THE BEST of GOOD NEWS for THEM**

THE JOURNAL

WILL APPRECIATE YOUR INSPECTION OF ITS

Spring Fashion Number

WHICH WILL BE ISSUED ON

Sunday, March 22

You will find that it contains photographs and other illustrations of the latest styles in Paris and America. The Woman's Section of the paper of this date has been enlarged TEN pages to present this material in most attractive form.

You will get from this number a view of the

Latest FASHIONS FAR in ADVANCE of Their Publication

In monthly periodicals, which must wait for weeks to come before giving them

This issue will contain the very latest authoritative illustrations of woman's fashions of both Paris and America. These will include two pages of line drawings, by Jeannette Hope, of the last Paris gowns and suits adapted to American tastes and demands; half-tones from Manuel's exclusive photographs of the best new gowns from Redfern, Drecol, Ney Sisters and other great Parisian creators; new suits from the Parisian leaders in that line; Paris blouses, the very newest and prettiest designs; Paris neckwear; American suits and gowns from the foremost native designers; Paris hats from Lewis, Virot, Georgette, Suzanne Talbot, Marescot Soeurs and others. The hats make up the back color page
