De Miracle Cream and Soap

Introductory Sale and a Gift
 There are two basic kinds of toilet cream—the cold cream of general use—greasy—and flesh-foam cream—grease-less. There are grades of each class, and we've just had the best chemist in Philadelphia analyze De Miracle Cream to substantiate the makers' claims of its purity and excellence. He does substantiate them. Creams do most good when they have a good soap as a fellow. So the De Miracle Chemical-Co. produced a careful toilet soap.
 To introduce both the cream and the soap to Portland women with the assurance that analysis gives us of doing a good work, we will for a day or so sell
