Mayor of Resort on Yaquina Bay Says Arrangements Have Been Made.

"Newport is a great fruit country, or will be when the fruit industry receives the attention it deserves. Old orchards are being replanted and new ones are being planted. The cool weather during the summer keeps the moths and aphids from developing and our apples are remarkably free from worms. We think that in time we will compete with the Hood River country, and we have this advantage—our fruit ripens earlier than the six counties north of us in the valley and will therefore keep that much longer through the winter. We can put the same varieties of fruit on the market six weeks later than the valley growers."

No Fat Women at Lyons

For true female grace and handsome figures the city of Lyons surpasses all French towns, declared a recent traveler. The women of both high and low degree are alike equal in the possession of grace. Add to it that they are not thin, but elegant; as a man would say, just right. I understand this highly ornamental condition of the women folk is true wherever Marmola is much used, as it is in this famous old silk town. American women who are over fat, little or much, should adopt this extremely valuable and simple plan of reducing, for Marmola is sealed) is obtainable in all American drug stores. Add to it at home a 1/2 ounce Fluid Extract Cascara, Aramuth and 1/4 ounce Syrup Simplex and take a teaspoonful after meals and at bedtime. The whole receipt costs but a few cents, but it takes off the fat in a wonderful way—even as much as 14 ounces a day without causing wrinkles or any ill effects. Fact is it improves the health and brings brilliancy to the eyes and complexion.
