

A Hummer This Week

FIVE DAYS—Tuesday, Wednesday, Thursday, Friday and Saturday **FREE--GROCERIES--FREE** **FIVE DAYS—Tuesday, Wednesday, Thursday, Friday and Saturday**

GROCERIES FREE, we tell you and repeat—We will make it so plain that the most obtuse can understand what we mean—GROCERIES FREE. ONE-HALF THE PRICE YOU PAY FOR A GENTLEMAN'S SUIT, PANTS OR OVERCOAT TO ORDER, or a LADY'S SUIT TO ORDER, or a LADY'S SUIT READY TO WEAR, or a LADY'S SKIRT TO ORDER or READY TO WEAR—ONE-HALF the price you pay, we say, for any of these garments, will be delivered to you in GROCERIES FREE—And notice, you can pack all the groceries home with you.

I guess you all can understand that even the GROCERY TRUST, who have been making such frantic efforts to put us out of business, can get this through their heads and out of their mouth without misstating us. By the way, some interesting developments are under way regarding the GROCERY TRUST. Watch and see if the city council hedges—J. M. A., before long, will pen some ad stuff that won't read two ways. Here is the home builders—the frugal housewife or woman's chance—the workingman—clerk or office man's chance. SEE HOW IT WORKS. Order a gentlemen's Suit, any price, say you pay \$30.00. You get \$15.00 worth of GROCERIES FREE; or say you order a \$40.00 or \$50.00 suit, you get one-half the amount in GROCERIES FREE; order a pair of pants, \$8.00, \$10.00, \$15.00, or any price, you get ONE-HALF in GROCERIES FREE. You can afford to wear Banker's clothing.

LADIES, SEE HERE

If your men don't need anything, you order a suit made to order—made of our elegant tailor cloth—J. M. A. absolutely warrants it to never spot, rip, fade and that it will wear for from 5 to 10 years. Say you order a good, substantial suit of this kind, don't you think it's good economy? Well, you get HALF IN FREE GROCERIES. Or get one of our elegant ready-to-wear suits—skirts—and HALF IN GROCERIES FREE. You can just as well wear the 400 SET DUDS AS NOT—for we have the goods, hundreds of them—all you have to do is to take advantage of this offer. We will tell you one thing, and it

don't mean two things—during our big sale last week dozens of Ladies and Gentlemen came in who had on garments that J. M. Acheson made or sold them away back in 1902, 1903 and 1904, and a number of those people made us blush by the profusion of compliments they gave us regarding garments they had purchased of us in those way-back years. They said they were glad we were getting down to business in the good old way, etc., etc. Well, J. M. A. talked just as straight years ago to them to get their business as he does now to get yours and retain theirs.

The Prices of All Garments and Cloth for Suits Are Marked in Plain Figures—You Can Tell the Prices as Well as We Can

The offer is a splendid one for you—plain and simple—no fudging can be done—if we would permit it. When J. M. Acheson gives bargains, it means bargains with a vengeance—and can only be done by quantity—large volume selling—every one understands that. THE METHODS OF THIS HOUSE FROM THIS ON IS LARGE QUANTITY SELLING—if it works us to death, but work and activity will not kill anyone—but worry and inactivity will. And the prices on Gentlemen's Suits, or Ladies' Suits—why, look at them. Here is a bunch—we can't get them all in. We have hundreds to select from. It's honest advertising—when lot numbers and descriptions and prices are printed in here for you—you can pick them out—by so doing no double-dealing is practiced on you. We say, look at the prices. Do they look as though we had spent a lot of time trying to stultify our 15 years of good reputation at this late date boosting the prices. Don't they look like popular prices. We challenge your honest opinion as to this. HERE'S PRICES, LOOK AT THEM:

WHY WE DO THIS

TO LET YOU KNOW WE HAVE GROCERIES AND TO LET EVERYONE KNOW THAT WE HAVE FULLY OPENED THE GENTLEMEN'S TAILORING BUSINESS AND DEPARTMENT. When the Failing people began to build this big block we moved into a small shack of a store for a year or more, and we had no room or place to carry our big stock of woolens, so we sold them out in a bunch and only kept the workroom part for manufacturing. Every day we see dozens of gentlemen—our old customers on the street. It is to let them and all others immediately know that we again have the LARGEST AND MOST COMPLETE STOCK OF WOOL-ENS IN THIS CITY. J. M. Acheson never did and never will button-hole people on the street to buy goods of him. He thinks they don't like it—and it is a sure thing he don't. This is expensive advertising—the most expensive in the world, but the best in the world—OUR OLD RELIABLE MOTTO IS STILL IN FORCE—ONLY ALL-WOOL GOODS USED. "IT SHALL NOT COST YOU ONE CENT IF YOU ARE NOT SATISFIED!"

A Tremendous Stock of Ladies' Elegant Suits Ready-to-Wear **A Tremendous Stock of Woolens for Men's Suits**

That's what you will think—perhaps say—when you come in. It is double that of any concern in Portland—that means you can find what you want—we ask you to take nothing for granted. Linings, trimmings, etc., will be exhibited to you. No dissatisfaction will be tolerated. Our motto applies all over. HAVE MADE IT HANDY FOR YOU—Gentlemen's Suitings and Woolens will be displayed this week on the first floor of our main store. The cutting, fitting and making is on the fifth floor of our building—the Acheson building. Sugar and Carnation Cream are excepted from this offer
