Begins Wednesday Morning--Be Here

The largest and best sale of Undermuslins the women of Portland have been offered for many a day. Prices are reduced in royal fashion, for every piece of muslin underwear we own is selling at a price less than usual. The importance of this announcement cannot be grasped until you understand that with the tremendous assortments—the unequalled values and the great variety of designs—we make no reservations whatever, but offer every garment of our superb lingerie at a saving to you. Particular women will revel in the beauty, the exquisite daintiness and the snowy whiteness of these fluffy undermuslins. The distribution of these garments comes just at a time when you are planning your summer wardrobe, counting on the dainty underwear that will be needed and considering the outlay necessary to have them. This appropriation can be lessened if you patronize this sale of muslin wear. Goods from the best factories in the business—made in cleanly, sanitary shops, and cut generously full—made as only perfect goods are. In addition to the entire stock of domestic muslinwear, we place special prices on every piece of our imported French lingerie.
