## RIVAL RESHIES MEET SATURDAY

### Oregon Boy Stands Chance of Winning in Sprints From California.

(Special Dispatch to The Journal.)  
Stanford University, Cal., March 25.—"Dad" Moulton's freshmen are all in trim for the journey to the California track meet Saturday when they will meet the Blue and Gold 1911 class. Although they do not expect to win they are ready to fight and "Dad" says they will give a good account of themselves. There are several good sprinters who promise to make a showing.

Smithson, the San Jose high school sprinter, will be entered in the dashes. He has been running with the varsity men and follows Reed and Holman, the Portland sprinters, pretty closely. Moulton believes he has a find in Smithson. Besides there is Pomeroy, a Portlander, former champion of the Academic League in the 100 and 200. Towne of Palo Alto is another good man. In the quarter there is Brown, who last Saturday ran a quarter in the relay in 2:04, which equals Garner's record quarter made here last year in the Olympic meet.

"Dad" Moulton has never lost a quarter mile with California and it looks as if he will be able to hold his reputation. Brown is fighting J. O. Miller, Stanford's star sprinter, for a place on this year's varsity team. Of the other quarter men there are two who show great promise. First of these is Wynan, who may be entered in the 220 also. Another good man is Wheeler. In the half mile the Cardinal will enter Brown and Porter. The latter is credited with 5:05 in prep school. Porter will also enter the mile with Thompson as the other representative of the Palo Alto institution. The best two-mile man in the freshman class has developed are Bevier, a Spokane boy, and St. Johns. The hurdles will be taken care of by Brown and Porter. Each has good preparatory records. In the field events Stanford is weak. Her best weight man is Dole and the best vaulter at Omaha is Eugene Waring. Each high-jumping about 5 feet 6 inches. The best of the Cardinal freshmen can offer in the broad jump is about 19 feet 6 inches.

As a whole the team is good on the track and weak in the field. The freshman intercollegiate is an uncertain contest, however, and is to be held out properly each year. It is the first contest of the youngsters and there are few spectators and the disappointment the freshmen predict that it will be a close meet.

## SPEEDY ROLLER SKATER

A. Waldstein

Fleet athlete from Hood River, who will meet Harold Card of the Exposition rink here in the near future to decide the championship of the Pacific coast. The cup seen in the picture was won by Waldstein in competition for the coast championship in Oakland two years ago.

## SPORTING NOTES

Local and Otherwise.

The season of the new Ohio State league will open April 23 and close September 13. Evidently President Quinn is not a believer in the 23 and 13 hoodlums.

Bill Phillips, formerly of the Cincinnati team, at manager of the East River pool club in the O. and P. league this season.

Jack Morrissey has the unique distinction of being owner, president, manager, captain and player of the Lansing, Michigan, baseball club.

The three Hemphills, Charlie, Frank and Fred; the three Donohues, Jiggs, Frank and Pat; and the three Delahayas, Frank, Jim and Bill, could make up a swell brother team.

The new Atlantic association will be composed of six clubs: Portland and Lewiston, Maine; Pawtucket, Woonsocket and Newport, Rhode Island; and Taunton, Massachusetts.

President Johnson of the American league says that Jake Stahl and Mike Donlin will have to settle with the National commission before they can play with the New York teams. Both played with Chicago semi-professional clubs last season.

"Honey Boy" George Evans is training with the Philadelphia Nationals at Savannah, Ga., to lead a team against George Cohan's champions when the theatrical baseball season opens.

"Charles A. Shaffer, Dublin, Ireland" is the way Charlie Shaffer, manager of the Roanoke, Virginia, league team, signs. We don't know whether it is his name or home town, but something looks wrong.

The California State league is coming to the front. The Portland and Lewiston, Maine, clubs are members of the organization and the managers are as follows: San Francisco, Phil Knell; Oakland, Walter McMenomy; San Jose, E. P. Mayer; Fresno, Charles Baum; Stockton, Cy Moreing Jr.; Sacramento, W. F. Alameda; Los Angeles, Phil Schroeder; and Santa Cruz, William Devereaux.

## LEBANON CITIZENS LOWER BALL FENCE

(United Press Leased Wire.)

Lebanon, Or., March 25.—Lebanon is in the throes of a baseball war, with the opponents scoring the first victory.

Lebanon Saturday the baseball team enclosed its grounds with a board fence 10 feet high and on Sunday night the work was practically destroyed. Miscellaneous went to the field with saws and sawed the posts off at the ground and in the center so that they could not be used again.

The team is in good condition and banks on a splendid season, but the work of Sunday night is sorely felt. The ball management vows that it will place a guard around the fence to prevent future depredations. It is supposed that residents in the portion of the town where the fence was erected object to having their view cut off by the high boards. The ball team is highly incensed and it is reported that some arrests will be made in a few days.

Bench Show at Youngstown. Youngstown, Ohio, March 25.—A bench show under the auspices of the Youngstown Kennel club opened today under most favorable conditions. More than 400 prize-winning canines are on exhibition, representing many of the foremost kennels of the eastern states and Canada.

Hoppe Beats Schaefer. (United Press Leased Wire.) New York, March 25.—Willie Hoppe defeated Jacob Schaefer in an exhibition match last night, 4-0, in a two-day afternoon and last night. Hoppe and Sutton defeated Casignol, the French champion.

Vancouver Wedding Out. Vancouver, Wash., March 25.—Critics who watched Vancouver at practice last Sunday on the Portland league grounds have a good impression of Jack Heiser's aggregation of ball tossers. The wedding out process has commenced and by next week the players will know definitely what positions they are to occupy.

## M'CREIDIE'S IRISHMEN BEAT DUTCH PLAYERS

(Special Dispatch to The Journal.)

San Francisco, March 25.—Manager M'Creddie divided the Saliors into two teams yesterday—the Irish and the Dutch, the Colts beating the Teutons 3 to 2 in a game resembling the ball.

So rapidly did the players go to their work. Fielding of the hair raising order was indulged in by Shortist Conroy and first baseman Danist. Raftery was there with the stick and hit one to the boards.

M'Creddie will take the team to Salina today for a couple of games at that place, after which the men will go to San Francisco.

## Chicago Dog Show Opens.

Chicago, March 25.—The seventh annual dog show, under the auspices of the Chicago Kennel club, opened today and will continue during the remainder of the week. The entry list represents nearly all parts of the United States and Canada. There are dogs of all breeds and descriptions, the Boston terrier entry being the largest, heading the list with 100 dogs. The bulldogs are second with 80 entries and the collies are represented by 75 dogs. Cash prizes and premiums to the value of \$10,000 will be distributed among the winners.

## Pendleton Gets Ball Team.

(Special Dispatch to The Journal.) Pendleton, Or., March 25.—Pendleton will have a good baseball team today this season, an organization having been formed last evening. L. G. Frazier was elected president, Tom McKinley secretary, James Estes business manager and E. K. Lorimer field manager. Most of the contestants will probably be from Walla Walla, though all eastern Oregon and Washington towns play with the Pendleton team.

## Golf Season at Pinehurst.

Pinehurst, N. C., March 25.—Another event in the long list that has made this a record season for golf at Pinehurst opened today with the playing of the first rounds in the annual championship tournament for women. Next week comes the biggest event of the season, the eighth annual "Titled North and South" amateur championship, for which many prominent golfers are entered.

## CONSTITIATION

"For over nine years I suffered with chronic constipation and during this time I had to take a great deal of medicine. I was miserable and could not get a notion of my bowels. Happily I found a remedy in the form of a small box of Dr. Cassell's Tablets. I used them for nine years before I used Cassell's Tablets and found relief. I am now free from all the trouble. I can use this in behalf of suffering humanity."

## SMITHSON COMES HOME TO MARRY

### Rumored Famous Hurdler Will Wed Pretty Forest Grove Girl.

Rumor has it that there is a deal of romance in Forrest Smithson's return from New York to Portland, ostensibly to represent Multnomah club in the Olympic games in California in May. Smithson is about to become a benedict, so the story goes, and wants to be near the object of his affections—a pretty Forest Grove girl—during the summer. Whether it will be a June wedding with a ceremony a Wednesday at high noon, has not been divulged, but it will probably not be very far away.

When the big timber-topper was in Noire-Dame, visiting some of his old schoolmates the other day, the secret—it is hardly a secret—leaked out. Smithson confided, it is said, to an intimate friend, who in turn told another intimate friend, and the cat was out of the bag even before Smithson left for Chicago after a brief stopover at Denver. He will hit the high spots for Portland.

Last December it was reported that Smithson intended to marry the Forest Grove young lady in question, but she indignantly denied to The Journal that such was the case. Since then, however, mutual friends of the couple have known there was an understanding, it is reported.

This morning The Journal again called up the young lady, Miss Josephine Baber, who replied: "I absolutely refuse to talk to any reporters."

## GORBETT IS WILLING TO REFEREE MATCHES

### Gentleman Jim Will Try to Be on Hand at Building Trades Smoker.

Arrangements have been made to seat 2,500 people in Merrill's hall at the big smoker of the Building Trades Amateur Athletic club Friday night. The committee has also agreed that no admittance will be charged to those who have to remain standing.

A message has been received from James J. Corbett, who appears in the Herald tomorrow and Friday nights in "The Burglar and the Lady," stating that he will referee the Gene Sully-Kid Yorky match providing it will not interfere with his train connections. The boxing contests will be called at 8 o'clock and the last go will be shifted to suit the convenience of Corbett.

The racers will leave San Francisco for Siberia by steamer in May.

## WITH THE COASTERS

Just when everything was going along smoothly for the Portland team, an inconsiderate foul tip found its way to catcher Madden's hand and split that member so badly that several stitches had to be taken. As a result, Madden, who was showing up finely behind the bat, will be forced to lay off until the season opens. Madden is the first player to sustain an injury which prevents practicing.

## NORTHWEST IS ACTIVE.

Portland Weather Suffers by Comparison With Other Cities. Henry Jennings of Henry Jennings & Sons, returned a few days ago from a trip to Mexico. "To a man accustomed to the activity of the northwest, that is, Oregon and Washington, Mexico, and the Texas and southern California, seems extremely sluggish," said Mr. Jennings yesterday, when seen in his big furniture and carpet house at Second and Morrison streets, "and the addition of Irvington that in all the towns of southern California combined

I had my attention called so often to what they thought almost continual rain in Oregon. Several I met had it figured out in their imagination that it rains 10 months out of the year in Oregon, with two months of fine weather. I told them they had it reversed, that in fact, we had probably two months of rainy season which was not heavy, and the people down in that section look as fresh, roddy, glow soon on the cheeks, the people in Oregon is not encountered in the south. Business, also, was made up my mind I was to end my visit I would have to keep away from the business houses. To go away from Portland and see what is going on in California, I would have to go to the business houses.
