CLAIRVOYANTS AND PALMISTS CLAIRVOYANTS AND PALMISTS

PROF. SHELDON

THE WORLD'S GREATEST LIFE READER

51.1

By every conceivable conveyance do they come to see the wonderful demon-strations of the great Sheldon. Why not? As he sits before you at the table he calls you by your full name and reads every incident in your life. Hundreds have availed themselves of Professor Sheldon's offer during the past week

past week. For the benefit of those who wish to be helped (this also includes curiosity-seekers and skeptics) he will for the next 7 days make his celebrated 18.00 reading for

50 Cents and \$1.00

He guarantees to tell your name, the object of your call and exactly what you want to know, or he will make NO CHARGE, NO CHARGE, NO CHARGE

Never before in the history of occult science has a man of Prof. Sheldon's professional standing consented to place his services at the disposal of the pub-lle for such a nominal consideration. Realizing that this city has been overrun with pretenders, and that many of its citizens are anxious to visit a genuina riarvoyant, Prof. Sheldon has decided to place his consultation fee within reach of all

Business chances, journeys, speculation, social and domestic conditions, fall-ures, successes, ill-health, evil influences, love, marriage, divorce, lawsuits and all human affairs advised upon with unerring accuracy. The wise use every means to compass victory; thousands have been helped. If you are in trouble of any kind, unhappy, not satisfied in life, have domestic, love or business troubles, you will be told how to overcome them all.

"O YE OF LITTLE FAITH." This too materialistic generation, steeped in luxury and blase from a surfeit of pleasures, is blind to the greatest opportunities through unbelief in the higher sources of knowledge and spiritual guidance, such as have in past ages shaped the destinies of the greatest individuals and nations.

Human life is made up of a multiplicity of interests, and ever and anon there comes a time in every mortal when in bitterness of spirit they have cried: "WOULD THAT I HAD WARNING ERE THIS CAME TO PASS." THERE ARE NONE SPARED THESE TRIALS of patience, though some, by a greater mental endowment and higher gifts, avoid for a time the pitfalls into which those less favored fail

In the person of Prof. Sheldon remarkable and extraordinary gifts were eas-

These wonderful and inscrutable institutions brought into subjective control

ing the power conferred upon him, his aim has been to refine, develop and uplift to that degree of scientific accuracy that its benefits may devolve to his fellow-

are now at the service of the humble or the great, without distinction or reserva-tion. The marvelous tests he performs prove the magnitude of his strange and

wonderful powers. He stands at the head of his profession and does not wish to be measured by any other standard than his own. He brings personal indorsements from great people from nearly all divilized parts of the earth. His experience and knowledge of life is broad, deep and profound, and when united with his most marvelous powers of mediumship it makes of him all that he claims to be, "THE PEER OF ALL MEDIUMS and LIFE READERS."

STUPENDOUS REVELATIONS ACCOMPLISHED ONLY BY THE GENUINE OCCULT SCIENTIST. Many seek the advice of their confidential friends, follow their advice and reap unfortunate losses. In ancient days rulers of kingdoms dispatched for their advisers, their prophets, to know the work before them, to guide them in their movements, whether to prepare for war or to make peace. Has this power van-ished from humanity? No. It still exists as in ancient times, but possessed by few

ARE WE NOT IN A WORLD OF ADVANCEMENT?

Has not every other mental science advanced also, and why not this gift, which the One above bestows upon him whom He desires? There are many so-called clairvoyants, mediums, psychologists, etc., but there must be some real. Nothing real, nothing to defraud.

REWARE OF THE PARTIALLY DEVELOPED PSYCHIC

REWARE OF THE PARTIALLY DEVELOPED PSTCHIC If you are unable to know the pretender from the fully developed medium, you should learn that secret from Prof. Sheldon at once. It is a waste of both time and money to counsel with the pretender or partially developed medium; their advice will misguide you, and you often depend upon them to assist you in time of trouble, only to find your condition becomes more complicated in-

stead of better. Always consult the fully developed medium. The time is not in the far future when partially developed mediums will be driven from all cities, and none but the fittest remain.

SPECIAL NOTICE

CONCERNING BUSINESS AFFAIRS. He gives dates, facts and figures, reliable and important advice and infor-mation on all matters of interest in business transactions, lawsuits, contested wills, life insurance, damage suits, divorces, deeds, mortgages, claims, collec-tions, speculations, adventures, stocks, and all financial difficulties. Truly pre-dicts the success or failure of new inventions, patents, pending pension claims, etc.; tells whether wou will receive fair dealings with partners. If you care to know what business you shall follow to be successful, where you shall go and whom to avoid; if you intend to make any charges or to start a business, buy or sell property, or in fact, take any important step, don't fail to consult Prof.

sell property, or in fact, take any important step, don't fail to consult Prof. Sheldon. HIS ADVICE MAY BE THE MEANS OF SAVING YOU THOUSANDS OF DOLLARS AND A GREAT DEAL OF TROUBLE. By consulting him you

"TRUTHFUL IN HIS PREDICTIONS. RELIABLE IN HIS ADVICE." No matter what troubles you may have with yourself or others, come and he will guide you. He advises you with certainty by a higher than human power.

HE IS RECOGNIZED BY THE PRESS

And scientists generally as the foremost medium in this country. His past record and strictly honorable dealings are sufficient guarantee for his future work; and have won him the good will of the press and people.

HONEST, FEARLESS AND CAPABLE. He is the foremost medium of the day. He fully understands the re-sponsible position he is placed in by the remarkable gift he is endowed with, and he will try his best to help those who need help, and advise those who need advice, and do all in his power to show all honest tollers plainly and in forcible language how to gain happiness and prosperity.

HIS REVELATIONS ARE MOST WONDERFUL

And acknowledged to be of the highest order, not made to satisfy idle curiosity, but intended to give those who seek the truth a permanent benefit. He does not cater to the superstitious or the ignorant, credulous people. If you are in doubt that he can and will perform all he claims, feel yourself invited to call, and he will give you a more substantial proof of his marvelous power than you have before received from mortal.

YOUR WISH AND OBJECT IN LIFE CAN BE ATTAINED.

LOVE OR COURTSHIP

If affairs of the heart or emotions of love interest you, he gives the exact and truthful revelations of all love affairs, settles lovers' quarrels, enables you to win the esteem and affection of anyone you desire, causes speedy and happy marriages, tells if the one you love is true; also date of marriage; restores lost affections, peace and confidence to lovers and discordant families; gives you the full secret how to control, fascinate and charm the one you love; also those you meet, and how to make a person at a distance think of you.

ONLY TO KNOW IS THE GREAT DESIRE. PSYCHIC POWER GIVES

LOW FEE.

50 Cents to \$1.00 All This Week

A WORD TO THE WISE. You pay too much for advice when you pay too little for it. Any advice you may receive that is unable to serve your purpose costs too much-even if it costs nothing at all. There is no sense in buying, or being given, some thing that is of no use to you. A broken-down horse won't take you very far, and it is only waste of time and money to visit a partially developed clairvoyant or so-called fortune teller, even though they are cheap or free.

NOTE.-Weak and partially developed mediums will find it to their advantage to take development with Professor Sheldon. He can complete your develop-ment, lending you the strength necessary. Failure unknown to him.

Ladies and gentlemen can visit Prof. Sheldon without fear of having their confidence betrayed. He has thousands of written testimonials from leading cit-izens of the United States, but he never publishes a name of any of his parrons. as he considers his business a sacred trust. If you doubt his ability, call and he will give you positive evidence in your own case. Unlike the fortune-teller and pretender, he asks no fee in advance, and absolutely refuses to accept any remuneration for his readings if perfect satisfaction is not given. He is ever ready to help those with capital to find a safe and good-paying investment; this he can do, and asks no fee until the investment pays handsome profile
