Chauffeurs Will Have to Tell How They Do It and Why.

All automobile owners will have to appear at the city hall and register before the automobile board of registration before March 10. The annual fee is \$1 for owners and \$3 for chauffeurs. Badges have been ordered and will be furnished those who register as soon as they pass the examination required by the board. Here are some of the necessary qualifications required before a permit to run an automobile in Portland is issued.

The operator must have the free use of both arms, must be more than 18 years of age, must have good eyesight and if a wearer of glasses they must be securely fastened to the head by spectacle frames, good hearing, free from epilepsy or heart disease, must not be an excessive user of alcohol or drugs and last but not least must not be of reckless nature or subject to fainting fits.

All applicants must be able to show to the commissioners that they possess skill in navigating a bus or wagon, and be able to explain its mechanism from the spark to the gasoline feed. No one shall be allowed to drive a car faster than 10 miles an hour within the city nor more than six miles in rounding a corner.

When a chauffeur applies for a license he is limited to a particular type of car, or else to all kinds. If he applies for a permit to drive a gasoline wagon he is furnished with a badge with a blue background and white numbers on which are the words, "Licensed chauffeur." If he is a driver of an electric machine he is given a badge with a red background and white numbers; one who drives a steamer or gasoline machine receives a badge with a chocolate background and white numbers; to drivers of steamers a white badge with black numbers is given. To a man who wants a permit to drive any kind of a car a nickel plated badge with black numbers is given bearing the words "general licensed chauffeur."

Any person found violating the rules and regulations of the ordinance will be liable to a fine of \$50, or a jail sentence of 30 days. In return the autists are protected by the law which provides a fine of \$100 or a jail sentence of 60 days for any person found tampering with or injuring the machine of a licensed owner or chauffeur.

Members of the commission are R. D. Inman, Dr. C. R. Brown and R. G. McPherson. Mr. Inman is in California at present, but is expected to return soon, when the examinations for auto drivers will begin.

All persons desiring to register will be required to go to the city auditor's office in the city hall before March 10, after which date the examinations will be started.

PADEREWSKI BROUGHT FAME TO HADLEY

Seats are now selling at box office the Heilig theatre, Fourteenth and Washington streets, for the coming concert of the world's greatest pianist, Paderewski. The celebrated artist will be heard in a grand concert recital at the above theatre next Monday evening, February 24.

Paderewski has testified to his regard for American and American music by establishing a fund, the interest of which every three years is given as prizes for compositions by American composers. After his American tour of 1895-1896 he set aside the sum of \$10,000 in perpetual trust.

Three triennial prizes were to be given to composers of American birth: First, \$500 for the best orchestral work in symphony form; second, \$300 for the best composition for solo instrument with orchestra; and third, \$200 for the best chamber music work.

It is a notable fact that this fund served first to bring before the notice of musicians Henry Hadley, who today is probably the most talented of the younger American composers.

AMUSEMENTS

"Buster Brown" Tonight.

The attraction at the Heilig theatre, Fourteenth and Washington streets, tonight and tomorrow night at 8:15 o'clock will be the musical cartoon play, "Buster Brown." This merry comedy will be an excellent play to see, if you are troubled with "the blues," as it is a laugh from start to finish, with a number of catchy songs sung by a bevy of pretty girls. Special prices prevail.

Popular Price Matinee at Heilig.

A popular-price matinee will be given at the Heilig theatre tomorrow afternoon at 2:15 o'clock. The musical play, "Buster Brown," will be the attraction. Take the children, they will enjoy it.

"Parsifal" Tomorrow.

While there is yet time do not miss seeing "Parsifal," the great dramatic version of Wagner's grand opera, at the Marquam for a week, commencing Sunday afternoon. While here Mr. Clement will appear in "The New Dominion," "The Bell" and "London Assurance," three plays in which he is especially suited. The first play, "The New Dominion," Mr. Clement wrote himself, and it is one of the sweetest love stories ever told.

"In the Bishop's Carriage."

The last three opportunities to see the Baker Stock company in the interesting play "In the Bishop's Carriage" will be tonight, tomorrow matinee and night, and it is one of those rare treats that

Some people try to prove that coffee doesn't harm any one.

The best way to know the facts, is to stop coffee and note the difference in your condition. If the headaches, palpitation, nervousness, disappear, you'll know why.

It's easy to get along without coffee if Postum is used as a regular beverage. It is a wholesome food drink made of wheat—no coffee or drugs.

"There's a Reason."

Terrible Liquor Craving

How Orrine Destroys All Desire for Whiskey and Beer.

The terrible craving for liquor is a symptom of disease and to overcome it the disease itself should be treated in a scientific way. When one has used whiskey, beer or other stimulants for a long time, the nerve cells have become accustomed to the effects of the stimulants and demand liquor in order to perform their duties. If the nerve cells are properly treated the craving for liquor will be destroyed.

It is in this way that Orrine cures alcoholism, by supplying to the nerve cells the strength needed, thus destroying the desire for liquor. It eradicates every particle of the terrible liquor-craving, imparts new strength and vigor to the whole system, and restores the general health. Treatise on "Drunkenness," free on request. The Orrine Co., Washington, D. C.

So successful has Orrine been that in every box is a registered guarantee which entitles you to a refund of your money if Orrine fails to effect a cure. Never before was a treatment for the liquor habit sold in this way. A guarantee like this shows the faith of the discoverer of Orrine and the agents who handle it, the leading druggists everywhere.

Orrine is in two forms, No. 1, which can be given secretly in food or drink; No. 2, in pill form for those who desire to be cured. Either form costs \$1 per box, and both are sold under the liberal guarantee that your money will be refunded if Orrine fails to cure.

Orrine is for sale by Clarke-Woodward Drug Co. and nearly all druggists.

PADEREWSKI'S CHOICE OF PIANO IS "THE WEBER"

No piano has of late received such a notable succession of emphatic endorsements as has the Weber. Artists of world-wide renown have stamped it with the seal of their approval, and the entire musical world has definitely recognized the premier position among pianos which the Weber now occupies.

The fact that Paderewski has decided to use the Weber Piano exclusively on his present concert tour is conclusive. It is the final word—for who is there better qualified to judge than Paderewski—the world's greatest tone artist today?
