How can I control any one?
How can I make my husband, wife or sweetheart be kind and true to me?
The name Sheldon a double guarantee.
During the last year I have brought around through this wonderful power of around through this wonderful power of personal control 648 marriages, 143 separations, without any after trouble, came by mutual consent of opposing party; located 15 buried treasures, located 33 wills and deeds, reunited 119 separated, brought financial success to 821 unfucky persons. There are many other cases of such a private nature I do not feel like classifying. In fact, it suffices to only say there is no heart so sad, or wish too great that your hopes cannot be speedily realized by the force of this wonderful power, and everything is in strict confidence, no name ever revealed. Success guaranteed or no charge for services. or no charge for services. PROF. SHELDON,
