(Special Dispatch to The Journal.)
Salem, Or., April 4.—The first annual Marion county horse breeders' show held here today surpassed all expectations in the number of entries. The parade was the largest ever seen in the state, covering 13 blocks. The judges were busy all the afternoon awarding the prizes. The city was filled early in the day with throngs from three counties, while special delegations arrived on the trains from Portland and both the east side and west side trains sent contributions. ONLY ONE TO SIGN STATEMENT 1 PLEDGE

William E. Burke is Lone Supporter of People in Clatsop.

William E. Burke of Astoria was a Portland visitor yesterday. Mr. Burke is a candidate for the Republican nomination for representative from Clatsop county and is running on a Statement No. 1 platform. He is the only candidate in the county who has signed Statement No. 1 and is pitted against five other candidates, who are either unpledged or have pledged themselves to support the Republican nominee at the April primary election.

Mr. Burke believes that he is well in the lead in the race for the nomination and that the people of the county will stand behind Statement No. 1 at the primaries. Mr. Burke, in outlining his policies and the principles upon which he has gone before the people as a candidate, has prepared a statement, which is as follows:

- I favor the retention of C. W. Fulton in the United States senate, but will obey the instructions given by the people of Oregon next June, on the following bill:
- "That we, the people of the state of Oregon, hereby instruct our representatives and senators in our legislative assembly as such officers, to vote for and elect the candidates for United States senator from this state who receive the highest number of votes at our general elections."
- "In addition, will favor the enactment of the following measures:
"Four-year term for county officers."
"Collection of taxes by the county treasurer."
"Divide Fifth judicial district by joining the counties of Clatsop and Columbia."
"A prosecuting attorney for each county."
"Safeguard deposits in banks."
"Pure food law and regulation of weights and measures."
"Preserve natural resources of state, including water powers, and limit franchises to 25 years."
"Better protection for salmon."
"Voter not to be required to re-register except as he changes his place of residence."
"Continuation of Roosevelt policies, Port of Astoria seawall and deepening of Columbia river bar."

UNKNOWN HOBBO KILLED AT EUGENE

Tries to Board Train, Falls Under Wheels—Home Near Omaha.

(Special Dispatch to The Journal.)
Eugene, Or., April 4.—An unknown hobo about twenty years old, was run over and killed by a freight train here this afternoon. He attempted to board a car, but missed a foot-hold and was drawn under the wheels. Both of his feet were cut off and his head was smashed to a pulp. On a card in his pocket were two names, Fred Johnson and Holta Richards. A companion said he came from Tacoma, but he did not know his name. He said the victim had told him his father runs a dairy near Omaha and he had left home five years ago on account of trouble with his people.
