PACIFIC "U" HAS TRACK PROSPECT

Congregational College Will Send Crack Athletes to Columbia Indoor Meet.

(Special Dispatch to The Journal.) Pacific University, Forest Grove, Or., March 17.—The prospects for a fast track team this spring are unusually bright.

All of last year's team are back in school and many of the new men are showing up in exceptionally fine form.

The men have been training faithfully in school only during this last semester, in doing fine work in the weights and in the 440-yard dash and half mile and will make a strong bid for first place in those events.

A cross-country squad has been doing efficient work all winter under the leadership of Alex Robinson, the mile man, and many promising men have been developed.

The basketball team has disbanded in order to allow the players to put all their energies on track work.

Famous racers automobiles, guided by the best drivers of America, are entered in the various events that make up the program. Among the drivers entered there are so many skillful, fearless and experienced men with cars of such power and speed that it is considered useless to attempt to pick the winners.

SEVEN RACERS START IN SIX-DAY RACE

Walstein of Chicago Comes to Enter Contest at Exposition Rink Tonight.

Seven racers started at the crack of the pistol at Exposition rink last night to pull down the honors in the second of the six-day roller skating contest to be run in Portland during the present season.

For speed and endurance the race inaugurated last night promises to eclipse the interesting contest occurring at the Oaks rink some weeks ago, due to the fact that the Exposition rink is the smaller of the two and the turns sharper, consequently forcing upon the entrants greater skill and effort in making time and keeping their feet, or rather, their skates, in the close and exciting spurts around the corners.

The seats around the floor space were well filled with enthusiastic spectators last night. The favorite racers were each given an ovation as their names were called off for entry and during the first relay to be run the roar of the race was drowned in cheers as one or the other of the contestants gained an opportunity of advantage or a lap on an opponent.

Archie Walstein, a Chicago racer who won the six-day contest in Chicago for a purse of \$1,500, will be entered in tonight's relay, and it is expected that an unusually large and enthusiastic crowd will witness his entry in the contest.

The same schedule adhered to at the Oaks will rule the contest at the Exposition building. Beginning with last night, six relays of 30 minutes each will be run, continuing the race nightly until its close next Saturday evening.

"Doc" Roller Beats Westergaard. (Special Dispatch to The Journal.) Seattle, Wash., March 17.—Dr. B. F. Roller in a vicious wrestling match here last night defeated Jess Westergaard in two straight falls, one coming in 24 minutes and 20 seconds and the other in one hour and two minutes.

ALLEN DESERTS SCHOOL LEAGUE

Lack of Athletes Causes "Preps" to Withdraw—Basketball Schedule.

Owing to the fact that Allen Preparatory school yesterday severed its connection with the Portland Interscholastic Athletic league a meeting of the schedule committee was held last night and a new baseball schedule adopted.

As one of the Allen athletes stated last night there are only 30 pupils in the school and only half of them are boys, so that they can hardly expect to secure a team from among these 40 boys capable of holding its own against teams from schools enrolling upwards of 300 pupils of the stronger sex.

The baseball team of last year was badly broken up through graduation and this year's team could hardly be expected to do very much. Baseball will not be dropped altogether, however, for an independent team will be organized and a number of games played.

The schedule adopted last night is a big improvement over the one of last year, when, after playing out the given schedule, the three highest teams were to play a series for the championship.

April 1—East Side and West Side High schools. April 4—Portland academy and Hill Military. April 8—West Side High school and Columbia university.

April 15—Portland academy and Columbia. April 18—West Side High and Hill. April 22—East Side High and Columbia. April 25—West Side High and Portland academy.

April 29—Hill and Columbia. May 2—East Side and Portland academy. May 6—East Side and West Side High schools. May 9—Portland academy and Columbia. May 13—West Side and Hill. May 16—East Side and Columbia. May 20—Portland academy and Hill. May 23—Field day. May 27—West Side and Columbia. May 30—East Side and Hill. June 3—West Side and Portland academy. June 6—Hill and Columbia. June 10—East Side and Portland academy.

Portlands Get Three More. The Hicks-Chaten bowling team rolled a good set on the Oregon alley today and but the Portland quintet rolled a better three games. The score: PORTLANDS. (1) (2) (3) T. A. SPORTING NOTES

Local and Otherwise.

St. Patrick's day has been the occasion more than once for a heavyweight championship of the world fight. On this day, 1897, at Carson City, Nevada, Bob Fitzsimmons gave Jim Corbett such a poke in the solar plexus in the fourteenth round that Jim couldn't respond to the count.

Miss Lillian Russell, the actress, had quite a compliment paid her the other day in New Orleans, and incidentally cleared up a nice wad of the long green. Lillian is playing in "Wildfire," the racing comedy, in the Crescent city and some gallant southerners conceived the idea of naming an overnight stake in honor of the play.

Biddy Bishop, former pugilistic manager, but now a trench sportswriter, will refer to the Barney Mullin-Billy Ross fight in Aberdeen tonight. Both men are in splendid condition and each is confident of winning the mill. Considerable interest has been shown in the fight in the sound cities and there will undoubtedly be a large attendance.

Ralph Glaze, the former Dartmouth football and baseball star, and for the past two years a member of the Boston Americans, is coaching the baseball squad at his alma mater, Ralph will work with the collegians until April 1, when he will report to the majors. His brother, Ralph Glaze, is Dartmouth's eastern Oregon, having played one year of the Empire league under the name of Ralph Hays. He had one of the quickest swinging drop balls ever seen in the wheat belt section.

Tommy Burns vs. Jim Roche, 20 rounds, at Dublin, Ireland. John Wille vs. Marvin Hart, 20 rounds, at Hot Springs, Arkansas. Harry Lewis vs. Jimmy Gardner, 25 rounds, at San Francisco. Leo Ryan of Minneapolis vs. "Kid" Morris of Chicago, 20 rounds, at Minot, North Dakota. Matty Baldwin vs. "Spikie" Robson, 12 rounds, at Boston. Frank Fields vs. Larrig Gordon, 20 rounds, at Goldfield, Nevada.

Wrestling bouts tonight: "Farmer" Burns vs. Fred Beell, at Omaha, Nebraska. Fred Bart vs. Ed Adamson, at Minneapolis.

Attell and Nelson Signed. (United Press Leased Wire.) San Francisco, March 17.—Sam Berger, San Francisco's new fight impresario, has succeeded in arranging a match for March 31, when he will bring Abe Attell and William Nelson together here in a 15-round argument. The match has just been signed up, calling for the men to meet at 132 pounds at 8 o'clock. Attell will, of course, weigh considerably less than his opponent, but his speed will count, it is believed, in a 15-round affair.

Foster & Keiser Signs. (United Press Leased Wire.) Santa Barbara, Cal., March 17.—Madden, the big catcher from Boston, and Raftery, arrived here yesterday and will be out in uniform today. Both men are fairly good condition and expect that they will be able to show off with the best of their inside of a week. The Dutch won a close victory over the Irish yesterday, with Lakoff doing the twirling for the Dutch, and Pernell working for the Irish. The score was 8 to 7. Today (St. Patrick's day) the same teams will line up for another practice game.

SALEM CLUB AND ASTORIA NOW IN TRI-CITY LEAGUE SCHEDULE

Open April 11 and Closes Labor Day.

Salem and Astoria are now full-fledged members of the Tri-City league, having been elected last night by the directors, who at the same time decided that the league would open Saturday, April 11, and close September 7, Labor Day. Both of the new teams have assurances of ample support in their home towns and the season promises to be a success from every standpoint.

The opening game and the one the day after, Sunday, will see the teams lined up as follows: Salem at Woodburn, East Portland and West Portland at Vaughn street grounds, Vancouver at Oregon City and Astoria at St. Johns. Since the grounds at the Salem and Astoria clubs will not be ready until the last of April all the games up to that time will be played away from home.

The closing games of the schedule, will find the teams in the following arrangement: Saturday—Salem at Astoria, Oregon City at St. Johns, East Portland at Woodburn and West Portland at Vancouver. Sunday—Salem at Astoria, East Portland at Woodburn, Vancouver at Oregon City and Astoria at St. Johns. West Portland at Vancouver and Oregon City at St. Johns.

Owing to the fact that the Portland uniforms and some of them are already here, Woodburn will be garbed in royal blue with white trimmings; West Portland in granite gray with red trimmings; St. Johns in navy blue and white; Vancouver in dark gray and navy blue with white trimmings; Oregon City in white with cardinal trimmings. Salem's colors will probably be bluish gray and navy blue trimmings. Astoria will wear navy blue trimmings.

Relative to the Ash Houston controversy no decision was taken by the directors, President Whitmore maintaining that it was a matter for the respective managers and the president to settle. East Portland, so it is thought, will not play until it is cleared up. Tim Concomer found himself in the same predicament. He signed a Woodburn and Vancouver contract but Houston would not play until it is cleared up. Tim Concomer found himself in the same predicament.
