

ENGINEERS AND CHIEF QUIT JOBS

Steamer Costa Rica Comes Into Port With New Officers.

NO REASON GIVEN FOR RESIGNATIONS

Chief Officer Johnson Will Leave Vessel When She Returns to San Francisco—Roanoke Arrives From San Pedro and Way Ports.

Wholesale resignations have taken place on board the Harriman liner Costa Rica, Captain Mason, since she left here a dozen days ago for San Francisco, and when she returned this morning it was with an entirely new engine room crew.

The fact that the steamer Costa Rica is to replace the Costa Rica probably on her next trip north is supposed to have something to do with the resignation although Chief Officer Johnson says it is not so far as he is concerned.

GOES DOWN IN STORM

American Ship Eclipse Lost With Coal Cargo. (United Press Leased Wire.) San Francisco, Jan. 28.—A telegram from Honolulu says that 17 days ago the American ship Eclipse sailing from Newcastle, Australia, encountered great gales in mid-Pacific and while Captain Larsen and his crew of 13 men took to the boats in the terrific waves the ship plunged and sank from sight 300 miles almost due north of Honolulu.

FIGHT ON SHIPBOARD

French Sailors Slash With Knives, but Kill Nobody. There was a lively time aboard the French bark General de Boisdoffe at Columbia dock Sunday night, when the sailors tried to cut each other in a dispute about a result of a little dispute having sprung up between two of them.

ALONG THE WATERFRONT.

The steamer Alliance left for Coos bay last night. She missed the channel of the Portland Flouring Mills and stuck in the mud until high tide at 10 o'clock this morning.

The steamer Breakwater leaves for Coos bay tomorrow night.

The French bark Ville de Mulhouse shifted from Martin's dock to Green-which dock last night. She narrowly avoided crashing into the bark General de Boisdoffe at Columbia dock.

The oriental liner Arabia left down yesterday bound for Hongkong and way ports, and the German steamer Germania will leave down today bound for Sydney, Australia.

The steamer Germania consists of 2,892,855 feet of lumber, valued at \$23,400.

During the heavy fog yesterday morning the steamer Georgia Burton and a barge collided with the ferry W. S. Webster, but the barge only was damaged and to the extent of less than \$100.

The steamer Tolloc, Captain Lindquist, left this morning for San Francisco with 1,000 tons of wheat. The Tolloc has been here all of a month and has changed berths about 10 times.

ST. VITUS' DANCE

Proof of the Remarkable Power of Dr. Williams' Pink Pills in This Severe Nervous Disorder.

That Dr. Williams' Pink Pills have cured obstinate cases of St. Vitus' dance, is the best evidence that they will cure all lesser nervous disorders. Here evidence that will stand thorough investigation. Mrs. James Wilkie of 707 Spruce street, Cherokee, Iowa, says:

"I was of a very nervous temperament even when a child. As I grew to girlhood, more and more of the work in our family fell to me. At the same time I tried to keep up my studies in school. The strain was too great and at the age of 14 I had to leave school, because of the run-down and nervous condition I was in. I gradually grew worse, becoming extremely irritable and suffering terribly from melancholy. It was in fact, as I had St. Vitus' dance, when I began to lose control of the muscles of my face. The disease soon spread all over my body and my head and arms seemed to tremble constantly.

"I was in this condition for about a year and dwindle away to almost nothing. Finally I became so weak that I had to stay in bed all the time. Up to this time I had been treated by a host of two doctors and as I became no better gave up their medicine. After I had been in bed about two months, I read in a paper about Dr. Williams' Pink Pills from an old friend. He bought some at once and I started using them, not expecting much benefit. He told me that the pills were helping me and that I could sleep better. We all thought this so wonderful that I was encouraged to give them a good trial. I was soon able to sleep like a log and my appetite became good.

"I was sick altogether about one and one half years and when I began to use Dr. Williams' Pink Pills I weighed less than 85 pounds. I gained weight rapidly while I took the pills and weighed 117 pounds when I stopped using them. I was completely cured and have never had a relapse since. I feel that I owe my life to Dr. Williams' Pink Pills."

They are sold by all druggists, or will be sent postpaid on receipt of price 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

WHEAT FOR CALLAO

German Bark Nordsee Makes Fast Run From Coquimbo. After a rattling fast trip from Coquimbo, on the west coast of South America, the German bark Nordsee arrived here this morning and dropped anchor in the stream. Captain Pietsmeyer reports having made the run to the Columbia river in 28 days. Fifty days is considered the average time.

The Nordsee comes here under charter to Halfour, Guthrie & Company to load wheat for Callao, Peru. This will be the first cargo of wheat sent from here to that port for many years but several cargoes have been shipped there of late from other Pacific coast ports.

RECOGNIZED AS A GREAT ARTIST. Carreno, who plays here next Monday evening at the Marquam Grand theatre, has frequently astonished the world of art and music by her vigorous grasp upon her particular art, but she has rarely charmed as she has been doing at her recent recitals throughout the east. Every year, indeed, she seems to gain new qualities and from an extraordinarily brilliant executant she has now developed into the most persuasive artist of the day. The recital at the Marquam will be under the direction of Louis Steers-Wynn Coman, and will undoubtedly be one of the most brilliant affairs of the winter. There are so few pianists of the gentler sex, but to find one who has been accredited with all the genius and accomplishments of her own, as well as the case of Heister, Hillard, Biedinger or Frothingham, is a rare event wherever she plays.
