WINDJAMMERS IN FROM WEST COAST

Ship Verberna Falls in Company With Strange Craft in Storm.

NEREUS ESCAPES FROM VALPARAISO

Chilean Port Unable to Handle Cargoes and Vessels Are Forced to Remain in Port for Months Serving as Floating Warehouses.

When battling with a raging storm one night about 10 days ago, the British ship Verberna fell in company with a strange craft about 60 miles off the Columbia river and 20 miles to the northward.

At times she would come quite near the windjammer and then again shoot off to windward or leeward as if in search of something.

The Verberna arrived in the harbor yesterday afternoon in company with the German bark Nereus and in low of the steamer Oklaianan.

I WANT YOU TO READ THIS IF YOU ARE A WEAK MAN

Even If Others Have Failed to Cure You

Do you feel that your manly strength is slipping away? Are you weak, nervous, fretful and gloomy? Unable to concentrate your thoughts? Poor memory, easily fatigued, specks before the eyes, aversion to society, lack of ambition, will power depleted, dizziness, vital losses, poor circulation, feel cold, listless and worn out, prone to fall in many cases through abuses, excesses, overwork, etc. If so, then I warn you. Do not delay longer.

The methods I devised twenty years ago for treating men's diseases proved a radical step in medical science. Those methods have enabled me to cure diseases that were formerly regarded as incurable. In working out my methods, I held the theory that "WEAKNESS" for instance, was not a constitutional or functional ailment, but a practical condition that was the result of a local inflammation of the prostate gland. I have therefore placed the cure in a local treatment which could affect a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.

My treatment for other diseases peculiar to men are also along original lines, and are equally successful. Hence, I reiterate that no man needs WEAKNESS, and therefore, need not do to many vigor and all the pleasures that belong to perfect health. Any man may avail himself of my services. It has been and is my life's work to aid afflicted men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the cure in a local treatment which could affect a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.
