GALAXY OF STARS AT INDOOR GAMES

New York Club Will Attract Greatest Athletes in America Tonight.

By Manhattan.

New York, March 10.—There will be a great gathering of the college athletes at Madison Square Garden tonight when the annual indoor athletic carnival of the New York Athletic club will be held.

The entire Yale team of athletes, under the charge of W. Dray, the champion pole vaulter, will lead the college entries; Cornell will be represented by 10 men, including Cook, the broad jumper and pole vaulter; Pennsylvania will have a big list of entrants with Guy Haskins, the intercollegiate half-mile and mile champion, as the feature; Dartmouth's colors will be carried by four contestants, among them being broad jumper Sherman and hurdler Shaw; Princeton and other colleges will be represented.

J. B. Taylor, the Pennsylvania crack who did not compete two weeks ago Taylor agreed to meet H. L. Hillman in a special 600-yard run, but his recent injury will prevent his appearance in indoor games again this season. The club has invited H. P. Ramey, the Chicago Athletic club crack to take Taylor's place. The meeting between Ramey and Hillman will attract almost as much interest and attention as though Taylor raced against the New York Athletic club middle-distance flyer.

What promises to be the greatest hurdle race ever held indoors will bring together Forrest Smithson of the Multnomah Athletic club, A. B. Shaw, Dartmouth college, and R. C. Leavitt, of Williams.

The special intercity club relay team will bring together the best relay runners in the Boston Athletic association and the New York Athletic club. Another relay race that will furnish an exciting contest will be held between the old college rivals, Columbia and Amherst.

Although Garris of Michigan, will not be a contestant, the Ann Arbor institution will be represented by H. L. Coe, who is entered in the 1,000-yard special race. The other contestants in this event will be Guy Haskins, the Pennsylvania and intercollegiate champion; Melvin B. Shepard, Irish-American Athletic club; White and Herker, New York Athletic club. These five men are well matched.

PORTLAND RUNNERS IN CROSS COUNTRY

Y. M. C. A. Invites Local Clubs and Schools to Enter Long Race.

Every athletic club and school team in Portland has been invited by the Y. M. C. A. to enter a cross country run to be held March 28, and nearly all of them have signified an intention of entering.

The course has been laid through Macleay park and the runners will be asked to cover seven miles. The start and finish will be at the Y. M. C. A. hall on Fourth and Yamhill streets.

In all probability there will be in the neighborhood of 40 entries, which should make the finish keen and exciting. Handsome gold medals will be given the winner with silver and bronze medals for the runners who finish second and third.

DALLAS-M. A. A. C. GAME FOR MARCH 18

Two Crack Basketball Teams Will Settle State Championship Question.

Dallas college and Multnomah club will decide the state championship in basketball one week from tomorrow night in the "Winged M" gymnasium.

It was intended to have the game played next Saturday night, but mumps prevented. Mumps prevail in Dallas college now and Fenton and Shaw, two of the best men, are out on account of the malady.

Multnomah has won all but two games this season, losing one to Y. M. C. A. and one to the Alaskan team. Dallas has lost but one game, that to the Muscatine team of Iowa, and in addition walloped the Alaskans to a brown turn. The two teams are thought to be very evenly matched, and the game should be a close and exciting one.

Dallas has a series of three games scheduled with the crack team of Snohomish, Washington, and the two sides will play for the Pacific coast championship immediately following the Multnomah game. This will close the season for the speedy aggregation from Dallas.

SENIORS PULE HARDER THAN THE SOPHOMORES

(Special Dispatch to The Journal.)

University of Oregon, Eugene, March 10.—The senior tug-of-war team defeated the sophomore team yesterday afternoon in a contest to decide the championship of the university. This contest should have occurred Friday evening during the meet, but as both teams were tired out and the time was limited it was postponed until yesterday afternoon. As victors the seniors will enjoy an oyster supper at the expense of Otto's confectionery. These contests are becoming very popular at the university and Trainer Hayward is in hopes they will develop greater endurance in the members of the teams.

MAC MAY LEAVE SANTA BARBARA

Portland Manager Does Not Like Treatment Accorded by Southern Manager.

(Special Dispatch to The Journal.)

Santa Barbara, March 10.—Manager McCredie of the Portland ball team of the coast league has threatened to leave Santa Barbara for Salinas unless Manager Chaves of the Santa Barbara team grants the Beaver all that he agreed to when the northwesterners agreed to come here. Chaves has not lived up to his agreement, Mac maintains.

Mac says that he came here on condition that Portland be given free use of the grounds for training and practice, a guarantee of Sunday games during the training season, 70 and 30 per cent division of the gate receipts of the Portland-Salinas games, and an optional division of the proceeds of the Portland-Chicago games.

Mac says Chaves demands half the proceeds of the Sunday games, five per cent of Mac's 30 per cent cut in the White Sox games and refuses to arrange for Sunday games.

Local business men will call on Chaves today to see if some arrangement can not be made to keep the Beaver sound in training here. The impatient people here believe the town's reputation will be damaged if the Portlanders are allowed to leave for Salinas. Salinas writes that Chaves is here and made a hard effort to get them.

PORTLAND MEN MEET THE SOX TOMORROW

(Special Dispatch to The Journal.)

Santa Barbara, March 10.—Sixteen of the 25 players signed by Manager McCredie of the Beavers have arrived here. Groom and Lakoff, the Detroit pitcher, and Conroy, the Tri-State shortstop, reached town yesterday. All the men are rapidly rounding into the finest shape.

Portland meets the Chicago White Sox team No. 2 tomorrow and Thursday. Portland's battery against Chicago in the first game will be Bloomfield and Groom and Marshall and Walsh.

The Beavers beat the Santa Barbara high school yesterday afternoon by a score of 12 to 1.

SPOKANE'S COACH WAS ACTIVE EVERYWHERE

Relative to the recent tour of the Spokane High school basketball team and the criticism made against its coach and referee, a Spokane paper says:

"The Spokane High school basketball team has made a splendid record on the coast. Prior to its game with the Washington High school team of Seattle last night it had played and won 11 straight games, without meeting a single defeat. In the 11 games it had scored 557 points to 170 for its opponents, an average score of 42 to 16 per game.

"A single creditable feature has marred their trip of brilliant victories to the sound. The work of Referee Jewell, who coaches the team and is a member of the Spokane High school faculty, has been severely criticized at every city. Where there is smoke there must be fire, and Jewell's activity in calling fouls on the home team while overlooking those of Spokane probably merits a considerable part of the criticism that has been showered upon him.

"In all probability the referee, who Jewell has been so active along this line. It tends the impression abroad that the Spokane men are successful largely in the efficiency of the referee, which critics here who have seen the team play know is not true."

VANCOUVER PLEASED WITH HELSER'S WORK

(Special Dispatch to The Journal.)

Vancouver, Wash., March 10.—Vancouver fans are greatly delighted with the success which has attended Manager Helser's efforts to bring the team to the coast. All the contracts have been returned signed and those few who have not signed will be lined up in the next week or two.

Manager Helser has promised the fans a seasoned player for the infield. Just who this man is Helser will not announce, but he says that he has had Class A experience and that he is a star.

The locals will practice at the coast track in Portland Sunday but by March 22 hope to be able to work out at the home ground. Work on the park is progressing rapidly and it should be finished by March 22.

YAMHILL TO BOOST WALNUT RESOURCES

(Special Dispatch to The Journal.)

McMinnville, Or., March 10.—The Yamhill County Walnut club held an interesting meeting here Saturday night, at which a large number of the present fifty pistachio nut trees were distributed among the members. These trees are given to the club by the United States experiment station.

The success of the club walnut here has induced the government to encourage the nut industry in Yamhill county for prospective immigrants.

A committee, consisting of W. H. Latourrette, E. C. Apperson and William Walker, was appointed for the purpose of collecting material and photographs for a folder setting forth the advantages of the walnut industry in Yamhill county for prospective immigrants.

J. C. Cooper, D. J. Asbury and O. O. Hoover were appointed a committee to encourage the nut industry in the Portland Rose Fiesta in June. Some beautiful and elaborate designs have been prepared.

No Use to Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White of Rushboro, Pennsylvania. "I would not be alive today, only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless. This is a reliable remedy for coughs and colds, laryngitis, asthma, bronchitis and hoarseness. I can give you a guarantee as to my company's stock, 50c and \$1.00 bottles free."

FIELD TRIALS FOR SPORTSMEN

Local Sporting Dog Owners Will Meet Friday to Organize Club.

Portland sporting dog fanciers will meet Friday night in room 408 of the Abington building for the purpose of organizing the Oregon Field Trials club.

For several weeks the proposition has been talked among the local owners by Dr. J. M. Meyer, Will Lipman, Charles Campion and E. A. Pearson and that the club will be a success seems assured.

The object of the organization is to increase interest in fine sporting dogs in Oregon and this will be done through field trials to be held in September at some place near Albany.

The prospective members of the club will meet in person to be divided between a derby and all age stake. It is believed these two rich events will attract dogs from California, Washington and British Columbia.

TEN THOUSAND TROUT FOR UMATILLA RIVER

(Special Dispatch to The Journal.)

Pendleton, Or., March 10.—Deputy Game and Fish Warden O. F. Turner has just received notice from Congressman W. R. Ellis that the 10,000 rainbow trout asked for by the Umatilla county sportsmen for the Umatilla river have been ordered from the government hatchery at Oregon City and will be sent here as soon as the season is far enough advanced to permit shipping.

The young fish will be released in the Umatilla river at Bingham Springs station, the junction of the Umatilla river and Meacham creek, so that they may go up both streams. An excellent fishing season is anticipated in all the Umatilla river sections this spring owing to the extremely mild winter.

JOE ACTON LOST TITLE SIXTEEN YEARS AGO

Sixteen years ago today Joe Acton, wrestling instructor at Multnomah club and long time teacher on Madison street bridge, was defeated by Dan McLeod in a match at San Francisco for the interweight championship of the world and a side bet of \$2,000. McLeod won two straight falls.

Acton quit the wrestling game after that and for the last several years has been the instructor at the club. Here he has gained many friends and has brought out a number of prominent wrestlers, of whom Edgar Frank is the best known. Acton for years held the title of champion of two continents, Europe and America.
