A Shoe Store for Men

We've advertised our shoe department pretty regularly, but most of the mention has been given to women's and children's shoes. We want the men to remember that we carry men's footwear, too—the best to be had—and at prices much lower than exclusive shoe stores ask.

We assure particular fellows a better fit and more style and leather value for their money than they will obtain in any other shoe store. We carry such makes as Edwin Clapp & Sons' shoes for men and Chas. Alden's shoes for boys.

The latest footwear novelties on display and sale. Let US sell you your next pair of shoes.

A SHOE SPECIAL—Boys' and men's shoes in small sizes. We are overstocked with these and sacrifice a large number at less than cost. It's a great opportunity for men with small feet or boys who can wear these sizes, to economize on shoes of the better grades. Regular \$4.00, \$5.00 and \$6.00 grades, widths AA, to D, sizes 5 to 8 1/2, choice..... **\$3.19**
