CLAIRVOYANTS AND PALMISTS | CLAIRVOYANTS AND PALMISTS

PROF. SHELDON

THE WORLD'S GREATEST LIFE READER

AND

SPIRIT MEDIUM

BY WATER, BY LAND, BY RAIL

By every conceivable conveyance do they come to see the wonderful demonstrations of the great Sheldon. Why not? As he sits before you at the table he calls you by your full name and reads every incident in your life.

Hundreds have availed themselves of Professor Sheldon's offer during the past week.

For the benefit of those who wish to be helped (this also includes curiosity-seekers and skeptics) he will for the next 7 days make his celebrated $5.00 reading for

50 Cents and $1.00

He guarantees to tell your name, the object of your call and exactly what you want to know, or he will make NO CHARGE, NO CHARGE, NO CHARGE.

Never before in the history of occult science has a man of Prof. Sheldon's professional standing consented to place his services at the disposal of the public for such a nominal consideration. Realizing that this city has been overrun with pretenders, and that many of its citizens are anxious to visit a genuine clairvoyant, Prof. Sheldon has decided to place his consultation fee within reach of all.

Prof. Sheldon Is Permanently Located.

Absolutely Reliable.

Learn What Is Before You

Business chances, journeys, speculation, social and domestic conditions, failures, successes, ill-health, evil influences, love, marriage, divorce, lawsuits and all human affairs advised upon with unerring accuracy.

The wise use every means to compass victory; thousands have been helped. If you are in trouble of any kind, unhappy, not satisfied in life, have domestic, love or business troubles, you will be told how to overcome them all.

"O YE OF LITTLE FAITH."

This too materialistic generation, steeped in luxury and blase from a surfeit of pleasures, is blind to the greatest opportunities through unbelief in the higher sources of knowledge and spiritual guidance, such as have in past ages shaped the destinies of the greatest individuals and nations.

Human life is made up of a multiplicity of interests, and ever and anon there comes a time in every mortal when in bitterness of spirit they have cried: "WOULD THAT I HAD WARNING ERE THIS CAME TO PASS." THERE ARE NONE SPARED THESE TRIALS of patience, though some, by a greater mental endowment and higher gifts, avoid for a time the pitfalls into which those less favored fall.

In the person of Prof. Sheldon remarkable and extraordinary gifts were easily manifested to himself in perplexing and astounding ways. Finally, recognizing the power conferred upon him, his aim has been to refine, develop and uplift to that degree of scientific accuracy that its benefits may devolve to his fellow-creatures.

These wonderful and inscrutable institutions brought into subjective control are now at the service of the humble or the great, without distinction or reservation. The marvelous tests he performs prove the magnitude of his strange and wonderful powers.

He stands at the head of his profession and does not wish to be measured by any other standard than his own. He brings personal indorsements from great people from nearly all civilized parts of the earth. His experience and knowledge of life is broad, deep and profound, and when united with his most marvelous powers of mediumship it makes of him all that he claims to be,

"THE PEER OF ALL MEDIUMS and LIFE READERS."

STUPENDOUS REVELATIONS ACCOMPLISHED ONLY BY THE GENUINE OCCULT SCIENTIST.

Known from ocean to ocean, gulf to gulf, the marvel of two hemispheres. Many seek the advice of their confidential friends, follow their advice and reap unfortunate losses. In ancient days rulers of kingdoms dispatched for their advisers, their prophets, to know the work before them, to guide them in their movements, whether to prepare for war or to make peace. Has this power vanished from humanity? No. It still exists as in ancient times, but possessed by few.

ARE WE NOT IN A WORLD OF ADVANCEMENT?

Has not every other mental science advanced also, and why not this gift, which the One above bestows upon him whom He desires? There are many so-called clairvoyants, mediums, psychologists, etc., but there must be some real. Nothing real, nothing to defraud.

BEWARE OF THE PARTIALLY DEVELOPED PSYCHIC

If you are unable to know the pretender from the fully developed medium, you should learn that secret from Prof. Sheldon at once. It is a waste of both time and money to counsel with the pretender or partially developed medium; their advice will misguide you, and you often depend upon them to assist you in time of trouble, only to find your condition becomes more complicated instead of better.

Always consult the fully developed medium. The time is not in the far future when partially developed mediums will be driven from all cities, and none but the fittest remain.

SPECIAL NOTICE

Ladies and gentlemen can visit Prof. Sheldon without fear of having their confidence betrayed. He has thousands of written testimonials from leading citizens of the United States, but he never publishes a name of any of his patrons, as he considers his business a sacred trust. If you doubt his ability, call and he will give you positive evidence in your own case. Unlike the fortune-teller and pretender, he asks no fee in advance, and absolutely refuses to accept any remuneration for his readings if perfect satisfaction is not given.

He is ever ready to help those with capital to find a safe and good-paying investment; this he can do, and asks no fee until the investment pays handsome profit.

Knowledge of the Future Is Power for the Present

CONCERNING BUSINESS AFFAIRS.

He gives dates, facts and figures, reliable and important advice and information on all matters of interest in business transactions, lawsuits, contested wills, life insurance, damage suits, divorces, deeds, mortgages, claims, collections, speculations, adventures, stocks, and all financial difficulties. Truly predicts the success or failure of new inventions, patents, pending pension claims, etc.; tells whether wou will receive fair dealings with partners. If you care to know what business you shall follow to be successful, where you shall go and whom to avoid; if you intend to make any changes or to start a business, buy or sell property, or in fact, take any important step, don't fail to consult Prof. Sheldon. HIS ADVICE MAY BE THE MEANS OF SAVING YOU THOUSANDS OF DOLLARS AND A GREAT DEAL OF TROUBLE. By consulting him you will learn how to preserve health, retain youth and restore lost vitality.

"TRUTHFUL IN HIS PREDICTIONS. RELIABLE IN HIS ADVICE."

No matter what troubles you may have with yourself or others, come and he will guide you. He advises you with certainty by a higher than human power.

HE IS RECOGNIZED BY THE PRESS

And scientists generally as the foremost medium in this country. His past record and strictly honorable dealings are sufficient guarantee for his future work, and have won him the good will of the press and people.

HONEST, FEARLESS AND CAPABLE.

He is the foremost medium of the day. He fully understands the responsible position he is placed in by the remarkable gift he is endowed with, and he will try his best to help those who need help, and advise those who need advice, and do all in his power to show all honest toilers plainly and in forcible language how to gain happiness and prosperity.

HIS REVELATIONS ARE MOST WONDERFUL.

And acknowledged to be of the highest order, not made to satisfy idle curiosity, but intended to give those who seek the truth a permanent benefit. He does not cater to the superstitious or the ignorant, credulous people. If you are in doubt that he can and will perform all he claims, feel yourself invited to call, and he will give you a more substantial proof of his marvelous power than you have before received from mortal.

YOUR WISH AND OBJECT IN LIFE CAN BE ATTAINED.

A SECRET YOU SHOULD KNOW.

THE POWER OF CONTROL

LOVE OR COURTSHIP.

If affairs of the heart or emotions of love interest you, he gives the exact and truthful revelations of all love affairs, settles lovers' quarrels, enables you to win the esteem and affection of anyone you desire, causes speedy and happy marriages, tells if the one you love is true; also date of marriage; restores lost affections, peace and confidence to lovers and discordant families; gives you the full secret how to control, fascinate and charm the one you love; also those you meet, and how to make a person at a distance think of you.

ONLY TO KNOW IS THE GREAT DESIRE. PSYCHIC POWER GIVES THAT KNOWLEDGE

LOW FEE.

50 Cents to $1.00 All This Week

P. S.—NO PERSON WILL BE ENTITLED TO MORE THAN ONE READING AT THIS REDUCED FEE OF $1.00.

A WORD TO THE WISE.

You pay too much for advice when you pay too little for it. Any advice you may receive that is unable to serve your purpose costs too much—even if it costs nothing at all. There is no sense in buying, or being given, something that is of no use to you. A broken-down horse won't take you very far, and it is only waste of time and money to visit a partially developed clairvoyant or so-called fortune teller, even though they are cheap or free.

READINGS BY MAIL.

To out-of-town people ONLY. Send date of birth. Ask six questions. Enclose $1.00.

NOTE.—Weak and partially developed mediums will find it to their advantage to take development with Professor Sheldon. He can complete your development, lending you the strength necessary. Failure unknown to him.

The world's greatest clairvoyant and dead trance medium.

The future can be told. A true clairvoyant is born, not made.

The marvelous tests he performs prove the magnitude of his strange and wonderful powers.

Strangely fascinating are the words that come from the cultivated lips of this most interesting man, whose journey of life has already taken him through all the renowned psychic schools of Egypt, India and Europe. It seems, indeed, as if Henry's knowledge must come from that mysterious world which we would all know, yet, longing, cannot know.

He looks as far away into the dim mysterious future—the great beyond—across the dark chasm which separates the human body from the flitting soul—and that which is to be is told.

The separated are brought together, foes are made friends, lost property is recovered, the mist is brushed away from business ventures, the hand is so guided that failures are averted, the earth's surface is explored, its treasures laid bare to his mysteriously perceptive mind, and while he gives names, dates, facts and figures his visitors sit dumfounded at the revelations he makes to them.

If you are in any kind of trouble call and see this wonderful man and he guarantees to help you.

Do not delay but call today.

Gentlemen: As a result of the advertisement we inserted in a recent issue of The Journal we got returns that fairly astonished us. Through it we sold large quantities of our cheap coal, besides enough of our famous Rock Springs coal, to convince us that The Journal is unexcelled as a medium in reaching the people of Portland. Our advertisement in The Journal has been instrumental in increasing our business to a great extent, and we appreciate the foremost standing of your valuable paper.

LIBRARY BRIDE GETS CARNEGIE'S $100,000

Atlanta Woman Will Receive $6,000 Interest Annually on Steel Trust Bonds.

Atlanta, Ga., March 7.—As a wedding gift for Miss Anne Wallace, the librarian of the Carnegie library of Atlanta, who was married to Max Franklyn Howland of Boston, Andrew Carnegie has deposited $100,000 of Steel trust funds in the Home Trust company of Hoboken, and ordered that every year the interest on this sum, $6,000, be sent to Mrs. Howland.

A few months ago, when he heard of Miss Wallace's engagement, Mr. Carnegie wrote her a cordial letter of congratulations. It read pretty much as if it had been written to Andy's own daughter, and at the end, expressed in brusque Scotch fashion, was the statement that later he would send some little wedding remembrance.

Monday morning the news as to just what the "little remembrance" was leaked out. Miss Wallace will not remain with the library after her wedding.
