ANKENY-MOORE WAR REOPENED

Proposed Taft Club at Senator's Home Fades Away in Battle Smoke.

(Special Dispatch to The Journal.) Walla Walla, Wash., March 19.—Unless the Ankeny wing of the Republican party and the Boxers arrive at an amicable agreement over the selection of officers the organization of a Walla Walla Taft club next Wednesday night is very much in doubt and old scores between the two wings may be reopened.

ANKENY MEN BALK ON MOORE. In return for selecting Hunt as president, ex-Governor Miles C. Moore, it is alleged, was to be selected as Walla Walla county vice-president of the club.

As a result of the disagreement, the contemplated organization of a Taft club next Wednesday night is very much up in the air.

STANFORD SETS NEW RECORD IN 22 2-5 SECONDS IN COMPETITION.

(Special Dispatch to The Journal.) Stanford University, Palo Alto, Cal., March 18.—How Stanford records last Saturday against the Olympic club and equaled the world's record for the half mile relay, thereby breaking the world record made at Los Angeles two weeks ago, it begins to look as if Stanford is to have a crackerjack team this year.

The defeat of the Olympics by the score of 164 to 18 was the first defeat the Olympics have suffered at the hands of Stanford in three years. The club men were handicapped by a small team which limited the number of entries to one or two in each event, but they were clearly outclassed behind the bat.

Harold Reed, the Portland sprinter, established a new Stanford record in the 220 yard dash when he came in first in the best condition and lost the half to Brown after a hard fight. He won the quarter, however, and took the only lead of the day for the Stanford team.

Reed and Holman, with Hussey and Conners ran the prettiest relay race ever seen on the Stanford track. The clubmen acted only as pacemakers in this event, to give the Cardinal runners a chance to show what they were capable of.

Horton won both the hurdles, and in the low event the 24 record of Captain MacFarland of last year's team. The Cardinal men look to him to carry away the honors in this event April 13, when the Blue and Gold and Stanford will meet in the sixteenth intercollegiate contest.

SULLIVAN WILL BOX WITH YOUNG YORKE

The Building Trades' A. A. has arranged an amateur boxing match between Eugene Sullivan, champion light weight of the northwest, and Young Yorke, March 27, at Merrill's hall. Those who have watched the men at their training believe that Sullivan will at last get "tripped" when he faces Yorke who is regarded as a corner at his weight.

DALLAS GETS FIRST GAME FROM M. A. A. C. WARSIT BIG TEAM

(Special Dispatch to The Journal.) University of Oregon, Eugene, March 19.—The tryout for the Columbia meet is scheduled for Saturday, April 4, one week before the meet. Training is getting the men into the best shape and will probably take a large number with him, as it will be the first real chance to determine the strength of the team.

Goals From Fouls by Morris Pile Up Points for Collegians. Dallas college last night won the first of a series of three games to be played by that institution and Multnomah club for the championship of Oregon.

The lineup of the game follows: Dallas. Bellinger, Fenton, Livingstone, Craven, Morris, Shaw, Barton, G. Shaw, Officials, Winslow and Thorpe. Halves, 20 minutes.

SPORTING NOTES

Local and Otherwise. President Navin of the Detroit ball club has leased the old racetrack at Hot Springs, and in future this will serve as the permanent training grounds of the Tigers.

The Pittsburgh club is having more trouble in signing players this spring than any other in the major leagues.

Hal Chase of the New York Americans hit for 390 in 12 games with the San Jose team, the leaders of the California state league.

Frank Mintel has made a very poor showing since his victory over Honey Melroy. It looks as though Mintel doesn't know the route to the championship honors.

Jim Barry, the Chicago heavyweight, is now under the management of Billy Gee, who used to look after Tommy Burns' interests.

Eustace Miles, the English racquet expert, has arrived in the United States and Jay Gould will soon have an opportunity to defend his title of world's amateur tennis champion.

The Boston Americans gave Toronto \$2,000 and Grimsby, Ontario, \$1,000, and first chance at Bill Carrigan in return for Jack Thoney. And now Thoney refuses to sign.

Rockford, Illinois, is to have quite a colony of ball players next month. The Copeland and Branch teams of the west league and the Oshkosh and Rockford teams of the Illinois-Wisconsin league will all do their training in the Illinois city.

The magnates of the Texas league are making a vigorous effort to be taken out of class C and put in class B of the National association. Class B requires that a league shall represent a population of at least 300,000.

"Stump" Stott has been appointed manager of the Multnomah club baseball team by the board of directors. "Stump" is a well known amateur baseball player, having been on the club team for several seasons and having caught for Stanford university during his college course.

(United Press Leased Wire.) Newark, N. J., March 19.—A two-days' bench show opened in this city today under the auspices of the North Jersey Kennel club. The exhibition embraces a total of nearly 500 entries, including prize-winning specimens of nearly all the breeds known to the dog fancier.

WITH THE COASTERS

Santa Barbara fans have noticed the great improvement in the playing of the Beavers during the past week. The players have developed greater speed and have displayed clearer ideas. Manager MacIntyre is doing a lot of team work and arranging the signals for the season.

Little Conroy is certainly there with the stick. He has been walloping the opponents he will be first to get on the steps to the plate. He finds little difficulty in connecting, and regardless of his diminutive appearance can lace out the ball as easily as a giant.

"The Sluggers" would be an appropriate title for the Beavers this year. Kennedy, the big first baseman, has a peculiar delight in trying to cave in all the boards in the Santa Barbara fence.

Manager Dugdale of the Seattle team of the Northwestern-league has ordered the club to report for practice on March 25. Twenty men will probably be in uniform for the initial practice.

Clint Higginbotham, who used to play sand-lot ball around Portland, is doing some great stunts with the St. Louis Cardinals of the American league.

Pat Donahue has been made Captain of the Boston Yankees. The former catcher is doing his best to make the Regulars and is getting some good press notices. Donnie evidently wants to shy away from Toronto.

Cravath, the former Angel rightfielder, who went to Boston this year and is filling in at the left guard on the Regulars during the spring training is doing very well. He is catching the ball and nabbing everything that comes his way.

Pat Donahue has been made Captain of the Boston Yankees. The former catcher is doing his best to make the Regulars and is getting some good press notices.

New Haven Auto Show. New Haven, Conn., March 19.—New Haven's automobile show for 1908 is on, and for the next six days the automobile will rule before it drops back to its normal position among the pleasure and commercial vehicles.

Dr. Alexander Reid, who announces himself a candidate for the position of Oregon state dairy and food commissioner on the regular Republican ticket, is a graduate of the medical department of the Oregon state university, and has been in active practice in Oregon for the past 12 years, and a resident of the state for 15 years.

Dr. Reid has always taken an active interest in all matters pertaining to food products, and the fact of his being a graduate of both a medical and a veterinary school makes him especially well equipped to fill the office of dairy and food commissioner.

Dr. Reid is now a practicing physician in Portland, with offices at 523 Williams avenue.

Try all the cigarettes you please— You can't get an absolutely sweet, mild, cool, clean smoke from anything but

IMPERIALES CIGARETTES

It's the way they are made, and made from conscientiously selected and wisely blended tobacco, that does it.

Imperiales Cigarettes are not only rolled in that thin, pure mair's paper to maintain the clear flavor of the tobacco, but no paste is used—they're crimped—and their individual mouth piece insures a smoke ideally cool.

Even when smoked incessantly, Imperiales leave no "after effect," whatsoever.

The men of the West smoked over 125,000,000 Imperiales Cigarettes in 1907.
