The weather man, to aid to the difficulty, tonight cold-bloodedly promised more snow for Sunday.

A dispute between snow contractors is responsible for present conditions on the streets. Conspiracy is alleged by the team-owners association. They

Since this change in the method distribution, poslam has met with the most phenomenal success of anythis introduced to the drug trade in the last 30 years. All leading druggists, including Skidmore Drug company, in Portland, are now carrying the special 50-cent size recently adopted, also the \$2 jar.

This great success is not surprising when it is remembered that, in eczema cases, posiam stops the itching with first application, proceeds to heal immediately, and cures chronic cases in a few weeks. In minor skin troubles, such as pimples, blackheads, acne, herpes, blotches, rash, etc. results show after an overnight application. Experimental samples of posiam are sent to anyone by mail free of charge, by the Emergency Laboratories, 32 West Twenty-fifth street, New York City.
