CRACK BABES AT POST TOMORROW

Juveniles Will Meet in Rich Gunst Stakes at Emeryville Track.

San Francisco, Feb. 14.—The Gunst stake, the first of the California Jockey club's valuable offerings for the juvenile division, which is to be run tomorrow, will be in the nature of a championship contest for the two-year-old fillies on the coast. Just which is the best of that age and sex yet shown out here is a mooted question. By general consent the honor is placed among three—Sam Hildreth's Achieve, H. T. Griffin's Rose Queen and President Williams' Rubia Granda.

None of those which have been racing right along at the Emeryville track—Trance, Seattle, Coppit, Ocean Maid, Ornate, et al—is seriously considered by horsemen and followers of the game who have kept tab on the performances of the winners. Achieve, Rose Queen and Rubia Granda have certainly shown more class than any of the others.

Down at Los Angeles these days they are acclaiming Achieve the queen of the coast two-year-old division, and the admiration for the daughter of Watercress and Stellaris certainly has some foundation in fact. Not since her first start has she met defeat, and in her last race she galloped four furlongs in 0:48 1-5 over a comparatively slow track.

Under the circumstances it is not to be wondered at that they are enthusiastic over the Hildreth filly down at Los Angeles, but, as good as she has shown to be, Rose Queen has the "Indian sign" on her. On the occasion of their only meeting, the Griffin filly took Achieve's measure, and she has it on the Hildreth filly in another particular: She is as yet unbeaten.

In addition to her record, Rose Queen has breeding and looks to commend her. She is by a great race horse, Kingston out of a splendid race mare, White Rose, and is a fine-looking individual. It might be thought that she will be at a disadvantage because of the poor training conditions here, but she was doubtless good and fit before she left Arcadia a week or so ago, and it is safe to say that her shrewd owner-trainer will have her ready.

Rubia Granda's record has not been as showy as that of the other two, perhaps, but at that as much as can be said of Mr. Williams', big daughter of Grenman as of Achieve—she has not met defeat since her first start. That defeat did not carry disgrace with it, for it was the best two-year-old that has shown here, Lee Rose, which beat her, and she gave him a stiff argument to within 100 yards of the finish, when lack of condition told on her. She started only once after that at the local track and made a show of her field, and she has won both her starts at Arcadia.

It was stated yesterday by the foreman of the Williams-Rowell barn that Mr. Williams' filly will be here for Saturday's race, and, of course, Walter Miller will ride her. Achieve will also undoubtedly be sent up for the stake with Dugan for her driver, while Sandy will have the mount on Rose Queen.

Of course, the winner might come from the other eligibles for the fixture, but it hardly may be expected. In the event of a good track, an interesting struggle may be looked for between the Williams, Hildreth and Griffin representatives.

ABERDEEN BLACK CATS WILL BE STRONG TEAM

(Special Dispatch to The Journal.)

Aberdeen, Feb. 14.—Manager Brown of the pennant winning Black Cats, is now busily engaged in signing players for the coming season and getting new men to fill the places of those who have gone to other teams. He has sent contracts to a number of the old teams, and several replies received show that this city will have an aggregation for next season that will be worthy successors to their predecessors. Streib and Brinker are assured, as are also Roettiger, Spencer and Lumley as catchers. The training ground for the season is not yet decided upon, but if the season opens west of the mountains the team will probably train here.

KLAMATH FALLS WILL SEE FAST BASKETBALL

(Special Dispatch to The Journal.)

Klamath Falls, Or., Feb. 14.—Athletics received decided encouragement in Klamath Falls by the offer of the Mong cup to the winning team in a series of basketball games. Basketball has been played here in a desultory way this winter, and it remained for William V. Mong, who is conducting a dramatic school here, to awaken interest in the sport by the offer of the cup. The teams are now booked, and the first game of the series will be played Saturday evening. It is the intention to form a crack team of the best players, and play outside teams later in the spring.

This Day in Sport Annals.

1891—At Boston, G. R. Fearing, amateur, cleared 6 feet 2¼ inches in a running high jump.

1892—At St. Paul, John S. Johnson won three mile skating race for championship of Minnesota.

1900—At San Francisco, "Young Peter Jackson" knocked out "Philadelphia Jack" O'Brien in thirteenth round.

1905—At Chelsea, Massachusetts, Chester Goodwin defeated Clarence Forbes in 15 rounds.

1906—At Milwaukee, William Barron rolled a perfect score of 300.

1907—At Glens Falls, New York, Wildwave made a world's record by pacing mile on ice in 2:14.

INSOMNIA

"I have been using Cascarets for Insomnia, with which I have been afflicted for over twenty years and I can say that Cascarets have given me more relief than any other remedy I have ever tried. I shall certainly recommend them to my friends as using all they are represented." Thos. Gillard, Elgin, Ill.

ANNUAL SALE, TEN MILLION BOXES

DOLAN TAKES BOUT WITH DAVIS IN FIFTH

The Dalles Welterweight Succumbs to Punches of Man From California.

(Special Dispatch to The Journal.)

The Dalles, Or., Feb. 14.—Jack Dolan, the San Francisco welterweight, was given the decision here last night in the fifth round in a glove contest pulled off at the opera house under the auspices of The Dalles Athletic club. At the close of the fifth round Davis went to his corner feeling sick. In an instant he fell prone on the floor. "Kid" Erwin, the referee, awarded Dolan the decision.

The contest was clean throughout and regret was expressed that Davis could not continue. The The Dalles boxer attributes his downfall to weakness brought on by making the 135-pound weight.

Dolan is not so tall as Davis, but is of stockier build and is a hard, steady hitter. He has a different style from the local pugilist.

EAST SIDE SOCCER TEAM AGAINST WEST

Fastest Men in City League Will Line Up Tomorrow Afternoon.

East and west side teams composed of football players of the city association league will meet at the Vaughn street league grounds tomorrow afternoon at 3 o'clock, and the lineups will include some of the fastest players in the city.

This game will fill in the open date between the close of the city league schedule and the first of the international series of three games between teams composed of Englishmen and Scotchmen on February 22.

The lines tomorrow will be as follows:

West—Goal, Patullo; backs, Jago and Dyment; halves, Hughes, John Dickson and Andrew Matthews; left wing, Hal Matthew and Hanson; right wing, Dickson and Burns; center, Mill.

East Side—Goal, McNicholas; backs, Stewart and Short; halves, Fenwick; Lund and J. K. Mackie; left wing, Tait and Young; right wing, Kilpack and Stevens; center, James Mackie.

NATIONAL LEAGUE TEAMS WILL PRACTICE

The National league clubs will report at their various training quarters as follows: Chicago, West Baden, March 3; Pittsburg, Hot Springs, March 3; Philadelphia, Savannah, Georgia, March 3; New York, Marlin Springs, Texas, February 26; Cincinnati, St. Augustine, Florida, March 11; Brooklyn, Jacksonville, Florida, March 10; St. Louis, Houston, Texas, March 3; Boston, Augusta, Georgia, March 13.

Old Bowling Officers Again.

(United Press Leased Wire.)

Cincinnati, Feb. 14.—President August Herman and the other executive officers of the American Bowling congress were yesterday afternoon recommended for reelection to their various positions.

A new bowling record was established by Robert Meneger of Detroit, who rolled 669. The record was formerly held by Ray Stolke of Chicago, who made 667.

Whitman Wins From Oregon.

(Special Dispatch to The Journal.)

Whitman College, Walla Walla, Wash., Feb. 14.—The University of Oregon basketball team met defeat at the hands of the Whitman college five last night by two points, the score being 23 to 21. At the end of the first half it was an even game, 8 to 8, but in the second Whitman pulled gradually away.

INLAND TOWNS TO TALK BASEBALL

Representatives of Four Cities to Hold Meeting Wednesday.

(Special Dispatch to The Journal.)

Pendleton, Or., Feb. 14.—Representative business men of Walla Walla, La Grande, Baker City and Pendleton will meet here Wednesday, February 19, for the purpose of forming a four-cornered professional baseball league. Jack O'Brien, an old professional ballplayer, is organizing the league, which promises to conduct a high-class league.

Local fans are watching the work of O'Brien with unusual interest and are lending him every aid possible in an effort to put the league on a substantial footing.

Several attempts have been made within the past seven years to give the wheat-belt section of eastern Oregon and southeastern Washington and twice the league has nearly finished the entire schedule. During the two years that the four towns had league baseball Pendleton was in the lead when the games suddenly stopped.

In 1901, under the management of Charley Ziegler, now deceased, Pendleton was far in the lead when Walla Walla decided that it could maintain a team no longer and dropped out, followed by La Grande and Baker City. The following year, with Bob Brown, now manager of the championship Aberdeen team of the Northwestern league, at their head, the team was over 100 per cent in the lead when one of the other three teams threw up the sponge.

With judicial selection of players and strict adherence to the salary limit by all managers the league could be made to pay, but unless this is done it will undoubtedly follow in the footsteps of its predecessor.

During the preceding league seasons players of such repute as Tony Mullane, George Stovall, Charley Ziegler, Robert Brown, Ralph Glaze, "Speck" Hurlburt, Dick Knox and Bert Schills appeared on the diamond.

These men commanded such fancy salaries, along with others of equal note, that the league was stranded before the season was in its last weeks.

However, it is believed that the league under O'Brien will be all the success that has been predicted for it.

ULNA BONE HERO GETS TO WORK FOR NELSO GO

(United Press Leased Wire.)

Los Angeles, Cal., Feb. 14.—Jimmy Britt is down to hard work for his fight with Battling Nelson at the local club on February 25. From the East Side club he took an eight mile run on the roads, and in the afternoon yesterday he spent several hours in the club "gym" skipping the rope, pulling the weights, wrestling and shadow boxing. He stated yesterday that he weighed 140 pounds. Nelson is off now on a hunting trip. He will begin training Sunday.

Portland Golfer Loses.

(United Press Leased Wire.)

Pinehurst, N. C., Feb. 14.—Roderick Macleay of the Waverly Golf club of Portland, Oregon, who lead in the qualification play of the St. Valentine's golf tournament of Wednesday, met defeat yesterday at the hands of J. E. Porter of the Allegheny Country club. The Pennsylvanian won 2 up and 1 to play.

Longboat Beats Three Men.

Boston, Feb. 14.—Tom Longboat, the great Indian runner, who wants to represent America at the Olympic games in London in July, beat three men running in relay at 10 miles here last night. His time was 50:52 3-5. Longboat's opponents were Percy Self, Canadian five mile champion; Bill Cummings of Scotland, and Claude E. Pierce of Canada. Longboat led Pierce by 2 feet at the finish.

Longboat has petitioned the American Amateur Athletic union for reinstatement, but no action has yet been taken on his case. By competing with foreigners he did not come under the laws of the union, and his performance will not count against him in the A. A. U. reckoning.

Fights Scheduled for Tonight.

Harry Baker vs. "Kid" Wolgast, 10 rounds, at Milwaukee.

Jock Phenicle vs. Tommy Nelson, 15 rounds, at Altoona, Pennsylvania.

LINNTON LUMBER MILL RESUMES OPERATIONS

Will Furnish Columbia Iron Works With Fuel and Power.

The Clark and Wilson Lumber mill at Linnton, just across the river from St. Johns, has resumed operations, and is now giving employment to the full quota of men, a total of more than 300. The mill is to be operated both night and day, as was the case prior to the recent depression.

The Columbia Iron works of North Portland, which some time ago purchased a manufacturing site next the Clark & Wilson mill, are making active preparations to erect their plant. The large blast furnaces which the concern has purchased are already on the spot, ready for installation.

By a mutual arrangement advantageous to both, when the Columbia Iron works are in operation they will burn the refuse from the mill in their blast furnaces, effecting by this plan a saving of a $15,000 consuming plant which the mill people would otherwise have to install to provide a means of disposing of their refuse. In return for this favor Clark & Wilson will supply the Columbia company with their motive power.

NEW ROAD TO TAP FACTORY DISTRICT

The Portland & Seattle railroad has been completing its plans to reach the factory district of St. Johns by a long spur track from Maegly Junction. Almost before any one was aware of their intention the railroad people have had the survey made for this spur track and are now ready to begin construction work.

The line as laid out, follows very closely the present tracks of the O. R. & N.

To Study Bushmen.

Vienna, Feb. 14.—The Academy of Science has resolved to contribute $5,000 for the expedition of Dr. Rudolph Toech to the desert of Kalahari, in South Africa, with the object of studying the bushmen, who, it is said, are dying out.

SALEM ELKS COME TO HOLD JOLLYFEST

Two Hundred Lodgemen Welcomed by Portland Members.

One good time deserves another.

A special train pulled into the passenger station last night. It was loaded. When the cars stopped 200 men stepped out onto the platform. They were all members of the Capital City lodge, No. 336, B. P. O. E., and had just arrived from Salem.

There was a delegation of Portland Elks to meet them. And a band. Then there was a march to the home of the Elks in Portland. Soon afterward the doings began. The Salem band of Elks brought with them talent and refreshments and a world of good humor. All they needed to pull off the program was a hall and some one to enjoy the fun.

Five hundred Portland Elks visited Salem in January, 1907, and took part in the dedication of the new Capital City lodge building. The visit to Portland of the Salem Elks last night was to show the appreciation of the favor conferred upon them by the Portlanders more than a year ago.

Officers of the Salem lodge are as follows: W. Carleton Smith, exalted ruler; B. V. Shucking, esteemed leading knight; Charles V. Galloway, esteemed royal knight; Roy Buckingham, esteemed lecturing knight; D. A. Densivor, esquire; A. S. Benson, secretary; E. L. Baker, treasurer; Harry Most, inner guard; Alexander Connoyer, tyler.

Hosiery Sale.

Extra Specials for Saturday.

Best bargains in ladies' and children's hosiery ever shown by any legitimate dry goods house west of New York—on sale from 8 a. m. to 9:30 p. m., Saturday, February 15. McAllen & McDonnell, corner Third and Morrison.

Senator Wilson Better.

(United Press Leased Wire.)

Baltimore, Md., Feb. 14.—Former Senator John L. Wilson of Seattle, who has been under treatment at the Johns Hopkins hospital, where he underwent an operation, left today for Atlantic City. He has practically regained his health.

NEW YORK CITY HUNTING MONEY

Fifty Millions From Bonds Will Help but More Will Be Needed.

(United Press Leased Wire.)

New York, Feb. 14.—New York City needs cash, and needs it badly. The sale of $50,000,000 in city bonds advertised for today will "help some," but will not afford anything like the financial relief that the city authorities deem necessary. As a consequence they will probably apply to the legislature for relief in the form of legislation that will increase the borrowing capacity of the municipality. An amendment to the constitution of the state may be necessary, and that proceeding would require two years' time.

The present issue of $50,000,000 of long term bonds makes a total of $155,000,000 of city securities placed on the market within a period of four months. This record is unprecedented in the history of the city, and the expenses of the municipality are growing at a rate that is causing much concern to the administration.

The cost of running the city government this year will be $143,572,266, an increase of $13,150,160 over last year, and $65,981,934 more than the year 1898, which means an increase of more than 85 per cent in 10 years. This amounts to a per capita expenditure of $36 for every man, woman and child in the city, or an average of about $150 a family, which is paid by taxing both the present and future generations. The present generation pays the assessments imposed upon it by the tax commissioners, and future generations will have to redeem the enormous amount of bonds now outstanding.

The interest charge upon the people of New York is now more than $24,000,000 annually, almost as much as the total cost of running the city of Chicago, the second largest city of the country, and about $6 per capita of the population.

The enormous expense of running New York City is without a parallel. It can be compared only to the expenses of the national government, and even here the metropolis suffers by the comparison. While the expenses of the national government have increased very rapidly in recent years, the national debt has been decreasing at the same time, and the interest charge upon the people of the United States annually is only a few thousand dollars more than that paid by the people of New York City, while the annual expenses of the national government are only four times as great as those of New York City.

POSTCARD ARTIST.

Mrs. Marie N. Welch of Salem has designed over 500 artistic postcards, which circulate to the ends of the earth. Her work is characterized by high artistic execution and by great originality.

KLAMATH MERCHANT MOVES TO BONANZA

(Special Dispatch to The Journal.)

Klamath Falls, Or., Feb. 14.—L. Jacobs, one of the leading merchants of this city, who recently sold out his business here, has lumber on the ground in Bonanza, Oregon, and will put up a large store building immediately, and put in a large stock of general merchandise. Mr. Jacobs believes in the future of Bonanza, and will make improvements on a large scale and of a permanent nature.

Junior Promenade Tonight.

(United Press Leased Wire.)

Madison, Wis., Feb. 14.—The junior promenade, the biggest social event of the year at the University of Wisconsin, takes place in the university gymnasium tonight. The "prom" of this year promises to eclipse all previous events of its kind at the state institution. Hundreds of invitations have been sent out to upper classmen and alumni of the university. A large sum has been expended for decorating the gymnasium for the occasion, and an orchestra of 40 pieces will furnish music for the "prom" and the concert preceding.

LA FOLLETTE HAS CHANCE FOR PLUM

His Supporters Believe Him Logical Successor to Roosevelt.

(Washington Bureau of The Journal.)

Washington, Feb. 14.—The development of the past week has been the La Follette talk in connection with the Republican nomination. Up to the present practically nothing has been done openly by the La Follette people. Inquiries at the La Follette headquarters always elicited an answer to indicate that there was little to say, that practically nothing was doing, and that perhaps the psychological moment would arrive when La Follette talk would be timely.

"That moment has come," one of the warm La Follette supporters said today. "You will see La Follette talk increase from this time on, and you will see an increasing number look toward the Wisconsin man as the logical man to succeed Mr. Roosevelt and carry on those policies for which both of them stand so conspicuously.

"We claim that La Follette is the logical man for the Roosevelt succession. And the president far more than most people realized forwarded the La Follette movement when he recommended in his special message the other day that the commerce law be amended to provide for taking a valuation of the property of common carriers as the basis of rate-making.

"Senator La Follette was for the president's renomination until Mr. Roosevelt announced that he would not be a candidate, and that his 1904 announcement must stand as final; even yet, the senator would support the president with ardor; but in common with others who were friendly and loyal he has accepted the president's statement as sincere and places himself in a position to await the verdict of the people as to their choice for president.

"He understands this transportation question as do few Americans, and has to his credit material results accomplished in his home state under his leadership.

"He, with the president, asks the people to remain true to the forward march program and to demand the rectifying of obvious abuses which abound on every hand. He stands for the ethical principle in American politics, and has succeeded in a militant political career without smirching his hands with the money, either paid or received, which has in the past been so much used to debauch the electorate of the nation.

"We shall see what will happen at Chicago—if it be not a reactionary, look out for La Follette—and it won't be a reactionary, either, for they won't be popular this year."

CLIFFS IMPRESSES RAILWAY MAGNATES

(Special Dispatch to The Journal.)

Cliffs, Wash., Feb. 14.—President Elliott of the Northern Pacific and President F. B. Clarke of the Spokane, Portland & Seattle railway, and their party, stopped their special train here Wednesday and spent an hour looking over the town and discussing its future prospects. A deputation of leading business men gathered at the depot to meet the officials. President Clarke and Harry Adams, general freight and passenger agent, were very much interested in the new and growing town and asked many questions concerning its resources. They were pleased to see and learn of the numerous developments now under way, and especially the electric light and power plant that is soon to be installed. On leaving they gave a rousing cheer for Cliffs. They promised to return in June.

KLAMATH'S MAILS THE SLOWEST EVER

(Special Dispatch to The Journal.)

Klamath Falls, Or., Feb. 14.—The postoffice department changed the time of the mails leaving Klamath Falls, effective February 10, and it was at first thought a much improved schedule was the result. It now appears Klamath Falls has the worst schedule in her history. Outgoing mail leaves here at 10 o'clock a. m., with a 10 hour schedule between this city and Pokegema, two hours before the mail arrives. Therefore the mail waits at Pokegema and at Thrall waits 10 hours for the mail going north and 19 for mail going south. This means eight days between sending a letter to Portland and receiving an answer.

The Klamath Lake railway cannot help, as it is fined by the postoffice department for failure to conform to schedule. The newspapers are urging the chamber of commerce to take the matter up with the Oregon senators and representatives.

International Alliance.

(United Press Leased Wire.)

New York, Feb. 14.—All arrangements have been perfected for the wedding tomorrow of Miss Theodora Shonts and the Duc de Chaulnes. The ceremony is to be performed at noon at the home of the bride's parents, Mr. and Mrs. Theodore P. Shonts. The event will be marked by none of the gorgeous or spectacular effects that characterized the recent Vanderbilt wedding. The guest list will be confined to the relatives and close friends of the two families. The briday party will be small and the ceremony will be followed by a simple wedding breakfast. The French ambassador and Mme. Jusserand will be among those present. The Duc de Chaulnes and his bride will spend their honeymoon in Florida, and the couple will go abroad in May.

WE CURE MEN ONLY!

Our Fee $5 to $30

No Pay Unless Cured

Seek Help Where It Is Certain to Be Found

This institution has built up its splendid practice more by the free advertising given it by its PERFECTLY SATISFIED PATIENTS, who have received the benefit of its modern, scientific and legitimate methods than in any other way. If you are not a perfect man—come to us. Isn't it worth the little time it will take when you are CERTAIN that you will have the benefit of HONEST, SINCERE physicians who never attempt to deceive you in any way? A consultation costs you nothing EXCEPT your own time. Consult a live, wide-awake specialist about your case—one who has experience, skill and ability, one who can give you the best treatment to be had on the Pacific coast, regardless of price. We cure men, and have cured more cases of weakness and special ailments of men than any other specialists in Portland. If you do not know what the trouble is, consult us free of charge and find out.

In selecting a physician or specialist, when in need of one, some consideration and thought should be given to the qualifications, experience and length of time an institute or medical man has been located in the city. It stands to reason that an institution that has stood the test of time and numbers its cures by the thousands is far superior to mushroom institutions that spring up in a night, last a few months and are gone. We have been curing men 29 years and are the oldest specialists curing men in Portland.

We invite those who have deep-seated and chronic disorders to call and be examined. Consultation and examination is free, and carries with it no obligation to engage our services.

Our offices are equipped with the most modern and scientific mechanical devices for the treatment of chronic diseases. Our charges are reasonable and in reach of any man.

Write if you cannot call. Our system of home treatment is always CERTAIN and most successful. All correspondence sacredly confidential.

HOURS—9 a. m. to 5 p. m. Evenings, 7 to 8:30. Sundays, 9 a. m. to 12 noon.

Pay Me After I Cure You

I want to PROVE my ability to make you a Strong, Vigorous Man. The charge for my services will be only

$10 In Any Uncomplicated Case

I GUARANTEE A COMPLETE CURE

DR. TAYLOR
The Leading Specialist

MY CURES ARE LASTING

Because the methods I employ meet even the most minute details of those ailments to which they apply, and are readily modified to suit the requirements of individual cases. Because my treatment is ample, scientific and thorough, my cures complete and lasting, and my patients have no relapses. For the same reason I am usually able to cure in much less time than is commonly required by other specialists in obtaining but partial results.

WHAT WEAKNESS IS

"Weakness" is not a nervous disorder, demanding a tonic system of treatment, but is merely a symptom of chronic inflammation, or congestion in the prostate gland. This condition exists as a result of early dissipation, or some improperly treated contracted disorder, and requires carefully directed local measures only. By my own original methods, the prostate gland is quickly restored to its normal state, which results in full and complete return of strength and vigor. My cures are permanent, because the condition responsible for the functional disorder is entirely removed, and I am convinced that by no treatment other than my own carefully directed local measures is a radical cure of this ailment possible.

REASON FOR MY SUCCESS

My success in treating men's diseases is due to my thorough and original methods of treatment. The cures I effect are the result of my thorough knowledge of every phase of the disease I treat and to the fact that I apply individual treatment to each case. In every instance I know the ailment, and I know the cure for it.

The fact that I agree to wait for my fee is proof of my confidence in my ability to cure in every case. Some doctors assert that certain diseases of men are incurable. I deny that, and stand ready to PROVE that by my methods there is no disease peculiar to men that I cannot cure.

VARICOCELE

I cure any case that I accept in one week's time. My treatment is a painless one, and in most instances the patient need not be detained a single day from business. There is no doubt or guesswork, but absolute certainty of a thorough and lasting cure, with complete return to that degree of health and vigor that existed before the disease began.

STRICTURE

My treatment for stricture is absolutely painless, and perfect results can be depended upon in every instance. I do no cutting or dilating whatever.

CONTRACTED DISORDERS

Every case of contracted disease I treat is cured thoroughly. My patients have no relapses. When I pronounce a case cured there is not a particle of infection or inflammation remaining, and there isn't the slightest danger that the disease will return in its original form or work its way into the general system. Some contracted diseases are less serious than others, but none are too trivial to warrant uncertain methods or treatment. I especially solicit those cases that other doctors have been unable to cure.

The man who has been positively cured of a disease peculiar to his sex knows that a great blight has been lifted from his life. He realises that the stumbling block to business and social success has at last been forever removed. Having thus gained the great God-given power of complete health he reenters the race of life with renewed hope, ambition and courage, and with that vim and vigor makes victory possible in every undertaking. This has been the happy experience of legions of men whom I have recently cured for life of such a disease.

In treatment of cases of this character my success has been called "phenomenal," but it is only natural and what should be expected from a physician who possesses special knowledge, expert skill, vast experience, thorough scientific equipments and earnest, industrious mind, conscientiously devoted to the welfare of his patients.

My methods are entirely of my own devising and are the results of over 20 years of special medical practice. They are thorough and every cure I effect is therefore PERMANENT.

I might selfishly limit my practice to men of means only and thus charge big fees for my services, but I want EVERY MAN AFFLICTED WITH DISEASE to benefit by my discoveries for the cure of men's ailments. I have therefore made my professional charges as low as possible. Any man, whatever his circumstances, whether wage-earner or millionaire, may easily avail himself of my skill.

Those in any trouble, suffering from LOSSES and DRAINS, VARICOCELE, HYDROCELE, BLOOD POISON or any other disease tending to destroy and disfigure and to render happiness impossible, are urged to call upon me without delay. Those wasting valuable time dissipating their money and aggravating their ailment by submitting to indirect, ineffectual, unscientific treatment that never did and never can cure, are invited to visit me and investigate my successful system. I positively guarantee results in all curable cases and frankly refuse to accept any other class, if for any reason it is too late to guarantee a cure.

I State Nothing in My Announcement But the STRAIGHT SQUARE TRUTH

It will cost you nothing to call and talk over your case. You can find out all about your troubles and you can arrange to begin treatment any time you like.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.
