## STANFORD MEETS OLYMPIC TEAM

### Cardinal Athletes Will Line Up Against Stars of Club Tomorrow.

(Special Dispatch to The Journal.)  
Stanford University, Cal., March 13.—The athletic season here is in full swing and from now until the closing of college, May 15, Stanford will be the scene of numerous contests. Beginning tomorrow, the first track contest with an outside team will be held, when Stanford meets the Olympic club in the afternoon. The ball team will play two games a week from now until the end of the season.

The following made by the varsity track squad in the south when it defeated the University of Southern California last Saturday has been gratifying to Captain Landman, though the absence of any severe competition did not force the men to their best efforts. This fact is largely responsible for the slow time made against the southerners, the men having practically everything their own way. In several events the Cardinal runners were so far ahead that they deliberately slowed up and trotted over the line hand in hand. The athletes from the University of Southern California will hold their return meet with Stanford, March 21, and unless they show improvement, Coach Holmes' men can be defeated even more decisively.

The list of eligibles for the freshman track meet with California on March 28 has been revised by Dr. Angell of the faculty athletic committee and was submitted to the California committee for their approval yesterday. The list contains 52 names. G. Riever of Spokane and A. H. Garner of Astoria are the northern men named.

Captain Fenton announced special training rules for the baseball team last Monday. The interclass tournament is ended and hereafter the entire field will be at the disposal of the first squad. The senior class is the victor of the season, winning the final game from the sophomores last Monday after a slaughter in the sixth inning that brought in five runs. The final score was 7 to 1. Kostrer of Portland played this year for the seniors and Ganong, another Portlander, was in the field for the losing team.

The first preliminary tryout for the intercollegiate singles tennis team was completed yesterday. A. J. Gowen beat H. Mann in the final round with 4-6, 6-2 and 6-3.

## ENGLISH AND AMERICAN CHESS PLAYERS BEGIN

(United Press Leased Wire.)  
New York, March 13.—The usual lively interest was manifested by chess players today in the opening of the international match by cable, America vs. Great Britain, for the Sir George Newnes trophy. The American end of the match is conducted by the Brooklyn Chess club, while nearly 3,500 miles distant the British end of the contest is in charge of the City of London Chess club. The match is conducted on eight boards and the quarters of the two chess organizations are connected by cable and telegraph. If the match is unfinished tonight, the play will be resumed tomorrow morning and continued until 10 p. m., when any uncompleted games will be adjudicated by the judges agreed upon for the purpose.

The international cable chess matches for the Newnes trophy began in 1888 and, with the exception of one break, have been held annually since that time. The original prize was a challenge cup valued at \$50, presented by Sir George Newnes, president of the Chess Club of Great Britain. The Brooklyn Chess club captured the trophy by a three-boards straight. The trophy remained in possession of the Brooklyn Club for eight years, until it was recovered by the City of London Chess club when the contests were revived last year. The only condition attached to the contests is that the players shall be natives of the country they represent.

## OUTLOOK FOR CRESCENT CITY DERBY.

(United Press Leased Wire.)  
New Orleans, La., March 13.—Much interest was manifested in the annual renewal of the Crescent City Derby, which is to be run at the fair grounds tomorrow under conditions perhaps as favorable for a successful race as ever before in the history of the famous turf classic. While the list of entries is not quite up to the early expectations, the material is of a quality calculated to give promise of a close and interesting contest. The big event of tomorrow, to be followed by the race at the City Park Derby, will mark the culmination of the racing season in this vicinity.

## FOR 105-POUND CHAMPIONSHIP.

(United Press Leased Wire.)  
Los Angeles, March 13.—Before Tom McCarey's club tonight Johnny Coulton of Chicago will defend his title to 105-pound championship against young Terry McGovern. Both of the little fighters are said to be in fine fettle and a fast and interesting contest is expected.

## AMERICAN HEAVYWEIGHT DOES MORE PRESS AGENT STUNTS BEFORE ROCHE FIGHT.

(United Press Leased Wire.)  
London, March 13.—Tommy Burns, the American heavyweight who is training at Hempstead for his fight with the Irish champion, Jim Roche, in Dublin, has met with an accident which has somewhat interfered with his preparatory work.

While writing at a typewriter in his training quarters today, Burns stooped to pick up a paper from the floor and in so doing, struck his cheek against the table. Inflammation of the bruised spot and of the eye followed, necessitating blistering of the cheek, which is now quite raw.

Burns declares, however, that he will meet Roche, notwithstanding the injury.

## STAYS IN PATH OF VOLCANO.

Big, jolly Barney Joy, the Kanaka pitcher from Honolulu, who twirled a spell in the Coast league last summer, seems fated to court the rumblings of Mauna Loa this season. Barney was sold by Danny Long of San Francisco to Boston, but as he only wanted transportation to and from Hawaii and \$150 a month for the year's work the Beaneaters decided they didn't want him. Neither does Long.

## SWANN WILL HELP "AGGY" TRACK TEAM

(Special Dispatch to The Journal.)  
Corvallis, Or., March 13.—Claude V. Swann, since his return from a tour of the east with his Alaska Brotherhood basketball team from Nome, has registered at O. A. C. and will participate in the track events this season. He, as is well known, is the champion pole vaulter at the O. A. C. and also doing a clever turn at the hurdles.

The prospects for a winning team there are very good, thus far. Louie Berry, the Salem man, whose record is known throughout the state, is practicing in the hurdles, weights and high jump and is considered a valuable acquisition to the track squad. Jamison, the football man, is making good in the weights, while Earnsworth, from Utah, is showing much skill with the pole and will probably make good on the team. McLaughlin, who won for the freshmen in the cross country run, stands a good chance of winning a position.

Noticeable among the old men who turn out for practice are Hall and Wolfe at the weights, Schroeder in the sprints, Davolt, Winniford, Cross and Crow in the long distance runs, Greenhaw and Howard in the half and quarter mile turns, Swann, Brodie and Sutherland at the hurdles, and Hooper, Swann and Chapman in the pole vault, high and broad jump.

It is expected to have the team in prime condition for the Columbia meet in April.

## HE FORSAKES DIAMOND TO RAISE YELLOW LEGS

(United Press Leased Wire.)  
Pittsburg, Pa., March 13.—Hank Wagner, the great shortstop of the Pittsburg National baseball club, has forsaken the diamond in favor of chicken raising.

"You can make your bets that I won't be in uniform when the season opens," said Wagner today. "Also you may be sure that I will not play baseball at all this year. I'm a full-fledged chicken farmer now."

Differences with the club management in regard to salary arrangements is said to have influenced Wagner in his decision to quit the game.

1886—At New York, 14-inch ballkine billiard match between Jacob Schaefer and Maurice Vignaux ended with Schaefer the winner by score of 3,000 to 1,850.

## BEAVER BUNCH IS FULL OF PEPPER

### Portland Fans May Be Proud of Youngsters at Santa Barbara.

(Special Correspondence.)  
Santa Barbara, Cal., March 13.—Portland can well be proud of the team which Manager McCredie has selected to represent her in the coming championship race. From performances it looks as though she will have the best team of her baseball career. The catching department looms up strong, the young pitchers are speedy and confident, the infield is fast and accurate and the outfield looks to be fully as good as any other in the league.

McCredie's biggest finds appear to be in Walsh and Cooney. Walsh, although a little man, has the finest throw to second seen in Santa Barbara in a long time. He is fast on his feet and in the games with the White Sox and the local team has been hitting the ball on the nose, and not only hitting often, but timely. He is sure of a place on the team and will give Madden the fight of his life for the big job.

Cooney is a fast, clean-cut fielder and it looks as if he would step into the shoes of Bill Sweeney, whose place proved a hard one for the big manager to fill last year. His record seems to be having the least bit of trouble with the leg he broke last year and is as frisky and fast as any man in the squad. He is a fine whip and can cut a deep and cover much more ground than the man with the weaker arm.

Danzig got in yesterday morning and played in the game against the White Sox, but as this was his first day out and he had just finished a long and tiresome journey across the continent from New England, little could be judged from his playing.

**Pitchers Impress Mac.**  
Marshall and Bloomfield have made a deep impression on Manager McCredie by their work in the two games with the White Sox, and if their good work only continues they are sure of places on the staff. McCredie has been using the youngsters almost all the time and is saving Groom, whose ability he knows. Groom, Kinella, Bloomfield and Marshall make a fine quartet for the regular staff, and it is up to the others to determine who will get the remaining place.

Oie Johnson is rapidly getting accustomed to playing the third base and should Ryan fall to come up to expectations, the opening of the season will undoubtedly find the big Swede holding down the difficult corner. His hitting has been a source of terror to all of the White Sox pitchers and he has treated them alike in the matter of securing bingles. Last year he was known as the "terrible Swede" in Charleston because of the many home runs he negotiated and the fans are expecting the cognomen to follow him to this coast.

The squad now consists of 17 players—Danzig, Kennedy, Casey, Cooney, Johnson, Hasey, Malloy, McCredie, Walsh, West, Harmon, Groom, Bloomfield, Pernol, Marshall and Whaling.

It is expected that the team after the bathing here and every morning leads the team to the surf where an hour is usually spent before they finally break away and go to breakfast.

**CHARMAN CAPTAINS "U" BASKETBALL TEAM**  
(Special Dispatch to The Journal.)  
University of Oregon, Eugene, March 13.—"Doc" Charman was elected captain of the varsity basketball team for next year at a meeting of the team last night. Charman has played guard on the team for the past two years and as this is only his sophomore year he will have two more seasons. He is registered in the civil engineering department and is very popular among the students. His home is Chico, California, but he was formerly a resident of Oregon City. He was one of the star players this year and puts his whole spirit into the game.

craft of many descriptions are putting in an appearance here in readiness for the fourth annual motor-boat races and carnival given tomorrow night under the auspices of the Palm Beach Power Boat association. From present indications the event will eclipse all of its predecessors. The fact that among the entries for the speed contests are the European champion, Dixie, owned by former Commodore Schroeder of the Motor Club of America; the Den, owned by J. H. Hoadley, the present commodore of the Motor Club of America, and the Irene of Philadelphia, is sufficient guarantee that the speed contests will have the greatest boats of the age in contention.

## WITH THE COASTERS

It remained for the Beavers to score the first Chicago game of the training season against the Chicago White Sox. That 8 to 0 score Manager Mac's men rolled up against the Comiskey bunch looks mighty good here in Portland. Guess Mac's enterprise in beating it for the south early has not counted.

The Seals close with the Chicago regulars this coming Sunday and will leave for Bakersfield March 15. Long's men will then go through some mighty hard work to get into shape for the opening games with the Beavers in Frisco April 4. Danny has been much perturbed of late over the showing of the northeners.

Two Kanaka hearts must be breaking in Honolulu today and two chances to become famous in the states have gone glimmering. Barney Joy, who pitched for the Seals last season and was subsequently sold to Boston, will not get a chance this year. Boston doesn't want the jolly tosser and no other club seems to care for him. Dick Reuter will also stay in the shadow of the sugar cane. Transportation was not forwarded him by the Seal manager because he had heard Reuter wasn't satisfied with the salary offered him.

Dutch Altman, the crack Spokane infielder, is getting space in the sport columns these days. William Brunswick Devereaux, manager of the Sand Crabs, states positively that Dutch will wear an outlay uniform, while the Commodore are announcing just as positively that the northwesterner will be with Oakland.

Jimmy Byrnes, who finished the season with the Beavers last fall, is said to have submitted his terms to Sacramento of the California state league. This means that Jimmy and Walter could not get together and that Portland will have another chance to see the clever little backstop in action.

When Brick Devereaux—he was "Brick" then—yelled out to the little crowd of fans shivering in the grandstand after rain had stopped the last game played here last year that he'd "see you again next season," he probably had little idea that his prophecy would not come true. There can be many slips in an off-season.

Happy Hogan hit like a fiend against the White Sox in one of the games the other day. He lined out three that burnt up the grass in their path. Foxy Yan was wise when he decided to send Hap to the plate regularly for the Red Dog seems to have the right eye this season.

There are to be many colors in the California state league this season. Uniforms have been selected by all the teams. Fresno's outfit will be white and red, Stockton's green and white, Santa Cruz maroon and green, San Jose white and orange, Oakland blue, San Francisco light brown, Alameda light gray and Sacramento gray.
