MAEGLY JUNCTION (NEW PORTLAND) ITS LOCATION

Located on the PENINSULA, facing the Columbia river, and slough, also on the two new transcontinental railroad the two new transcontinental railroad lines now just being completed, with Vancouver. Washington, on the opposite side of the river from this place, and where the RORTH BARK AND EARTHRAK LINES cross each other, forming a union station here. It also has the only suitable location for a city near the packing plant, being on a gentle slope toward the great Columbia river, thus affording the new city with both water and rail shipping facilities, also located at the closest point to the great Swift packing plants, which are now under way of construction. These sreat Swift packing plants, which are now under way of construction. These packing plants alone will bring to our city at least 20,000 more people. What will MARGIX JUNGTION look like when that many people settle there: Who made the most money at St. Johns? Why, it was the people that bought lots when the town first started, and that is just what we are asking you to do, is to buy now, as this place is just started a foundation for a great city, and the prices on our property are cheaper than you will ever see them again. Prices are right; terms to suit. We had over 1,000 lots at first, about 150 left. This shows you what the public thinks of it See

WEATHER REPORT

In Benton county, Or., \$25 acres under plow, \$75 acres slashed and seeded down to clover and timothy; balance of the land is most all good saw timber and pilling; enough to pay for the farm. The place is all under fence, is well watered by streams and springs. Two-story house of 10 rooms; barn, 64x160, with 18-foot posts; large hog and goat house, machine sheds and tool house. This land can all be cultivated when cleared; no waste land on place; good soil; half mile to school; telephone and R. F. D. Price \$20 per acre. The Missouri storm has advanced ortheastward to the lower lake region. has caused unusually heavy snows or the northern portion of its track. and moderately heavy rain in the south-ern states. This storm is being fol-lowed by a cold wave and the tempera-tures have fallen from 10 to 20 degrees hearly everywhere between the Mississippi valley and the Rocky mountains. Light rain has fallen on the Pacific coast as far south as Eureka, and the temperatures, as a rule, are slightly higher tuan yesterday in all the Pacific states.

One half mile west of Wellsdale Station on the S. P. R. R., in Benton county, Or.; 1,000 acres is rich bottom and rolling land, balance low open hill land, with scattering oak, ash and fir timber; the bulk of it can be cultivated when cleared; all fenced and divided into three divisions by county road; 14-story (new) house, with bath, hot and cold water. A fine large spring supplies the house and two large barns from a large storage tank of brick and cement of 2,000 gallons, with abundant fall and force. The indications are for fair weather tonight and Thursday in western Ore-gon and western Washington and for rain or snow tonight or Thursday in eastern Oregon, eastern Washington and Idaho.
