## FRANK L. SMITH MEAT CO.

"FIGHTING THE BEEF TRUST"  
226 Alder Street, Between First and Second

We have no connection with the new market on the west of us, nor with the market on the east of us, nor with any other market in our vicinity. Avoid all these markets when you are looking for Smith's. Come to the same old entrance and see that Smith's name is over the door.

Above and beyond doubt frozen meat is being brought to this city by the carload. When you go to Beef Trust markets you stand every chance in the world of getting this thawed-out frozen stuff which is palmed off as Oregon meat.

### Smith's Is the Only Market in the City That Sells All Fresh Oregon Meat

**RIGHT OF WAY SUIT FILED BY THE C. N.**  
Klamath Falls, Or., Feb. 21.—Suit has been commenced by the California Northeastern railway against L. Jacobs for right of way over his lands south of Klamath Falls. Papers have been filed here with W. D. Fenion, R. A. Laiter and C. A. Cogswell of Portland, attorneys for the company. Mr. Jacobs owns a property known as the South Klamath Falls tract that he has cut up in acreage property and the price he asked the company was thought exorbitant.

This is the second right of way suit instituted by the California Northeastern. Mr. Jacobs has gone to San Francisco, presumably to confer with the chief engineer.  
Right of way from Weed to Klamath Falls is practically all secured and nothing in the shape of right of way will hinder the rapid completion of the railroad to Klamath Falls.
