35c - 50c - 75c - \$1 Hosiery, **29c**

Every year two European hosiery-makers, a French and a German manufacturer, send us their samples—not seconds, but samples. They don't bother to classify the hosiery as to price, but invoice them regardless of their values in one lump lot. So you get 35c, 50c, 75c, 85c, \$1.00 and even \$1.25 stockings at 29c. It's the hosiery scoop of the year, as they say in the trade world, and we get the share that comes to Portland because we are the only consumers here of these two firms' goods. This is the biggest lot we ever had, and the stockings are the finest and the prettiest. The colors include white, tan, black, champagne, biscuit, sage, Atlantic blue, mauve, gray, navy, green, bronze, ciel, purple, fancy stripes, plaids, polka dots, etc.
