SOME ARE WISE CASH BUYERS—OTHERS ARE OTHERWISE

AS TO CASH BUYING

The one who buys for Cash buys far below the one who buys on Credit. This is a universal law which no specious argument or sophistry can change. The reason therefor is plain. And in no way whatever can you satisfy yourself that you do not make a loss in quality, a loss in quantity and a loss in price whenever and wherever you buy on Credit.

\$500 Guarantees Its Purity CRESCENT BAKING POWDER

YOU ARE INVITED TO CALL AND TRY THE CAKES MADE FROM CRESCENT EGG-PHOSPHATE BAKING POWDER. 16 OUNCES FOR 25c. NOT HOW CHEAP, BUT HOW GOOD.

Every woman who values her health and the health of her children should use Egg-Phosphate Baking Powder. It raises the dough thoroughly and evenly, leaving no soggy spots in the food. It leaves no deposit after the food is cooked, but gives out only healthful, leavening bubbles. Crescent Egg-Phosphate is the life of dough—the sunshine of all risen foods; better than the old time Cream of Tartar which leaves an injurious deposit of Rochelle Salts—an irritant drug.
