By April 1 Washington State Commission Will Be Prepared to Make Final Report.

(Special Dispatch to The Journal.)

Olympia, Wash., Feb. 25.—With the introduction, March 3, of one tabulated statement, the evidence will all be in in the railroad commission's investigation of the railroad valuations in this state. This table is one on which will be based the segregation of state from interstate business, and will be submitted with attorneys present representing the three railroads interested.

The commission has already begun the task of preparing its findings as to valuations. By April 1 the commission will be prepared to determine whether or not freight rates in this state give the railroads a fair return, based on the value of their property.

Earl Grey's Competition.

(United Press Leased Wire.)

Ottawa, Ont., Feb. 25.—The annual musical and dramatic competitions for the trophy offered by Earl Grey, which takes place here during the present week, have attracted to the city many budding composers, playwrights and Thespians who aspire to fame in the world of music and the drama. The fact that the competition this year was thrown open to the whole of Canada and Newfoundland, irrespective of provinces, has resulted in a record-breaking number of entries, and as a consequence the competition is expected to be unusually keen. Professor Horatio W. Parker of Yale university is here to act as judge of the musical productions. During his stay in the city Professor Parker is to be the guest of his excellency at Government house.

Makes Warm Blood

If you catch cold easily, if you suffer from numbness and cold extremities and find it difficult to keep warm, you are a victim of poor circulation. Your blood is thin, unnourished, and your heart has not enough energy to pump the life fluid with sufficient force to keep the body warm.

You need Electro-Vigor. It will fill your blood with the fire of life—electricity. It gives strength and energy to the heart, causing it to send the blood coursing through your veins with increasing vigor. It makes the blood rich, red and warm.

Electro-Vigor drives rheumatism out of your body. It cures pain and disease by removing the cause and helping Nature restore health.

Electro-Vigor is an electric body battery, applied while you sleep. It never needs charging for it makes its own power. It does not shock or blister—just a gentle, soothing glow, which imparts warmth and vigor.

WEAK MEN

Don't Fail to Read Every Word of the Following:

DR. TAYLOR,
The Leading Specialist

Even If Others Have Failed to Cure You

Do you feel that your manly strength is slipping away? Are you weak, nervous, fretful and gloomy, have pains and aches in different parts of the body, your sleep disturbed, weak back, headache, despondency, melancholia, palpitation of the heart, unable to concentrate your thoughts, poor memory, easily fatigued, specks before the eyes, aversion to society, lack of ambition, will power depleted, dizzy spells, vital losses, poor circulation, feel cold, lifeless and worn out, primarily induced in many cases through abuses, excesses, overwork, etc.? If so, then I warn you. Do not delay longer.

The methods I devised twenty years ago for treating men's diseases proved a radical step in medical science. Those methods have enabled me to cure diseases that were formerly regarded as incurable. In working out my methods, I held the theory that "WEAKNESS," for instance, was not a constitutional or functional ailment, but a prostatic affection, and therefore merely local. I reasoned that its constitutional effects were simply the results of a tremendous waste of energy due to inflammation of the prostate gland; that this being true, a local treatment could alone affect a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.

My Fee for a Cure Is Only **$10** In Any Uncomplicated Case Pay Me When Cured

No Man Need Be Weak

My treatment for other diseases peculiar to men is also along original lines and is equally successful. Hence I reiterate that no man need be WEAK or AILING. My Special Treatment is an open door to manly vigor and all the pleasures that belong to perfect health. Any man may avail himself of my services. It has been and is my life's work to aid afflicted men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the charge for my services within the easy reach of any man, no matter what his circumstances. To PROVE my confidence in the results of my treatment, and as an act of good faith, I WILL WAIT FOR MY FEE UNTIL YOU ARE CURED. No man could be fairer than that. I take all the risk. You take none whatever. You have everything to gain and absolutely nothing to lose.

Delay Is Dangerous

Men whose vitality is exhausted, those who have some private disease or weakness lurking in their system, and who are prematurely old, while still young in years—broken-down wrecks of what they ought to be—and who want to be strong and to feel as vigorous as they did before they wasted their strength, to enjoy life again, to win back the vim, vigor and vitality lost, should consult with me before it is too late.

My Direct-Method Treatment Offers a Positive Cure for Every Ailing Man

I Cure "Weakness"

"Weakness" is not a nervous disorder, demanding a tonic system of treatment, but is merely a symptom of chronic inflammation or congestion in the prostate gland. This condition exists as a result of early dissipation or some improperly treated contracted disorder, and requires carefully directed local measures only. By my own original methods the prostate gland is quickly restored to its normal state, which results in full and complete return of strength and vigor. My cures are permanent, because the condition responsible for the functional disorder is entirely removed, and I am convinced that by no treatment other than my own carefully directed local measures is a radical cure of this ailment possible.

Contracted Disorders

The serious results that may follow neglect of contracted diseases could be scarcely exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of contracted disorders than any other physician upon the Pacific coast. My cures are thorough and are accomplished in less time than other forms of treatment require in producing even doubtful results. I employ remedies of my own devising, and my treatment is equally effective in both recent and chronic cases.

I also permanently cure SPECIFIC BLOOD POISON, STRICTURE, NERVO-DEBILITATION AND ALL REFLEX AILMENTS.

Consultation and Diagnosis Free

I do not charge for advice, examination or diagnosis. If you call for a private talk with me you will not be urged to begin treatment. If impossible to call, write.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.
