## MEATS

Our great volume of meat business is constantly on the increase and owes its progress to the fact that we buy and sell for cash the highest grade, strictly corn-fed meats in the world. Our modern sanitary market is also a feature of satisfaction to everyone who buys from us. Pork is the leader in high-grade quality and low price for the coming week. It's the best we ever provided, and prices, as you can see, are very, very low.

## FRANK L. SMITH MEAT CO.

"FIGHTING THE BEEF TRUST"

226 Alder Street, Between First and Second

We have no connection with the new market on the west of us, nor with the market on the east of us, nor with any other market in our vicinity. Avoid all these markets when you are looking for Smith's. Come to the same old entrance and see that Smith's name is over the door.

Above and beyond doubt frozen meat is being brought to this city by the carload. When you go to Beef Trust markets you stand every chance in the world of getting this thawed-out frozen stuff which is palmed off as Oregon meat.

Smith's Is the Only Market in the City That Sells All Fresh Oregon Meat
