ENTITY OF CHINA (United Press Leased Wire.)

Washington, Feb. 17.—The question of preserving "Chinese territorial and administrative entity," has suddenly assumed new importance in the eyes of the diplomatic world in connection with the cruise of the American battleship fleet to the Pacific, especially since It became an assured fact that the fleet is to proceed to the orient soon after reaching. San Francisco, Saveral months ago it was stated that certain interests closely in touch with sommercial affairs in China professed to be informed that the real significance of the fleet's movement to the Pacific had to do with affairs affecting the flowery kingdom and that it time their sate ment of the case would be justified.
