RAGTAG AND BOBTAIL

The Merry Little Mischiefs Help to Prove That Horseback Riding Isn't as Easy as It Looks

1. RAGTAG: "Go ahead, mister, and hire a horse over at the riding academy—it's great sport—and see how easy it is to ride."

2. BOBTAIL: "Oh, say, but you do look splendid. Just wait until you get on the road, and all the girls will admire your style of riding, I'm sure."

3. RAGTAG: "Isn't it exhilarating sport? You certainly do look fine on a horse."

4. BOBTAIL: "Hey, not so fast! Slow down a bit and you will look better."

5. RAGTAG: "Hold on there! Don't tease the poor horse, he may throw you off."

6. MORAL: If you are not quite sure of your riding ability, don't let others tell you how good you are. It's safer to walk."
